Any proxy may be revoked by a stockholder at any time before its exercise by delivery of written revocation or a subsequently dated proxy to the Secretary of the Company or by voting in person at the Annual Meeting.

Voting Securities and Votes Required

Edgar Filing: MEMBERWORKS INC - Form DEF 14A

At the close of business on September 20, 2004, the record date for the determination of stockholders entitled to vote at the Annual Meeting, there were outstanding and entitled to vote an aggregate of 10,077,441 shares of Common Stock, constituting all of the voting stock of the Company. Holders of Common Stock are entitled to one vote per share.

The presence or representation by proxy of the holders of a majority of the number of shares of Common Stock issued, outstanding and entitled to vote at the Annual Meeting constitutes a quorum for the transaction of business at the Annual Meeting. Shares of Common Stock represented in person or by proxy (including shares that abstain or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum is present.

The affirmative vote of the holders of a majority of the shares of Common Stock present at the Annual Meeting is required for each of the matters set forth in the accompanying Notice of Annual Meeting except Proposal 2, which requires the affirmative vote of 75% of the shares of Common Stock.

Shares that abstain from voting as to a particular matter, and shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter and will also not be counted as votes cast or shares voting on such matter. Accordingly, abstentions and broker non-votes will have no effect on the voting on matters that require the affirmative vote of a certain percentage of the shares voting on the matter.

PROPOSAL 1

APPROVAL OF AN AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO CHANGE THE NAME OF THE COMPANY

The Board of Directors of the Company has unanimously approved, and is recommending that the stockholders vote in favor of, an amendment to the Company's Amended and Restated Certificate of Incorporation to change the name of the Company to Vertrue Incorporated. The Company was organized in 1996 and did business as CardMember Publishing Corporation from 1989 to 1996. In August 1996, the Company changed its name from CardMember Publishing Corporation to MemberWorks Incorporated. The change was intended to reflect the ever-broadening base of membership services that the Company offers to its customers.

The Board of Directors believes that the proposed change in the Company's name will assist the Company in developing new marketing and sales strategies and will enhance the Company's brand equity and strengthen recognition of the Company by our customers, partners and stockholders. The change in the Company's name will not affect, in any way, the validity of currently outstanding stock certificates, nor will it be necessary for the Company's stockholders to surrender or exchange any stock certificates that they currently hold as a result of the name change. If the name change is approved at the annual meeting, the Company intends to promptly file a Certificate of Amendment with the Secretary of State of the State of Delaware. In anticipation of the name change, the Company began doing business as Vertrue Incorporated on October 13, 2004 and the Company began trading under the trading symbol VTRU on October 15, 2004.

Attached to this Proxy Statement as Annex A is the proposed amendment to the Company's Amended and Restated Certificate of Incorporation with respect to the name change. Stockholders are urged to review Annex A in considering the amendment.

The Board of Directors recommends that stockholders vote FOR the above proposal.

Approval of the above proposal related to the change of the Company's name will require the affirmative vote of the holders of a majority of the outstanding shares of the Company's Common Stock outstanding and entitled to vote on the record date. Stockholders may vote (1) FOR, (2) AGAINST, or (3) ABSTAIN, from voting on Proposal 1.

PROPOSAL 2

APPROVAL OF AN AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO DECLASSIFY THE BOARD OF DIRECTORS

The Board of Directors of the Company has unanimously approved, and is recommending that the stockholders vote in favor of, an amendment to the Company's Amended and Restated Certificate of Incorporation to eliminate the classification of the Company's Board of Directors so that each director would stand for election annually (the Declassification Amendment).

Edgar Filing: MEMBERWORKS INC - Form DEF 14A

The Board of Directors believes that the classified board structure has provided certain advantages to the Company, including the preservation of some degree of continuity of Board membership, which facilitates long-term planning and enhances the ability of the Board of Directors to implement business strategies. The classified board was intended to increase the commitment of members of the Board of Directors. The classified board protects stockholders against potentially coercive takeover tactics where a party attempts to acquire control on terms that do not offer the greatest value to all stockholders.

On the other hand, a classified board structure can reduce the accountability of directors. The election of directors is the primary means for stockholders to influence corporate governance policies and a classified Board of Directors structure reduces the accountability of directors because stockholders are unable to evaluate and elect all directors on an annual basis. Moreover, classified boards may discourage takeover proposals and proxy contests that could have the effect of increasing shareholder value. As a result, a number of corporations have determined that principles of good corporate governance dictate that all directors of a corporation should be elected annually.

All directors whose terms would not otherwise expire at the 2004 Annual Meeting have conditionally resigned (the Conditional Resignation), subject to approval and effectiveness of this Proposal 2. In the event the

2

stockholders approve Proposal 2, the directors will no longer be designated as Class I, II or III directors, and all of the seven current directors will stand for election at the 2004 Annual Meeting. For such purpose, and in such event, the Board of Directors has nominated the seven current members of the Board of Directors for election under the Amended and Restated Certificate of Incorporation, as amended by the Declassification Amendment, for one-year terms, ending at the 2005 Annual Meeting or until their successors are duly elected and qualified.

