ITEM 4.02 (a) NON-RELIANCE ON PREVIOUSLY ISSUED FINANCIAL STATEMENTS OR A RELATED AUDIT REPORT OR COMPLETED INTERIM REVIEW

On March 30, 2005, management of Service Corporation International (the "Company") concluded in consultation with the Company's Audit Committee that previously issued unaudited interim financial statements of the Company included in its Forms 10Q for the quarters ended March 31, 2004, June 30, 2004, and

## Edgar Filing: SERVICE CORPORATION INTERNATIONAL - Form 8-K

September 30, 2004, should no longer be relied upon due to errors included in such financial statements. Management and the Audit Committee have discussed this matter with the Company's independent registered public accounting firm.

The Company reflected the effects of the restatement of its 2004 interim periods in its 2004 Form 10K. The 2004 unaudited interim financial statements will be restated upon issuance of each of the respective 2005 Forms 10-Q. The restated amounts include adjustments made as a result of certain verifications of the following: (i) funeral and cemetery trust assets and funeral deferred revenues, (ii) deferred preneed cemetery contract revenues, (iii) operating leases and (iv) other various verification projects. A complete discussion of these adjustments is contained in Management's Discussion and Analysis of Financial Condition and Results of Operations in the Company's Form 10-K for the year ended December 31, 2004. The net effect of the restatement decreases formerly reported pretax income in the first three quarters of 2004 by \$0.3 million on a combined basis. Additionally, the restatement did not have an impact on previously reported or current cash balances or net cash provided by operating activities.
