1. To approve an increase in the Company's authorized share capital and to effect corresponding amendments to the Company's Articles of Association and to the Company's Memorandum of Association, following which the Company's authorized share capital shall be NIS 480,000,000, divided into 6,000,000 Ordinary Shares, nominal value NIS 80.00 per share.
 2. To approve an amendment to the terms of certain warrants granted to Telegraph Hill Capital Fund I, LLC.

 5. To re-elect Messrs. Edouard Cukierman, Luis Gutierrez Roy, Ronen Zavlik and Mr. Yosi Lahad to the Company's Board of Directors, until the next annual general meeting of shareholders and until their successors have been duly elected and qualified.
 6. To reappoint Kost, Forer, Gabbay, and Kasierer, a member of Ernst & Young International Ltd., as the Company's Independent Auditors for the year ending December 31, 2014 and for such additional period until the next annual general meeting of shareholders.
 7. To review the Auditor's Report and the Company's Consolidated Financial Statements for the fiscal year ended December 31, 2013.
 8. To transact such other business as may properly come before the Meeting or any adjournments thereof.
-

The Board of Directors has fixed the close of business on June 16, 2014 as the date for determining the holders of record of Ordinary Shares entitled to notice of and to vote at the Meeting and any adjournments thereof.

Proposal 1 is a special resolution, which requires the affirmative vote of the holders of 75% of the Ordinary Shares present, or represented, and voting thereon at the Meeting. The votes of all shareholders voting on the matter will be counted.

Proposals 2, 4, 5 and 6 are ordinary resolutions, which require the affirmative vote of a majority of the Ordinary Shares of the Company voted in person or by proxy at the Meeting on the matter presented for passage. The votes of all shareholders voting on the matter will be counted.

Proposal 3 is a special resolution, which requires the affirmative vote of a majority of the shares present, in person or by proxy, and voting on the matter, provided that either (i) at least a majority of the voted shares of shareholders who are not Controlling shareholders and who do not have a personal interest in the resolution are voted in favor of the resolution, disregarding abstentions; or (ii) the total number of shares of shareholders, who are not Controlling shareholders and who do not have a personal interest in the resolution, voted against the resolution does not exceed two percent (2%) of the outstanding voting power in the Company.

“Controlling” for the purpose of the preceding paragraph means the ability to direct the acts of the Company. Any person holding twenty five percent (25%) or more of the voting power of the Company or the right to appoint directors or the Chief Executive Officer is presumed to have control of the Company.

A “personal interest” is defined as: a shareholder’s personal interest in the approval of an act or a transaction of the Company, including (i) the personal interest of his or her relative (which includes any members of his/her (or his/her spouse's) immediate family or the spouses of any such members of his or her (or his/her spouse's) immediate family); and (ii) a personal interest of a body corporate in which a shareholder or any of his/her aforementioned relatives serves as a director or the chief executive officer, owns at least 5% of its issued share capital or its voting rights or has the right to appoint a director or chief executive officer, but excluding a personal interest arising solely from holding of shares in the Company or in a body corporate.

Since it is highly unlikely that any of our public shareholders has a personal interest on these matters and to avoid confusion in the voting and tabulation processes, the enclosed form of proxy includes a certification that you do not have a personal interest in any proposal. If you have a personal interest, please contact Mr. Eyal Cohen, CFO, +972-542525925, for instructions on how to vote your shares and indicate that you have a personal interest or, if you hold your shares in “street name”, you may contact the representative managing your account, who can then contact us on your behalf.

The review of our audited Consolidated Financial Statements for the fiscal year ended December 31, 2013 described in Proposal 7 does not involve a vote of our shareholders.

Further details of these matters to be considered at the Annual and Special General Meeting are contained in the attached Proxy Statement. Copies of the resolutions to be adopted at the Annual and Special Meeting will be available to any shareholder entitled to vote at the meeting for review at the Company’s offices during regular business hours.

The Board of Directors believes that the shareholders of the Company should be represented as fully as possible at the Meeting and encourages your attendance. Whether or not you plan to be present kindly complete, date and sign the enclosed proxy card exactly as your name appears on the envelope containing this Notice of Annual and Special General Meeting and mail it promptly so that your votes can be recorded. No postage is required if mailed in the United States. Return of your proxy does not deprive you of your right to attend the Meeting, to revoke the proxy or to vote your shares in person. All proxy instruments and powers of attorney must be delivered to the Company no later than 48 hours prior to the Meeting. The Company's Proxy Statement is furnished herewith.