In the event the stockholders do not approve Proposal 2, the Conditional Resignation shall not take effect and the Board of Directors has nominated the three Class II directors for election under the existing Amended and Restated Certificate of Incorporation, to serve for a three-year term expiring at the Company's annual meeting in 2007 or until their successors are duly elected and qualified.

Attached to this Proxy Statement as Annex B is the proposed amendment to the Company's Amended and Restated Certificate of Incorporation with respect to the declassification of the Board of Directors. Stockholders are urged to carefully read the attached Annex B. If the Declassification Amendment is approved, the Company will file an amendment to its Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware promptly after the Declassification Amendment is approved by stockholders, upon which filing the Declassification Amendment will become effective.

The Board of Directors recommends that stockholders vote FOR the above proposal.

Approval of the above proposal related to the approval of the declassification of the Board of Directors will require the affirmative vote of the holders of 75% of the outstanding shares of the Company's Common Stock outstanding and entitled to vote on the record date. Stockholders may vote (1) FOR, (2) AGAINST, or (3) ABSTAIN, from voting on Proposal 2.

PROPOSAL 3

ELECTION OF DIRECTORS

Under the current Amended and Restated Certificate of Incorporation, the Company's Board of Directors is divided into three classes, with members of each class holding office for staggered three-year terms. The Board currently consists of three Class II directors, whose terms expire at the 2004 Annual Meeting, two Class III directors whose terms expire at the 2005 Annual Meeting and two Class I directors whose terms expire at the 2006 Annual Meeting (in all cases subject to the election of their successors and to their earlier death, resignation or removal).

If Proposal 2 is not approved, the terms of the three Class II directors, Scott N. Flanders, Michael T. McClorey and Edward M. Stern, will expire at the 2004 Annual Meeting. The Board of Directors has nominated Mr. Flanders, Mr. McClorey and Mr. Stern for re-election at the Annual Meeting, to serve for three-year terms.

If Proposal 2 is approved, only the terms of all of the Company's directors will expire at the 2004 Annual Meeting. The Board of Directors has nominated Mr. Ellison, Mr. Tesler, Mr. Flanders, Mr. McClorey, Mr. Stern, Mr. Johnson and Mr. Kamerschen to stand for re-election at the Annual Meeting, to serve for a one-year term.

Edgar Filing: MEMBERWORKS INC - Form DEF 14A

The persons named in the enclosed proxy will vote to elect each of the persons nominated as directors, unless authority to vote for the election of the nominees is withheld by marking the proxy to that effect. The Company has a Corporate Governance and Nominating committee and all nominations are approved by the Board of Directors. Each nominee has indicated his willingness to serve, if elected, but if any nominee should be unable to stand for election, proxies may be voted for a substitute nominee designated by the Board of Directors.

The Board of Directors recommends that stockholders vote FOR the nominees.

The following table sets forth certain compensation information for the fiscal years indicated, of (i) our Chief Executive Officer and (ii) the four other most highly compensated executive officers who served as our executive officers during the year ended June 30, 2004 (collectively, the Named Executive Officers):

SUMMARY COMPENSATION TABLE

	Annual Compensation (1)	Long-Term Compensation
(1)	In accordance with the rules of the Securities and Exchange Commission, other compensation in the form of perquisites and other personal benefits have been omitted because such perquisites and other personal benefits constitute less than the lesser of \$50,000 or ten percent of the total salary and bonus reported for the Named Executive Officer during the fiscal years ended June 30, 2004, 2003, and 2002.	
(2)	The Company did not grant any restricted stock awards or stock appreciation rights during the year ended June 30, 2004, 2003 and 2002.	
(3)	The amounts reported in this column consist solely of the Company's matching contributions under the 401(k) Profit Sharing Plan.	
(4)	Mr. Olson resigned from his employment with the Company in May 2004.	
(5)	Represents \$394,669 of severance payable to Mr. Olson pursuant to his separation agreement. Pursuant to Mr. Olson's voluntary separation agreement, Mr. Olson will receive \$394,669 in salary continuation and other benefits, payable bi-weekly for 52 weeks. The Company will also provide Mr. Olson with health, dental and life insurance through the end of the severance period or until Mr. Olson becomes covered under another group plan, whichever occurs first. In addition, Mr. Olson remained eligible for his bonus in fiscal 2004 and may continue to exercise any vested options until October 26, 2004. Mr. Olson agreed to a one-year non-compete agreement and provided a release of all claims against the Company and related entities and parties.	

Option Grants

The following table sets forth certain information concerning option grants during the fiscal year ended June 30, 2004 to the Named Executive Officers:

William T. Olson III	10,000	4.2%	20.86	7/22/13	131,181	332,439

- (1) In fiscal 2004, the Company granted 240,000 stock options to Company employees and this number was used in calculating the percentage.
- (2) Amounts represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on assumed rates of stock appreciation of 5% and 10% compounded annually from the date the respective options were granted to their expiration date. The assumed rates of appreciation are mandated by the rules of the Securities and Exchange Commission and do not represent the Company's estimate or projection of future stock prices. This table does not take into account any appreciation or depreciation in the price of the Common Stock to date. Actual gain, if any, on stock option exercises will depend on future performance of the Common Stock and the date on which the options are exercised. Values shown are net of the option exercise price, but do not include deductions for tax or other expenses associated with the exercise. These options generally vest and become exercisable in four equal annual installments (i.e. 25% per year) and expire at the earlier of termination of employment or ten years from date of grant. In the event of a change in control of the Company, the Board has the discretion to provide that all options become exercisable in full immediately prior to such event.

