The amendment, among other things, requires Harmony to pay physicians rates that are not less than the rates payable to physicians under Missouri HealthNet’s fee-for-service fee schedule, some of which increased as of July 1, 2008. The amendment also includes corresponding increases to the capitated rates payable to Harmony under the contract effective July 1, 2008. A copy of the amendment is attached as Exhibit 10.1 to this Current Report on Form 8-K.

The foregoing description does not purport to be a complete description of the parties’ rights and obligations under the above-described amendment. The above description is qualified in its entirety by reference to the amendment.

In the interest of providing interested parties with full access to its federal, state and county contracts, the Registrant has elected to file such contracts with the U.S. Securities and Exchange Commission. The Registrant does not believe that its business is substantially dependent on many of these contracts when each is taken individually.