Joint holders of Ordinary Shares should take note that, pursuant to Article 14.13 of the Articles of Association of the Company, the vote of the senior of joint holders of any share who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the vote(s) of the other joint holder(s) of the share, and for this purpose seniority will be determined by the order in which the names stand in the shareholders' register.

By Order of the Board of Directors,

Edouard Cukierman

Chairman of the Board of Directors

YOUR VOTE IS IMPORTANT. WHETHER OR NOT YOU EXPECT TO ATTEND THE MEETING, PLEASE DATE AND SIGN THE PROXY CARD AND RETURN IT PROMPTLY IN THE ENCLOSED ENVELOPE FOR WHICH NO POSTAGE IS REQUIRED IF MAILED IN THE UNITED STATES. Upon the receipt of a properly signed and dated proxy card in the form enclosed, the shares represented thereby shall be voted in accordance with the instructions of the shareholder indicated thereon, or, if no direction is indicated, then in accordance with the recommendations of the Board of Directors. The Company knows of no other matters to be submitted at the Meeting other than as specified in the Notice of the Annual and Special General Meeting of Shareholders enclosed with this Proxy Statement. Shares represented by executed and unrevoked proxies will be voted. On all matters considered at the Meeting, abstentions and broker non-votes will not be treated as either a vote "for" or "against" the matter, although they will be counted to determine if a quorum is present.

The proxy solicited hereby may be revoked at any time prior to its exercise, by the substitution with a new proxy bearing a later date or by a request for the return of the proxy at the Meeting. All proxy instruments and powers of attorney must be delivered to the Company no later than 48 hours prior to the Meeting.

The Company expects to mail this Proxy Statement and the enclosed form of proxy card to shareholders on or about June 19, 2014. All expenses of this solicitation will be borne by the Company. In addition to the solicitation of proxies by mail, directors, officers and employees of the Company, without receiving additional compensation therefore, may solicit proxies by telephone, facsimile, in person or by other means. Brokerage firms, nominees, fiduciaries and other custodians have been requested to forward proxy solicitation materials to the beneficial owners of shares of the Company held of record by such persons, and the Company will reimburse such brokerage firms, nominees, fiduciaries and other custodians for reasonable out-of-pocket expenses incurred by them in connection therewith.

Shareholders Entitled to Vote. Only holders of record of Ordinary Shares at the close of business on June 16, 2014 are entitled to notice of and to vote at the Meeting. The Company had 1,338,488 Ordinary Shares issued and outstanding on June 8, 2014, each of which is entitled to one vote on each matter to be voted on at the Meeting. The Articles of Association of the Company do not provide for cumulative voting for the election of the directors or for any other purpose. The presence, in person or by proxy, of at least two shareholders holding at least 33 % of the voting rights, will constitute a quorum at the Meeting.

Votes Required.

Proposal 1 is a special resolution which requires the affirmative vote of the holders of 75% of the Ordinary Shares present, or represented, and voting thereon at the Meeting. The votes of all shareholders voting on the matter will be counted.

Proposals 2, 4, 5 and 6 are ordinary resolutions, which require the affirmative vote of a majority of the Ordinary Shares of the Company voted in person or by proxy at the Meeting on the matter presented for passage. The votes of all shareholders voting on the matter will be counted.

Proposal 3 is a special resolution, which requires the affirmative vote of a majority of the shares present, in person or by proxy, and voting on the matter, provided that either (i) at least a majority of the voted shares of shareholders who are not Controlling shareholders and who do not have a personal interest in the resolution are voted in favor of the resolution, disregarding abstentions; or (ii) the total number of shares of shareholders, who are not Controlling shareholders and who do not have a personal interest in the resolution, voted against the resolution does not exceed two percent (2%) of the outstanding voting power in the Company.

“Controlling” for the purpose of the preceding paragraph means the ability to direct the acts of the Company. Any person holding twenty five percent (25%) or more of the voting power of the Company or the right to appoint directors or the Chief Executive Officer is presumed to have control of the Company.

A “personal interest” is defined as: a shareholder’s personal interest in the approval of an act or a transaction of the Company, including (i) the personal interest of his or her relative (which includes any members of his/her (or his/her spouse's) immediate family or the spouses of any such members of his or her (or his/her spouse's) immediate family); and (ii) a personal interest of a body corporate in which a shareholder or any of his/her aforementioned relatives serves as a director or the chief executive officer, owns at least 5% of its issued share capital or its voting rights or has the right to appoint a director or chief executive officer, but excluding a personal interest arising solely from holding of shares in the Company or in a body corporate.