Option Exercises and Holdings

The following table sets forth certain information concerning each exercise of a stock option during the fiscal year ended June 30, 2004 by each of the Named Executive Officers and the number and value of unexercised options held by each of the Named Executive Officers on June 30, 2004:

AGGREGATED OPTION EXERCISES IN LAST FISCAL YEAR AND FISCAL YEAR-END OPTION VALUES

William T. Olson III	84,256	\$ 1,056,041	0 / 54,256	\$ 0 / \$1,591,166

- (1) The per share value of unexercised in-the-money options is calculated by subtracting the per share option exercise price from the last per share sale price of the Company's Common Stock on the Nasdaq National Market on June 30, 2004 (\$29.62) for those options which have an exercise price below the Company's stock price on June 30, 2004.

Equity Compensation Plan Information

The following table summarizes information about the Company's equity compensation plans as of June 30, 2004.

Plan category	Number of securities to be issued upon exercise of outstanding options	Weighted-average exercise price of outstanding options	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in (a))
	(a)	(b)	(c)
Equity compensation plans approved by security holders	1,772,000	\$22.35	837,000
Equity compensation plans not approved by security holders (1)	1,533,000	\$17.50	63,000
Total	3,305,000	\$20.10	900,000

- (1) These shares represent an increase in the share reserve during 2002 under the 1996 Stock Option Plan. These options have an exercise price per share that is equal to or greater than the fair market value at the date of grant and they generally become exercisable over a four to five year period and expire at the earlier of termination of employment or ten years from the date of grant.

Defined Benefit Plan Table

Effective January 1, 2004, the Company has an unfunded, nonqualified defined benefit pension plan that provides retirement benefits to certain executives selected by the Executive Officer Development and Compensation Committee of the Board of Directors. The following table shows the estimated annual benefits payable to the individuals indicated assuming the required 10 years of service is attained and normal retirement age of 60 under the terms of the defined benefit pension plan:

Name	Years of Accrued Service Through 2004	Estimated Normal Retirement Benefit (A)
Gary A. Johnson	14	\$ 230,000
David Schachne	13	\$ 120,000
James B. Duffy	8	\$ 120,000
Vincent DiBenedetto	9	\$ 120,000

- (A) The annual benefits payable to the individuals indicated above would be reduced by 50% assuming early retirement (age 55).

Certain Relationships and Related Transactions

As of the closing of the Company's initial public offering in October 1996, the Company adopted a policy that all material transactions between the Company and its officers, directors and other affiliates must (i) be approved by a majority of the members of the Company's Board of Directors and by a majority of the disinterested members of the Company's Board of Directors and (ii) be on terms that are no less favorable to

the Company than could be obtained from unaffiliated third parties. However, the policy does not allow for the grant of any personal loans to or for any director or executive officer.

As of June 17, 2004, the Company has engaged Broadview International LLC for investment banking services. Mr. Ellison, a member of the board of directors of the Company, is the President and a Managing Director of Broadview International LLC. No fees were incurred in connection with these services during fiscal 2004.

For a description of option grants to certain executive officers of the Company, see [Executive Compensation](#) [Option Grants](#).

REPORT OF THE EXECUTIVE OFFICER DEVELOPMENT AND COMPENSATION COMMITTEE

The Executive Officer Development and Compensation Committee of the Board of Directors was composed of three independent non-employee directors, Mr. Ellison, Mr. Kamerschen and Mr. Stern, during fiscal 2004. The Executive Officer Development and Compensation Committee is responsible for establishing and administering the policies that govern both annual compensation and performance-based equity ownership of the Company's executive officers.

This report is submitted by the Compensation Committee and addresses the Company's policies for 2004 as they applied to the Company's executive officers, including the Named Executive Officers.

Compensation Philosophy

The objectives of the executive compensation program are to (i) align compensation with business objectives, individual performance and the interests of shareholders, (ii) motivate and reward high levels of performance, (iii) recognize and reward the achievement of Company goals and (iv) enable the Company to attract and retain key executives.

In evaluating both individual and corporate performance for purposes of determining salary and bonus levels and stock option grants, the Committee places significant emphasis on the extent to which strategic and business plan goals are met, including the progress and success of the Company with respect to matters such as achieving operating budgets, establishing strategic marketing, distribution and development alliances, product development and enhancement of the Company's strategic position, as well as on the Company's overall financial performance.

