Item 1.01 Entry into a Material Definitive Agreement.

On October 31, 2008, Allegiant Air, LLC, a wholly-owned subsidiary of Allegiant Travel Company (the "Company"), and Harrah's Operating Company, Inc. ("Harrah's") entered into an Air Transportation Charter Agreement. Under the Agreement, the Company is to provide charter services for Harrah's to and from Tunica, Mississippi, Reno, Nevada and Laughlin, Nevada. The agreement supersedes the Company's existing agreements with Harrah's and its affiliated entities effective as of January 1, 2009. The Company will devote three MD-87 aircraft to the operations under the Agreement and Harrah's will guarantee a minimum amount of flying during the term of the Agreement. The Company currently expects that the overall level of flying activity under the new contract will be approximately equal to the amount of service the Company performs under its existing contracts with Harrah's and its affiliated companies.

Service under the Agreement will begin in January 2009 and will continue for three years, subject to earlier termination by either party. Under the Agreement, Harrah's will pay the entire fuel cost. As a result, the Company will not recognize revenue or expense related to fuel used under the Agreement.

Any forward-looking statements are based on information available to the Company today and the Company undertakes no obligation to update publicly any forward-looking statements, whether as a result of future events, new information or otherwise.