Since it is highly unlikely that any of our public shareholders has a personal interest on these matters and to avoid confusion in the voting and tabulation processes, the enclosed form of proxy includes a certification that you do not have a personal interest in any proposal. If you have a personal interest, please contact Mr. Eyal Cohen, CFO, +972-542525925, for instructions on how to vote your shares and indicate that you have a personal interest or, if you hold your shares in “street name”, you may contact the representative managing your account, who can then contact us on your behalf.

II.

RESOLUTIONS

1. INCREASE OF SHARE CAPITAL

The Company's authorized share capital is currently NIS 200,000,000 consisting of 2,500,000 Ordinary Shares, NIS 80.00 nominal value per share. As of June 8, 2014, 1,338,488 Ordinary Shares were issued and outstanding, and 318,780 Ordinary Shares were reserved for issuance pursuant to options granted under the Company's 2003 Share Option Plan and underlying outstanding warrants.

The increase in authorized share capital would allow the Company to meet its future business needs as they arise. These purposes could include, among other things, the sale of shares in public and private offerings to raise additional capital, the purchase of property or assets, the acquisition of other companies, the use of shares for various equity compensation and other employee benefit plans and arrangements, the declaration of share splits or dividends, and other bona fide corporate purposes.

During fiscal 2013 and the first six months of fiscal 2014 (through the date of this proxy statement), the Company issued 107,782 ordinary shares in financing transactions, which generated gross proceeds of \$600,000. The Company intends to engage in additional equity financings in the future, subject to market conditions, and to consider acquisitions and other transactions pursuant to which ordinary shares would be issued as such opportunities arise.

The additional authorized Ordinary Shares would have rights identical to the Company's Ordinary Shares currently outstanding. Approval of the proposed increase in the number of authorized Ordinary Shares and any issuance of Ordinary Shares would not affect the rights of existing holders of the Company's Ordinary Shares, except for the effects incidental to increasing the outstanding number of Ordinary Shares, such as dilution of earnings per share, if any, and voting rights of existing holders of Ordinary Shares.

If authorized, the additional Ordinary Shares may be issued with approval of the Board of Directors but without further approval of shareholders, unless shareholder approval is required by applicable law, rule or regulation. Under the Company's Articles of Association, ordinary shareholders do not have preemptive rights with respect to future issuances of Ordinary Shares. Thus, should the Board of Directors elect to issue additional Ordinary Shares, the Company's existing shareholders will not have any preferential rights to purchase such shares and such issuance could have a dilutive effect on the voting power and percentage ownership of these shareholders.

The Board recommends that at the Meeting, the shareholders approve an increase of the authorized share capital of the Company by an additional NIS280,000,000, comprised of 3,500,000 Ordinary Shares, NIS80.00 nominal value per share.

Following the proposed increase in the authorized share capital, the total authorized share capital of the Company would be NIS480,000,000, consisting of 6,000,000 Ordinary Shares, NIS80.00 nominal value per share.

At the Meeting, the Board of Directors proposes that the following resolution be adopted:

“RESOLVED, to approve an increase in the Company's authorized share capital, following which the Company's authorized share capital shall be NIS 480,000,000, divided into 6,000,000 Ordinary Shares, nominal value NIS 80.00 per Share. Concurrently with the share capital increase, it is hereby resolved to amend article 4.1 of the Company's Articles of Association and section 4 of the Company's Memorandum of Association, to reflect the share capital increase effected.”

Vote Required

The affirmative vote of the holders of 75% of the voting power represented at the Meeting in person or by proxy and voting thereon is necessary for the approval of the foregoing resolution.

2. AMENDMENT TO THE TERMS OF THE WARRANTS GRANTED TO TELEGRAPH HILL CAPITAL IN RESPECT OF AUGUST 2009 CONVERTIBLE LOAN FINANCING

In August 2009, the Company consummated a \$2.4 million Convertible Loan Financing with several lenders including Catalyst Private Equity Partners (Israel) II L.P. (“Catalyst”), Telegraph Hill Capital (“THCap”), certain existing shareholders and members of the Company's management (the “Lenders”). The financing consisted of loans with a term of three years that bear interest at a rate equal to 8% per annum, compounded annually. The Company was to repay the loan principal amount and the accrued interest in one payment at the end of the term, unless converted earlier into ordinary shares at the discretion of the lender. The Company granted the lenders warrants to purchase 100% of the number of ordinary shares into which the loan is convertible and committed to file a Registration Statement in respect of, among others, the shares underlying the warrants. The warrants were exercisable, in whole or in part, from 18 months to 36 months from grant, at an exercise price per ordinary share of \$11.