Executive Compensation in Fiscal 2004

The compensation programs for the Company's executives established by the Committee consist of four elements based upon the foregoing objectives: (i) base salary and benefits competitive with the marketplace; (ii) bonus grants based on individual and Company performance; (iii) stock-based equity incentive in the form of participation in the 1996 Stock Option Plan, the 1995 Executive Officers' Stock Option Plan and the 1996 Employee Stock Purchase Plan and (iv) perquisites that in total do not exceed \$50,000 in value. The Committee believes that providing a base salary and benefits to its executive officers that are competitive with the marketplace enables the Company to attract and retain key executives. In addition, the Committee believes that bonuses based on both corporate and individual performance provide incentives to its executive officers that align their interests with those of the Company and its stockholders. The Committee generally provides executive officers discretionary stock option awards to reward them for achieving specified business objectives and to provide them with long-term ownership opportunities. In evaluating the salary level, bonuses and equity incentives to award to each current executive officer, the Committee examines the progress which the Company has made in areas under the particular executive officer's supervision, such as development or sales, and the overall performance of the Company. In addition, the Executive Officer Development and Compensation Committee has retained an independent outside compensation consulting firm, with whom the Committee meets at least annually.

In determining the salary and bonuses of each executive officer, including the Named Executive Officers, the Committee and the Board of Directors consider numerous factors such as (i) the individual's performance, including the expected contribution of the executive officer to the Company's goals, (ii) the Company's long-term needs and goals, including attracting and retaining key management personnel, (iii) the Company's competitive position, including market data on the compensation of executive officers of comparable companies and (iv) the Company's financial performance measured against financial targets approved by the Board of Directors and the Committee. To the extent determined to be appropriate, the Committee also considers general economic conditions and the historic compensation levels of the individual.

Stock option grants made pursuant to the 1995 Executive Officers' Stock Option Plan and the 1996 Stock Option Plan in the fiscal years ended June 30, 2004, 2003 and 2002 were designed to make a portion of the overall compensation of the executive officers receiving such awards vary

depending upon the performance of the Company's Common Stock. Such grants, as a result of vesting arrangements applicable to such stock options, also serve as a means of retaining these individuals. In making stock option grants to executives, the Committee considers a number of factors, including the performance of the executive, the responsibilities of the executive, and the

executive's current stock or option holdings. In fiscal 2004, the Committee decided to reduce the number of stock options granted to the Named Executive Officers as compared to the prior year to better align the interests of the Named Executive Officers and stockholders, reduce dilution risk of stockholders and better align executive compensation with current marketplace trends.

Benefits

The Company's executive officers are entitled to receive medical benefits and life insurance benefits and to participate in the Company's 401(k) Savings Plan on the same basis as other full-time employees of the Company. Additionally, in fiscal 2004, certain of the Company's executive officers became entitled to participate in the Company's LTIP plan, which is subject to stockholder approval as described herein, and a nonqualified defined benefit retirement plan. These additional benefits were incorporated in order to offset the financial impact of the reduction in the number of stock options granted to the Named Executive Officers. The Company's 1996 Employee Stock Purchase Plan, which is available to virtually all employees, including certain executive officers and directors who are employees, allows participants to purchase shares at a discount of approximately 15% from the fair market value at the beginning or end of the applicable purchase period.

Compensation of the Chief Executive Officer in Fiscal 2004

The compensation philosophy applied by the Committee in establishing the compensation for the Company's President and Chief Executive Officer is the same as for the other senior management of the Company to provide a competitive compensation opportunity that rewards performance.

During fiscal 2004, Mr. Johnson served as President and Chief Executive Officer of the Company and was paid a base salary of \$600,000 and a bonus of \$1,227,600. The Committee determined Mr. Johnson's base salary based on the same market criteria used for other senior officers. The determination of Mr. Johnson's bonus was based upon the successful attainment of specific financial goals established by the Committee. For fiscal 2004, the financial goals were based on revenue and operating income targets. Based on the Company's results, Mr. Johnson's bonus plan provided for a pay out of 102% of the target amount. Mr. Johnson was also granted options to purchase 42,000 shares of Common Stock at a weighted average exercise price of \$23.83 per share under the 1996 Stock Option Plan.

Compliance with Section 162(m) of the Code

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), enacted in 1993, generally disallows tax deductions to publicly-traded corporations for compensation over \$1,000,000 paid to the corporation's Chief Executive Officer or certain of its other highly compensated employees. Qualifying performance-based compensation will not be subject to this disallowance if certain requirements are met. The Committee believes that it is in the best interests of the Company's stockholders to comply with such tax law, while still maintaining the goals of the Company's executive compensation program. Accordingly, where it is deemed necessary and in the best interests of the Company to continue to attract and retain the best possible executive talent, and to motivate such executives to achieve the goals inherent in the Company's business strategy, the Committee will recommend, and the Company is expected to pay, compensation to executive officers which may exceed the limits of deductibility.

PROPOSAL 4

APPROVAL OF ADOPTION OF THE 2004 LONG TERM INCENTIVE PLAN

The Board of Directors of the Company has recommended and asks that you approve the LTIP. The Board adopted the LTIP on January 22, 2004, subject to stockholder approval. The Company believes that the ability to make long-term incentive compensation awards is an essential part of its compensation program and the Company would be at a significant disadvantage with respect to its competitors if it was unable to offer long-term incentive compensation awards to its officers, employees and directors. In the event that shareholders do not approve the LTIP, the Company will have no long-term incentive plans.

The following is a general description of the material features of the LTIP. A copy of the LTIP is attached as Annex C to this Proxy Statement. Approval of the above proposal related to the LTIP will require the affirmative vote of the holders of a majority of the shares of the Company's Common Stock outstanding and entitled to vote on the record date. Stockholders may vote (1) FOR, (2) AGAINST, or (3) ABSTAIN, from voting on Proposal 4.

