(1) Each Performance Share represents a contingent right to acquire one Common Share.

Represents a grant of performance shares which represent the right to receive our Common Shares in the future based on the performance of our Common Shares. None of these awards will vest unless our Common Shares perform as well as or better than the 50th percentile of the return earned by the common stock of the companies comprising the Philadelphia Oil Service Sector Index ("OSX") for the applicable performance period. If our common shares perform as well as or better than the 50th percentile but below the 75th percentile of the companies comprising OSX, then the number of rights eligible to vest would be interpolated between 20% and 100% of the shares granted. If our common shares perform as well as or better than the 75th percentile of the companies comprising the OSX, then 100% of the rights would be eligible to vest. The executive will not receive dividends on or be entitled to vote the underlying Common Shares unless and until they have issued at the end of the vesting period.
