Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On May 1, 2013, Cambium Learning Group, Inc. (the "Company") received a deficiency notice from the NASDAQ Stock Market ("NASDAQ") stating that for the last 30 consecutive days the Company had not met the \$15 million minimum market value of publicly held shares continued listing standard as required by Marketplace Rule 5450(b)(3)(C). As provided in the NASDAQ rules, the Company has 180 calendar days, or until October 28, 2013, to regain compliance. In order to regain compliance, the market value of the Company's publicly held shares must be \$15 million or more for a minimum of ten consecutive business days at any time prior to October 28, 2013.

The Company is evaluating whether to apply to transfer its securities to the NASDAQ Capital Market or the Over-the-Counter Market ("OTC Market"). The Company's evaluation is ongoing and the Company cannot predict when it may conclude its evaluation or what decision it may reach with respect to transferring the listing of the Company's securities. If the Company decides to transition to either the NASDAQ Capital Market or the OTC Market, the transition would not impact the Company's obligation to file periodic reports and other reports with the Securities and Exchange Commission under applicable federal securities laws. If the Company does not transfer its securities to the NASDAQ Capital Market or OTC Market or regain compliance with Marketplace Rule 5450(b)(3)(C) by October 28, 2013, the NASDAQ staff will issue a notice that its securities are subject to delisting. The Company then has the right to appeal the decision to a NASDAQ Listing Qualifications Panel.