The Board of Directors recommends that stockholders vote FOR the above proposal.

Purposes and Eligibility

The LTIP provides incentive to certain officers and employees of the Company and its subsidiaries with competitive incentive compensation opportunities based on the achievement of specified performance goals. The Executive Officer Development and Compensation Committee of the Board of Directors has the sole authority and discretion to designate the employees who are eligible for a LTIP award, subject to the terms of the Plan. The Executive Officer Development and Compensation Committee is referred to as the Committee. In determining the amount and form of an award, consideration will be given to the functions and responsibilities of the employee, his or her potential contributions to the success of the Company and other factors deemed relevant by the Committee. As of September 20, 2004, seven individuals were eligible to receive awards under the LTIP.

Effective Date and Expiration

If approved by the stockholders, the LTIP would become effective for the Company's fiscal year 2004 and shall expire on the fifth anniversary of the date of such stockholder approval, unless terminated earlier by the Board. Upon approval of the LTIP by the stockholders, all LTIP awards awarded under the LTIP on or after July 1, 2003 shall be fully effective as if the stockholders had approved the plan as of July 1, 2003.

Maximum Amount of Long-Term Incentive Awards

A maximum of \$3 million for each three-year performance period may be awarded to any one participant.

Long-Term Incentive Performance Awards

The Committee may grant long-term incentive performance awards payable in cash or stock at the end of a 3-year performance period. A separate 3-year performance period begins each fiscal year and, accordingly, the fiscal years included in a 3-year performance period will overlap. Payment will be contingent upon the achievement of pre-established performance goals (as discussed below) by the end of the 3-year performance period. The Committee has the sole authority to determine the range of the payment values of an award and the performance goals required before payment will be made. In general, a participant will not be entitled to payment of a long-term incentive performance award unless the participant is continuously employed by the Company until the end of the 3-year performance period, except in cases of the participant's death or total disability. If the Committee determines that a participant's employment has terminated during the 3-year performance period due to retirement or an involuntary termination without cause, the participant will receive a pro-rata portion of the award payable for that performance period.

15

Performance Goals

The LTIP contains provisions intended to enable compensation paid to those executive officers whose compensation is subject to the deduction limitations of Section 162(m) of the Internal Revenue Code to qualify as performance-based compensation that will be fully deductible by the Company. At the beginning of a 3-year performance period, the Committee will establish objective business performance goals for the performance period. The goals will be comprised of specified levels of one or more of the following criteria: net income growth; cash flow growth; sales growth; pre-tax or post-tax profit levels; expense reduction levels; implementation of critical projects or processes; cash flow per share; earnings per share; total stockholder return; market price of the Company's Common Stock. The performance goals may be measured solely on a corporate, subsidiary or operating unit bases, or a combination thereof.

Change in Control

For purposes of the LTIP, "Change in Control" shall mean any of the following events:

1. The acquisition by any person or entity of more than fifty percent (50%) of the combined voting power of the Company's then outstanding securities.
2. More than 50% of the persons serving as directors of the Company as of July 1, 2004 and those replacements or additions subsequently approved a majority of the members of the Company's Board of Directors, are replaced during any 12-month period by directors whose appointment or election is not endorsed by more than 50% of the members of the Company's Board of Directors.
3. Any person or entity acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) assets from the Company that have a total gross fair market value equal to or in excess of seventy-five percent (75%) of the total gross fair market value of all of the assets of the Company immediately prior to such acquisition or acquisitions. For this purpose, gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets.
4. The stockholders of the Company approve a plan of complete liquidation of the Company.

Upon a Change in Control, the following provisions will apply:

1. The LTIP award for each performance period which has not been completed as of the date of the Change in Control shall be determined by applying the performance goals applicable to the LTIP award as if the performance cycle had ended on the last day of the fiscal quarter immediately preceding or coincident with the date of such event.
2. The amount payable to a participant for each such uncompleted performance cycle will be equal to a pro rata portion, based on the number of full calendar months from the beginning of the performance cycle until the date of the Change in Control, of such participant's LTIP award for the performance cycle. The amount payable to the participant shall be paid in cash as soon as practicable, but in no event later than thirty days after such event.

Liquidation, Dissolution

Upon a liquidation or dissolution of the Company, all outstanding LTIP awards granted shall become immediately vested and payable to participants. The amount payable for each LTIP award shall be determined by applying the performance goals applicable to the LTIP award as if the performance cycle had ended on the last day of the fiscal quarter immediately preceding or coincident with the date of such liquidation or dissolution. The amount payable to each participant shall be paid in cash as soon as practicable, but in no event later than thirty days after such event.

Amendment

The Board can amend, suspend or terminate the LTIP, but cannot, without the stockholders approval, do any of the following:

16

1. Increase the maximum amount of any LTIP award that may be paid under the plan, or otherwise materially increase the benefits accruing to any participant under the plan;
2. Materially modify the requirements as to eligibility for participation in the plan; or
3. Change the material terms of a stated performance goal.

Plan Benefits

Because awards under the LTIP are determined by the Committee in its sole discretion, the Company cannot determine the benefits or amounts that will be received or allocated in the future under the LTIP.