In December 2011, the Company's shareholders approved and the Company effected amendments to the terms of the Convertible Loan Financing agreements (the “Conversion Amendments”). The Conversion Amendments provided that approximately \$2.5 million of the outstanding convertible debt was converted into ordinary shares at a reduced conversion price. In addition, the exercise periods of the warrants to purchase 161,000 shares that had been issued to the Lenders were extended by an additional two years until July 2014 and February 2015, with no change to the exercise price of \$11 per ordinary share.

In January 30, 2014, at the Company's request and taking into account the amount of shares sought to be registered under that certain Standby Equity Distribution Agreement with YA Global Master SPV Ltd. dated February 2014 (the “SEDA”) the Lenders agreed to defer the registration of the Ordinary Shares underlying their warrants to 2015, to facilitate the registration of the SEDA shares. In connection with such deferral, the exercise period of the Lenders' warrants to purchase 161,000 Ordinary Shares was extended until July 22, 2017, and the exercise price of the warrants was adjusted to the weighted average price of the Ordinary Shares during the period of 20 days before January 30, 2014, which was \$7.43.

The aforementioned amendments to the warrants held by Catalyst, THCap and members of the management were approved by the Company's Audit Committee and Board of Directors. The amendment of the warrants to purchase 15,385 Ordinary Shares held by THCap is also subject to the approval of the Shareholders, since Mr. Luis Gutierrez Roy, a director of the Company since October 2010, is the managing partner of THCap and may be deemed to have shared voting and dispositive power with respect to company shares held by THCap.

At the Meeting, the Board of Directors proposes that the following resolution be adopted:

“RESOLVED, that the warrants to purchase 15,385 Ordinary Shares held by Telegraph Hill Capital Fund I, LLC will be exercisable until July 22, 2017 at an exercise price equal to \$7.43.

Vote Required

The affirmative vote of the holders of a majority of the voting power represented at the Meeting in person or by proxy is necessary for the approval of the foregoing resolution.

3. 2014 COMPENSATION PLAN AND GRANT OF OPTIONS OF THE CHIEF EXECUTIVE OFFICER

Shareholders are being asked to approve a compensation plan for the Company's Chief Executive Officer for fiscal year 2014 which is comprised of a bonus plan and a grant of options.

In April 2014, the Company's Compensation Committee and the Board of Directors approved a bonus plan for fiscal year 2014 for the Company's executive officers, including the Chief Executive Officer.

The Board believes that structuring the bonus plan based on a combination of the following measurements and targets is most appropriate for the Company for the foreseeable future, as the Company seeks to grow both its revenues and profitability. The following table shows the proposed compensation per target for the Chief Executive Officer:

Measurement	Target that entitles a Bonus	Bonus payable upon Achievement
Revenues of the RFID and Mobile Division in 2014	\$11,500,000 \$12,100,000	Half a monthly salary (i.e. ~\$6,000) One monthly salary (i.e. ~\$12,000)
RFID Mobile Division net Profit in 2014	Net Profit \$130,000	2% of the Net Profit \$2,600
New Markets / New Representations	New representations acquired in 2013 shall have generated at least \$500,000 in 2014	Half a monthly salary (i.e. ~\$6,000)
Equity Financing	Completion of Equity Financing	0.5% of the net consideration generated from a completed equity financing – private placement (including under the Standby Equity Distribution Agreements with YA Global Master SPV Ltd.) and public offering (not including funds generated from the exercise of warrants)

The total annual bonus for the Chief Executive Officer is capped at five (5) monthly salaries, under the Compensation Policy. Under his existing employment agreement, Mr. Viner is entitled to a gross monthly base salary of NIS 41,400 (approximately \$12,000) linked to CPI, plus customary benefits which include, among others, managers' insurance, education fund, car expenses and long-term disability insurance.

Under the Compensation Policy, the bonus is payable only if the annual audited consolidated financial statements of the Company reflect net profit on a U.S GAAP basis (after taking into account all of the executive officers' bonuses), except that in special circumstances the Board may grant a bonus even if there was no net profit, provided such bonus is capped at one monthly salary.

