Item 1.01 Entry into a Material Definitive Agreement.

On November 24, 2009, Cliffs Natural Resources Inc., an Ohio corporation (the "Company"), filed an announcement that on November 23, 2009 the Company had entered into a definitive arrangement agreement ("Agreement") to acquire Freewest Resources Canada Inc. ("Freewest"). On December 3, 2009, the Company amended the Agreement to increase the consideration from C\$0.55 per each common share of Freewest to C\$.90 per each common share. Today, the Company has further amended the terms of the Agreement to increase the price of its offer to a fixed value of C\$1.00 in Cliffs' shares per Freewest share.

The agreement provides for customary representations, warranties and covenants, including, among others, customary break fees. The transaction is expected to close in the first quarter of 2010. Closing of the transaction is subject to approval by Freewest shareholders, court approval of the transaction and a number of other customary conditions.

The Company also announced that should Noront become the registered owner of more than 12.5% of Freewest's currently issued and outstanding shares, the Company commits to make a cash offer by way of a takeover bid with no minimum tender condition for all of the issued and outstanding common shares of Freewest at C\$1.00 per share. Under a takeover bid, if adopted, Cliffs would pay cash for the shares tendered.

The news release regarding the second amendment to the Agreement is contained in Item 9.01 as Exhibit 99(a) and is incorporated in this Item 1.01 by reference.

Item 9.01 Financial Statements and Exhibits.