PROPOSAL 5

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Board of Directors, at the recommendation of the Audit Committee, has selected the firm of PricewaterhouseCoopers LLP as the Company's independent auditors for the current fiscal year. PricewaterhouseCoopers LLP has served as the Company's independent auditors since 1990. If this proposal is not approved at the Annual Meeting, the Board of Directors may reconsider its selection of PricewaterhouseCoopers LLP.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and will also be available to respond to appropriate questions from stockholders.

Fees Paid to PricewaterhouseCoopers LLP

All of the services rendered by PricewaterhouseCoopers LLP are permissible under applicable laws and regulations and are pre-approved by the Audit Committee prior to engaging the auditor. These services are actively monitored by the Audit Committee to maintain the appropriate objectivity and independence in PricewaterhouseCoopers' core work, which is the audit of the Company's consolidated financial statements. The following table sets forth aggregate fees billed to us during fiscal years 2004 and 2003 by PricewaterhouseCoopers LLP:

	<u>2004</u>	<u>2003</u>
Audit fees	\$ 519,000	\$ 333,000
Audit related fees	742,000	54,000
Tax fees	182,000	16,000
All other fees		576,000
Total fees	\$ 1,443,000	\$ 979,000

Edgar Filing: MEMBERWORKS INC - Form DEF 14A

Audit fees These are fees for professional services performed by PricewaterhouseCoopers LLP for the audit of the Company's financial statements and review of financial statements included in the Company's 10-Q filings and services that are normally provided in connection with statutory and regulatory filings or engagements.

Audit related fees These are fees for assurance and related services performed by PricewaterhouseCoopers LLP that are related to the performance of the audit or review of the Company's financial statements. This includes: employee benefit plans, attestations that are not required by statute or regulation, due diligence related to mergers and acquisitions and consulting on financial accounting and reporting standards.

Tax fees These fees are for tax compliance services, including the preparation of the tax returns and tax advisory services.

All other fees These fees were fees billed by PricewaterhouseCoopers LLP for the implementation of Customer Relationship Management systems. As of January 2003, the Company no longer utilized these consulting services provided by PricewaterhouseCoopers LLP. PricewaterhouseCoopers LLP did not bill the Company during the fiscal year ended June 30, 2004 for any financial information systems design and implementation services.

The Audit Committee has determined the rendering of the information technology consulting fees and all other non-audit services by PricewaterhouseCoopers LLP is compatible with maintaining the auditor's independence.

ANNEX B

MEMBERWORKS INCORPORATED

**PROPOSED AMENDMENT TO ARTICLE ELEVENTH OF THE AMENDED AND
RESTATED CERTIFICATE OF INCORPORATION**

ELEVENTH:

1. Number of Directors. The number of directors of the Corporation shall not be less than three. The exact number of directors within the limitations specified in the preceding sentence shall be fixed from time to time by, or in the manner provided in, the Corporation's By-Laws.
2. Election of Directors. Elections of directors need not be by written ballot except as and to the extent provided in the By-Laws of the Corporation.
3. Terms of Office. The term of office of each director elected at an annual meeting, or elected or appointed at any time in the period between annual meetings, shall expire at the next annual meeting of shareholders following such election or appointment. Each director elected or appointed shall serve until his successor shall be elected and qualify, or until his earlier death, resignation, removal or disqualification. Any vacancies in the Board of Directors, by reason of an increase in the number of directors or otherwise, shall be filled solely by the Board of Directors, by majority vote of the directors then in office, though less than a quorum, but any such director so elected shall hold office only until the next succeeding annual meeting of stockholders. At such annual meeting, such director or a successor to such director shall be elected and qualified. No decrease in the number of directors shall shorten the term of any incumbent director.
4. Quorum; Action at Meeting. A majority of the directors at any time in office shall constitute a quorum for the transaction of business. In the event one or more of the directors shall be disqualified to vote at any meeting, then the required quorum shall be reduced by one for each director so disqualified, provided that in no case shall less than one-third of the number of directors fixed pursuant to Section 1 above constitute a quorum. If at any meeting of the Board of Directors there shall be less than such a quorum, a majority of those present may adjourn the meeting from time to time. Every act or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board of Directors unless a greater number is required by law, by the By-Laws of the Corporation or by this Amended and Restated Certificate of Incorporation.
5. Removal. Directors of the Corporation may be removed only for cause by the affirmative vote of the holders of at least two-thirds of the shares of the capital stock of the Corporation issued and outstanding and entitled to vote.
6. Vacancies. Any vacancy in the Board of Directors, however occurring, including a vacancy resulting from an enlargement of the board, shall be filled only by a vote of a majority of the directors then in office, although less than a quorum, or by a sole remaining director.

A director elected to fill a vacancy shall be elected to hold office until the next election of directors, subject to the election and qualification of his successor and to his earlier death, resignation or removal.

4. Eligibility

The Committee, in its sole and absolute discretion, will determine the employees who will be eligible for LTIP Awards with respect to a Performance Cycle. The Committee shall retain the discretion to reduce the amount of any LTIP Award that would otherwise be payable to a Participant (including a reduction in such amount to zero).
- (c) The LTIP Award payable to a Participant with respect to any Performance Cycle shall not exceed \$3,000,000.00.