Under the Compensation Policy the Board of Directors may reduce any bonus payable to the Chief Executive Officer by up to 20%, at the Board's discretion.

The proposed bonus plan for the Chief Executive Officer described above is in-line with the Company's compensation policy that was adopted by the shareholders of the Company on November 7, 2013.

In addition to the bonus plan, the Shareholders are being asked to approve a grant to the Chief Executive Officer of options to purchase 5,000 of the Company's Ordinary Shares, at an exercise price equal to the weighted average closing price of the shares on the Nasdaq Global Market on the 20 trading days preceding the grant. The options will vest and become exercisable over a period of three years, in three equal parts as follows: 33.33% after one year from the date of grant, with an additional 33.33% becoming exercisable upon the expiration of each of the two years thereafter. The options shall expire on the fifth anniversary of their date of grant.

The Compensation Committee and the Board of Directors approved the terms of the option grant described above.

At the Meeting, the Board of Directors proposes that the following resolutions be adopted:

“RESOLVED, that the bonus plan for the Chief Executive Officer for fiscal year 2014, as described in this Proxy Statement, be approved in all respects”; and further

“RESOLVED, to approve the grant to the Company’s Chief Executive Officer of options to purchase 5,000 Ordinary Shares of the Company, in accordance with the terms described in this Proxy Statement”.

Vote Required

Under the Israeli Companies Law, the approval of this resolution requires the affirmative vote of a majority of the shares present, in person or by proxy, and voting on the matter, provided that either (i) at least a majority of the voted shares of shareholders who are not Controlling shareholders and who do not have a personal interest in the resolution are voted in favor of the resolution; or (ii) the total number of shares of shareholders, who are not Controlling shareholders and who do not have a personal interest in the resolution, voted against the resolution does not exceed two percent (2%) of the outstanding voting power in the Company.

4. PAYMENT OF CASH COMPENSATION TO COMPENSATION COMMITTEE MEMBERS, EXCLUDING EXTERNAL DIRECTORS.

Shareholders are being asked to approve that members of the Compensation Committee, excluding external directors, will be paid their director's compensation in cash rather than in Ordinary Shares of the Company, in light of certain requirements under amendments to the Israeli Companies Law.

In accordance with the approval of our shareholders in 2011, directors who are not employees (excluding the Company’s current Chairman of the Board and excluding external directors) are entitled to receive annual compensation of NIS 26,140, and an additional NIS 1,353 for each board meeting attended. The above amounts are subject to adjustment for changes in the Israeli consumer price index after October 2011.

In 2012, the Company's shareholders approved a change in the form of compensation for directors, such that their compensation shall be paid in Ordinary Shares instead of in cash. This change did not apply to payments to our external directors, that are governed by the Companies Regulations (rules concerning remuneration and expenses of external directors) (the "Regulations").

Recent amendments to the Israeli Companies Law require the establishment of a Compensation Committee, all the members of which shall be paid remuneration as provided under the Regulations.

In light of the above, the Company is required to pay its directors who are members of the Company's Compensation Committee, compensation in cash rather than in Ordinary Shares.

The Compensation Committee and the Board of Directors approved the amendment of the payment terms described above.

At the Meeting, the Board of Directors proposes that the following resolution be adopted:

“RESOLVED, that the compensation paid to directors who are members of the Company's compensation committee, excluding external directors, be made in cash rather than in Ordinary Shares”.

Vote Required

The affirmative vote of the holders of a majority of the voting power represented at the Meeting in person or by proxy is necessary for the approval of the foregoing resolution.

5. ELECTION OF DIRECTORS

At the Meeting, the shareholders are requested to re-elect a slate of four directors to serve on the Board of Directors. Messrs. Edouard Cukierman, Luis Gutierrez Roy Ronen Zavlik and Mr. Yosi Lahad will be nominated for reelection.

These directors, who are not external directors, are elected at the annual general meeting of shareholders to serve until the next annual general meeting of shareholders and until their respective successors are duly elected and qualified.

Ronen Zavlik and Yosi Lahad are independent directors in accordance with NASDAQ Listing Rules.

On April 13, 2014, Yosi Lahad was appointed as a director by the Board of Directors of the Company, in accordance with the Company's Articles of Association.

According to the Company's Articles of Association, a director appointed by the Board of Directors shall remain in service until the first Annual General Meeting of Shareholders following the date of his appointment or until he ceases to hold office pursuant to the provisions of the Company's Articles of Association. Such a director may be re-elected at the annual general meeting of shareholders.
