**São Paulo, Brazil, June 5, 2008 - Braskem** (BOVESPA: BRKM3, BRKM5, BRKM6; NYSE: BAK; LATIBEX: XBRK), the leading company in the thermoplastic resins industry in Latin America and third-largest resin producer in the Americas, announces the intention to invest more than R\$1.0 billion over the next three years in the Southern Petrochemical Complex, located in the state of Rio Grande do Sul.

In this context, the main project is the installation of a green polyethylene production unit at the Complex, with estimated investment of R\$400 to R\$500 million.

The green polymer project expects to have annual production capacity of 200,000 tons, with investments, still subject to the approval of Braskem's Board of Directors, expected to begin before year-end and operational startup estimated for 2010.

Braskem, a world-class Brazilian petrochemical company, is the leader in the thermoplastic resins industry in Latin America, and is the third-largest resins producer in the Americas. The company operates 19 manufacturing plants located throughout Brazil, and has annual production capacity of more than 11 million tons of petrochemical and chemical products.

*Forward-Looking Statement Disclaimer for U.S. Securities Law Purposes*

*This press release contains statements that are forward-looking within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Such forward-looking statements are only predictions and are not guarantees of future performance. Investors are cautioned that any such forward-looking statements are and will be, as the case may be, subject to many risks, uncertainties and factors relating to the operations and business environments of Braskem and its subsidiaries that may cause the actual results of the companies to be materially different from any future results expressed or implied in such forward-looking statements.*

Title: Chief Financial Officer

### FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