Edgar Filing: MEMBERWORKS INC - Form DEF 14A

- (d) The designations required by this Section 5 shall be made in writing by the Committee not later than the 90th day following the beginning of each Performance Cycle commencing on or after July 1, 2004.

C-2

6. Entitlement and Amount of Payment

- (a) **Continued Employment.** Except as otherwise provided in this Section 6, a Participant will not be entitled to payment for a Performance Cycle unless he or she has remained continuously employed by the Company until the end of the Performance Cycle. The amount payable to a Participant who remains actively employed during the Performance Cycle will be equal to 100% of the Participant's LTIP Award for the Performance Cycle.
- (b) **Involuntary Termination without Cause or Retirement.** In the event that a Participant's employment is terminated involuntarily by the Company without Cause or by reason of the Participant's Retirement, the Participant will be entitled to:
 - (i) for any completed Performance Cycle that has not yet been paid, payment equal to 100% of his or her LTIP Award; and
 - (ii) for any Performance Cycle which has commenced but has not been completed as of the date of the Participant's termination, payment equal to a pro rata portion (based on the number of full calendar months of active employment completed during such uncompleted Performance Cycle) of the LTIP Award that would have been payable based on the actual performance results during the Performance Cycle and if the Participant had continued in active employment until the end of such Performance Cycle.
- (c) **Death or Total Disability.** In the event that a Participant's employment is terminated by reason of his or her death or Total Disability, the Participant or his or her designated beneficiary or legal representative will be entitled to:

 - (ii) for any Performance Cycle which has commenced but has not been completed as of the date of the Participant's death or Total Disability, payment equal to 100% of his or her LTIP Award for such Performance Cycle that would have been payable for the Performance Cycle if the target for each Performance Goal applicable to the LTIP Award had been achieved.
- (d) **Other Termination of Employment.** Participants not satisfying the requirements in this section will, upon termination of employment, forfeit the right to payment of all LTIP Awards under this Plan.
- (e) For purposes of this Section :
 - (i) A Participant will be considered to have been terminated for **Cause** if his or her employment has been terminated by the Company for any of the following reasons: (i) the Participant's material dishonesty (including, without limitation, embezzlement, financial misrepresentation, fraud, theft, or other similar action) in his or her dealings with the Company or any other entity with which the Company is engaged in or attempting to be engaged in commerce; (ii) the Participant's conviction of, or entry of a plea of *nolo contendere* to, the commission of a felony; (iii) any act or omission by the Participant that actually has, and which either the Participant intends to have or the Participant or a reasonable person would expect to have, a material adverse effect on the Company; or (iv) if the Participant is a party to an employment agreement governing the terms of his or her employment with the Company, and the employment agreement includes a definition of termination for cause, then for purposes of this Plan, the term Cause also includes the grounds included in such definition, provided that if the definition in the employment agreement is inconsistent with this Plan, the terms of this Plan shall control.
 - (ii) **Retirement** means a Participant's retirement from employment with the Company after attaining age 55 and completing at least 10 years of service (as determined under the Company's tax-qualified retirement plan).

C-3

7. Time and Form of Payment

- (a) **Time of Payment.** The amount payable to a Participant with respect to a LTIP Award shall be paid as soon as practicable, but no later than 30 days, following certification by the Committee as to the achievement of the Performance Goals applicable to the LTIP Award.
- (b) **Form of Payment.** The amount payable to a Participant shall be made in a single lump sum payment, at the discretion of the Committee (i) in cash, (ii) in shares of the Company's Common Stock, or (iii) in a combination of both.
- (c) **Death or Total Disability.** In the event of a Participant's death or Total Disability, payment of the Participant's LTIP Award(s) will be made to the Participant, his or her designated beneficiary (or beneficiaries), or his or her legal representative, as applicable, as soon as practicable following the Participant's death or Total Disability.

The Participant's beneficiary (or beneficiaries) shall be designated by the Participant in the form and manner prescribed by the Committee, or to the participant's legal representative. If a Participant does not have a properly designated beneficiary, payment will be made to the Participant's estate.

8. Dissolution, Merger or Change in Control

- (a) **Liquidation, Dissolution.** In the event that the Company is liquidated or dissolved, all outstanding LTIP Awards granted under the Plan shall become immediately vested and payable to Participants. The amount payable for each LTIP Award shall be determined by applying the Performance Goals applicable to the LTIP Award as if the Performance Cycle had ended on the last day of the fiscal quarter immediately preceding or coincident with the date of such liquidation or dissolution. The amount payable to each Participant shall be made in cash as soon as practicable, but no later than 30 days, after such event.
- (b) **Change in Control.** In the event of a Change in Control of the Company, outstanding LTIP Awards granted under the Plan shall be payable as follows:
 - (i) The LTIP Award for each Performance Cycle which has not been completed as of the date of the Change in Control shall be determined by applying the Performance Goals applicable to the LTIP Award as if the Performance Cycle had ended on the last day of the fiscal quarter immediately preceding or coincident with the date of such event.
 - (ii) The amount payable to a Participant for each such uncompleted Performance Cycle will be equal to a pro rata portion (based on the number of full calendar months from the beginning of the Performance Cycle until the date of the Change in Control) of Participant's LTIP Award for the Performance Cycle. Such amount shall be paid in cash to each Participant as soon as practicable, but no later than 30 days, after such event.
- (c) **Change in Control.** For purposes of this Section 8, a **Change in Control** of the Company shall occur upon any of the following events:
 - (i) Any transfer to, assignment to, or any acquisition by any person, corporation or other entity, or group thereof, of the beneficial ownership, within the meaning of Section 13(d) of the Securities Exchange Act of 1934, of any securities of the Company, which transfer, assignment or acquisition results in such person, corporation, entity, or group thereof, becoming the beneficial owner, directly or indirectly, of securities of the Company representing more than fifty percent (50%) of the combined voting power of the Company's then outstanding securities.
 - (ii) A majority of members of the Company's board of directors is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Company's board of directors prior to the date of the appointment or election.

