Dear Sirs,

GAFISA S.A., (“Company” or “Gafisa”), a corporation enrolled with CNPJ/MF under No. 01.545.826/0001-07, hereby responds to the Ofício dated May 29, 2013, which requests clarification of “*news published on this date on the website Valor Econômico, under the title “**Decision about Alphaville is in the final round**”*”. The Ofício requests that the Company confirm “*if the news is true and, in case of confirmation of its truth, the Company shall clarify the reasons for that not being a material fact*”.

As disclosed in the Material Fact dated as of September 10, 2012 and in the Notice to Market dated as of February 20, 2013, the Company has, since the date of the first Material Fact, been analyzing strategic options for the “Alphaville” business. For that purpose, the Company has engaged in discussions with market participants, including interested parties identified in the Valor news article. Notwithstanding these discussions, there is currently no definition in place that permits the Company to confirm which strategic option it will pursue, the financial consideration and the date that a potential agreement will be executed.

The market will be kept informed of any fact that permits the Company to confirm a strategic option and disclose the conditions of this chosen path.

Best regards,

GAFISA S.A.

André Bergstein
