Item 2.02. Results of Operations and Financial Condition.

On January 26, 2018, Hill-Rom Holdings, Inc. (the “Corporation”) announced its earnings for the first quarter ended December 31, 2017. A copy of this press release is furnished and attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference. The information in this Item 2.02 and Exhibit 99.1 attached hereto shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.

In the press release, the Corporation uses various non-GAAP measures, including adjusted gross margin, operating margin, income before taxes, income tax expense and diluted earnings per share results, because it uses these measures internally for planning, forecasting and evaluating the performance of the business. In addition, the Corporation analyzes net revenue on a constant currency basis to better measure the comparability of results between periods. The Corporation believes that evaluating growth in net revenue on a constant currency basis provides an additional and meaningful assessment to both management and investors. These measures should not, however, be considered in isolation, as a substitute for, or as superior to measures of financial performance prepared in accordance with GAAP.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On January 25, 2018, Mr. John J. Greisch notified the Board of Directors of his intent to retire from his position as president and chief executive officer of the Corporation, effective during the Corporation’s fiscal third quarter. At the effective time of the retirement, Mr. Greisch will also step down from the board of directors of the Corporation.