- (iii) Any person, corporation or other entity, or group thereof acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) assets from the Company that have a total gross fair market value equal to or more than seventy-five percent (75%) of the total gross fair market value of all of the assets of the Company immediately prior to such

C-4

acquisition or acquisitions. For this purpose, gross fair market value means the value of the assets of the corporation, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets.

- (iv) The stockholders of the Company approve a plan of complete liquidation of the Company.

9. Withholding

The Company shall have the right to withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy any applicable federal, state, or local withholding tax requirements imposed with respect to the payment of any LTIP Award.

10. No Effect Upon Benefits

By acceptance of any award under the Plan, each Participant agrees that neither the award nor any amount paid will affect the benefits under any benefit plan under which the availability or amount of benefits is related to compensation.

11. Non-Transferability of Rights

Except as expressly provided by the Committee, a Participant's rights and interests under the Plan may not be assigned or transferred in whole or in part either directly or by operation of law or otherwise (except in an event of the participant's death), including, but not limited to, by way of execution, levy, garnishment, attachment, pledge, bankruptcy or in any other manner, and no such rights or interests of any participant under the Plan shall be subject to any obligation or liability of such participant other than any obligations or liabilities owed by the participant to the Company.

12. No Right to LTIP Award or Continued Employment

Neither the establishment of the Plan, the provision for or payment of any amounts hereunder nor any action of the Company, the Board or the Committee with respect to the Plan shall be held or construed to confer upon any person (a) any legal right to receive, or any interest in, an Incentive Bonus or any other benefit under the Plan or (b) any legal right to continue to serve as an officer or employee of the Company or any subsidiary or affiliate of the Company.

The Company expressly reserves any and all rights to discharge any Participant without incurring liability to any person under the Plan or otherwise. Notwithstanding any other provision hereof and notwithstanding the fact that a stated Performance Goal has been achieved or the individual LTIP Award amounts have been determined, the Company shall have no obligation to pay any LTIP Award hereunder unless the Committee otherwise expressly provides by written contract or other written commitment.

13. Unfunded Plan

The Company shall have no obligation to reserve or otherwise fund in advance any amounts that are or may in the future become payable under the Plan. Any funds that the Company, acting in its sole and absolute discretion, determines to reserve for future payments under the Plan may be commingled with other funds of the Company and need not in any way be segregated from other assets or funds held by the Company. A Participant's rights to payment under the Plan shall be limited to those of a general creditor of the Company.

14. No Other Agreements or Understandings

Except as expressly provided in this Plan, or in a written agreement between the Company and a Participant that specifically refers to LTIP Awards, this Plan represents the sole agreement between the Company and participants concerning its subject matter and it supersedes all prior agreements, arrangements, understandings, warranties, representations, and statements between the parties concerning its subject matter.

15. Adoption, Amendment, Suspension and Termination of the Plan

- (a) Subject to the approval of the Plan by the holders of a majority of the Company Common Stock represented and voting on the proposal at an annual meeting of Company stockholders, the Plan shall be effective for the Fiscal Year of the Company commencing July 1, 2003 and shall continue in effect until the fifth anniversary of the date of such stockholder approval, unless earlier terminated as provided below. Upon such approval of the Plan by the Company's stockholders, all LTIP Awards awarded under the Plan on or after July 1, 2003 shall be fully effective as if the stockholders had approved the Plan as of July 1, 2003.
- (b) Subject to the limitations set forth in this subsection, the Board may at any time suspend or terminate the Plan and may amend it from time to time in such respects as the Board may deem advisable; *provided*, however, that the Board shall not amend the Plan in any of the following respects without the approval of stockholders then sufficient to approve the Plan in the first instance:
- (i) To increase the maximum amount of any LTIP Award that may be paid under the Plan or otherwise materially increase the benefits accruing to any Participant under the Plan;
 - (ii) To materially modify the requirements as to eligibility for participation in the Plan; or
 - (iii) To change the material terms of a stated Performance Goal.
- (c) No LTIP Award may be awarded during any suspension or after termination of the Plan, and no amendment, suspension or termination of the Plan shall, without the consent of the person affected thereby, alter or impair any rights or obligations under any LTIP Award previously awarded under the Plan.

16. Governing Law

The Plan and all actions taken pursuant to the Plan will be governed by, and construed in accordance with, the laws of the State of Connecticut applied without regard to conflict of law principles.
