Top of the Form

Item 7.01 Regulation FD Disclosure.

From time to time in late March 2006 and the first half of April 2006, William W. McGuire, M.D., Chairman and Chief Executive Officer of UnitedHealth Group Incorporated (the "Company"), Stephen J. Hemsley, President and Chief Operating Officer of the Company, and other senior members of the Company's management team will be meeting with investors and analysts.

Those discussions will focus on the Company's strategy, tactics and future outlook, and will include a reaffirmation of the Company's publicly disclosed 2006 financial expectations, including strong revenue growth, outstanding cash generation and a very positive earnings performance. The discussions will reflect the Company's particular focus in 2006 on organic growth, new internal initiatives and the full integration of recent business combinations. Given this agenda, the discussions will underscore that it is unlikely that the Company will pursue merger activity with any large, multi-site health benefits providers in 2006.

CAUTIONARY STATEMENT FOR PURPOSES OF THE "SAFE HARBOR" PROVISIONS OF THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995

UnitedHealth Group and its representatives may from time to time make written and oral forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 (PSLRA), including statements in this report, in presentations, press releases, filings with the Securities and Exchange Commission, reports to shareholders and in meetings with analysts and investors. Generally the words "believe," "expect," "intend," "estimate," "anticipate," "project," "will" and similar expressions identify forward-looking statements, which generally are not historical in nature. These statements may contain information about financial prospects, economic conditions, trends and unknown certainties. We caution that actual results could differ materially from those that management expects, depending on the outcome of certain factors. These forward-looking statements involve risks and uncertainties that may cause our actual results to differ materially from the results discussed in the forward-looking statements. A list and description of some of these risks and uncertainties can be found in our reports filed with the Securities and Exchange Commission from time to time, including our annual reports on Form 10-K and quarterly reports on Form 10-Q. Any or all forward-looking statements we make may turn out to be wrong. You should not place undue reliance on forward-looking statements, which speak only as of the date they are made. Except to the extent otherwise required by federal securities laws, we do not undertake to publicly update or revise any forward-looking statements.
