CORPORATE GOVERNANCE

Committees of the Board of Directors

We are currently quoted on the OTC Pink of the OTC Markets Group, an inter-dealer quotation and trading system, under the symbol "EVGI". The OTC Pink does not have any requirements for establishing any committees. We have not established any committees. All functions of an audit committee, nominating committee and compensation committee are and have been performed by our board of directors.

We believe that, considering our size, decisions relating to director nominations can be made on a case-by-case basis by our director(s) without the formality of a nominating committee or a nominating committee charter. To date, we have not engaged third parties to identify or evaluate or assist in identifying potential nominees, although we reserve the right to do so in the future.

The Board does not have an express policy with regard to the consideration of any director candidates recommended by shareholders since the Board believes that it can adequately evaluate any such nominees on a case-by-case basis; however, the Board will evaluate shareholder-recommended candidates under the same criteria as internally generated candidates. Although the Board does not currently have any formal minimum criteria for nominees, substantial relevant business and industry experience would generally be considered important, as would the ability to attend and prepare for board, committee and shareholder meetings. Any candidate must state in advance his or her willingness and interest in serving on the board of directors.

Following the Effective Date, the sole director will undertake the duties of the audit committee, compensation committee and nominating committee.

Director Independence

Presently, we are not required to comply with the director independence requirements of any securities exchange. Once we engage further directors and officers, we will develop a definition of independence and examine the composition of our Board with regard to this definition.

Directors Attendance at Meetings

During fiscal 2017, the Board took all actions by unanimous written consent without a meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who beneficially own more than 10% of a registered class of our equity securities, to file reports of beneficial ownership and changes in beneficial ownership of our securities with the SEC on Forms 3 (Initial Statement of Beneficial Ownership), 4 (Statement of Changes of Beneficial Ownership of Securities) and 5 (Annual Statement of Beneficial Ownership of Securities). Directors, executive officers and beneficial owners of more than 10% of our common stock are required by SEC regulations to furnish us with copies of all Section 16(a) forms that they file. Except as otherwise set forth herein, based solely on review of the copies of such forms furnished to us, or written representations that no reports were required, we believe that for the fiscal year ended April 30, 2018 all of our executive officers, directors and greater-than-ten-percent stockholders complied with Section 16(a) filing requirements applicable to them.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Currently, our officer and director are serving without compensation. They are reimbursed for any out-of-pocket expenses that they incur on our behalf. In the future, we may approve payment of salaries for officers and directors, but currently, no such plans have been approved. We also do not currently have any benefits, such as health or life insurance, available to our employees.

Grants of Plan-Based Awards and Outstanding Equity Awards at Fiscal Year-End

We currently do not have any equity incentive plans under which to grant awards.

Employment Agreements

At present, we have no employees.

Director Compensation

We have not paid our directors fees in the past for attending board meetings. In the future, we may adopt a policy of paying independent directors a fee for their attendance at board and committee meetings. We reimburse each director for reasonable travel expenses related to such director's attendance at board of directors' meetings.
