ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On December 3, 2006, Agere Systems Inc., a Delaware corporation ("Agere"), LSI Logic Corporation, a Delaware corporation ("LSI"), and Atlas Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of LSI ("Atlas Merger Sub"), entered into an Agreement and Plan of Merger (the "Merger Agreement"), pursuant to which Agere and LSI will combine their businesses through a merger of Agere and Atlas Merger Sub (the "Merger").

The completion of the Merger is subject to various closing conditions, including obtaining the approval of Agere and LSI stockholders and receiving antitrust approvals (including under the Hart-Scott-Rodino Antitrust Improvements Act and by the European Commission). The Merger is intended to qualify as a reorganization for federal income tax purposes.

At the effective time of the Merger (the "Effective Time"), by virtue of the Merger and without any action on the part of the holder of any capital stock of Agere, each share of common stock of Agere issued and outstanding immediately prior to the Effective Time will be converted into the right to receive 2.16 (the "Exchange Ratio") shares of common stock of LSI (each, an "LSI Share").

In the Merger, each option to purchase shares of Agere common stock granted under employee and director stock plans of Agere that is outstanding as of immediately prior to the Effective Time, whether vested or unvested, shall be converted into a right to acquire LSI Shares, on the same terms and conditions as were applicable to such option prior to the Effective Time, provided that the number of LSI Shares receivable and the exercise price of the option shall be adjusted to reflect the Exchange Ratio. All other Agere equity-based awards outstanding as of the Effective Time will remain in effect but will be denominated in LSI Shares, with the applicable adjustments to reflect the Exchange Ratio.

The combined company will be called "LSI Logic Corporation" and will be headquartered in Milpitas, California. The Board of Directors of the combined company will be comprised of three current directors of Agere and six current directors of LSI. Abhil Talwalker will be the Chief Executive Officer of the combined company, and James Keyes, Chairman of the Board of LSI, will serve as Chairman of the Board of Directors of the combined company.

If the Merger Agreement is terminated under certain circumstances specified in the Merger Agreement, LSI or Agere will be required to pay the other a termination fee of \$120,000,000.

The Boards of Directors of Agere and LSI have approved the Merger and the Merger Agreement.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached to this Report as Exhibit 2.1 and incorporated herein by reference. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about Agere or LSI. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential disclosure schedules provided by Agere and LSI to each other in connection with the signing of the Merger Agreement. These disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between
