EXPLANATORY NOTE

This Current Report on Form 8-K/A is being filed by WellCare Health Plans, Inc. (the “Company”) to delete references made to a filing date of April 1, 2008 for audited financial statements for WellCare Health Insurance of New York, Inc. with the New York State Department of Insurance. This amendment is intended to amend and replace the aforementioned Form 8-K filing in its entirety.

Item 8.01 Other Events.

On April 1, 2008 the Company filed annual unaudited financial statements for the year ended December 31, 2007 for its wholly-owned subsidiaries, WellCare of Florida, Inc., HealthEase of Florida, Inc. and Harmony Behavioral Health of Florida, Inc. (the “Florida Health Annual Statements”), with the Florida Office of Insurance Regulation (“FLOIR”).

As previously disclosed, on October 24, 2007, several government agencies, under the supervision of the United States Attorney’s Office for the Middle District of Florida executed a search warrant and served subpoenas on the Company and various related entities. The Board of Directors of the Company subsequently formed a special committee of independent directors to conduct an independent investigation. Because to date, neither the Company, nor any of its subsidiaries, has been advised by these agencies as to the full scope of the investigations, the Florida Health Annual Statements may be subject to revision based upon the outcome of these investigations.

In preparing the Florida Health Annual Statements, the Company has considered information about the ongoing investigations known to the Company as of the date hereof. However, as noted, the information contained in the Florida Health Annual Statements may be subject to adjustment based on the outcome of the pending investigations or as new information becomes available. The Florida Health Annual Statements have been prepared in accordance with the requirements of statutory accounting principles and have not been prepared in accordance with accounting principles generally accepted in the United States (“GAAP”). Additionally, the Florida Health Annual Statements should not be considered as representative or indicative of the Company’s results of operations or financial condition on a consolidated GAAP basis. As previously announced, until the independent investigation conducted by the special committee is complete, the Company, in addition to having been unable to file its Form 10-Q for the quarter ended September 30, 2007, has not filed its Form 10-K for the year ended December 31, 2007 by the required filing date or on or before the fifteenth calendar day following the required filing date as prescribed in Rule 12b-25.

The Company is not filing the audited financial statements for WellCare of Florida, Inc., HealthEase of Florida, Inc. and Harmony Behavioral Health of Florida, Inc. which are required to be filed on April 1, 2008 with both the FLOIR and the Florida Agency for Health Care Administration (“FLAHCA”). The Company also is not filing the audited financial statements for WellCare of New York, Inc., which are required to be filed by April 1, 2008 with the New York Department of Health (“NYDOH”) and the New York State Department of Insurance (“NYSDI”). The FLOIR has denied the Company’s request for an extension. The Company has also requested an extension from the FLAHCA which is considering the request. The Company has submitted extension requests to NYDOH and NYSDI. Failure to timely file financial statements can result in the imposition of sanctions and penalties some which could have a material adverse effect on the Company.

Copies of the Florida Health Annual Statements can be accessed at the Company’s website at www.wellcare.com/investor-relations/financial-reports/statutory-filings.
