Item 3. Source and Amount of Funds or Other Consideration.

The response to Item 3 of the Schedule 13D is hereby amended and supplemented by adding the following paragraphs at the end of such Item 3:

The information set forth in Item 4 of the Schedule 13D with respect to the Highly Confidential Letter is incorporated herein by this reference.

Item 4. Purpose of Transaction.

The response to Item 4 of the Schedule 13D is hereby amended and supplemented by adding the following paragraphs at the end of such Item 4:

Merger Agreement

On April 26, 2007, Inter-Tel entered into an Agreement and Plan of Merger, dated as of April 26, 2007, by and among Inter-Tel, Mitel Networks Corporation (Mitel) and Arsenal Acquisition Corporation (the Merger Agreement). Pursuant to the Merger Agreement, Arsenal Acquisition Corporation will be merged with and into Inter-Tel (the Merger), and Inter-Tel will survive the Merger as a wholly owned subsidiary of Mitel. Inter-Tel has filed a definitive proxy statement with respect to a

special meeting of stockholders to be held on June 29, 2007 (the 2007 Special Meeting) at which stockholders will be asked to vote on the adoption of the Merger Agreement. Mr. Mihaylo intends to vote AGAINST the proposal to adopt the Merger Agreement at the 2007 Special Meeting. Mr. Mihaylo plans to file with the SEC, and mail to stockholders of Inter-Tel, a proxy statement in connection with his opposition to the adoption of the Merger Agreement. Mr. Mihaylo reserves all rights with respect to the Merger Agreement, including his right to exercise appraisal rights under Delaware law.

Demand Letter

On May 30, 2007, Mr. Mihaylo submitted a letter to Inter-Tel making a demand upon Inter-Tel under Section 220(b)(1) of the Delaware General Corporation Law to permit Mr. Mihaylo and his agents to inspect and make copies of certain corporate documents.

Superior Proposal Letter

On June 4, 2007, Mr. Mihaylo submitted a proposal for a leveraged recapitalization of Inter-Tel (the Recapitalization Proposal) to the Board.

The Recapitalization Proposal recommends that Inter-Tel use \$200 million from its cash reserves, borrow an additional \$200 million and commence a tender offer to purchase, after expenses and break-up fees, approximately 13.4 million Inter-Tel shares at \$28.00 per share. The Recapitalization Proposal states that, using management's 2008 EPS projection included in its proxy statement, if Inter-Tel shares post tender offer were to trade at the same multiple as they did pre Merger-announcement, a post tender share price in excess of \$30 per share would be implied, and the transaction could yield a blended value of approximately \$29 per share. Mr. Mihaylo contends that the Recapitalization Proposal constitutes a Superior Proposal as such term is defined in the Merger Agreement and has asked the Board to acknowledge the Recapitalization Proposal as such.

The foregoing description of the Recapitalization Proposal is qualified in its entirety by the full text of the Recapitalization Proposal, a copy of which is attached hereto as Exhibit 41 to the Schedule 13D.

In connection with the Recapitalization Proposal, Mr. Mihaylo has received a letter from RBC stating that, based upon RBC's review of publicly available information and discussions with Mr. Mihaylo, RBC is highly confident of being able to raise a total of \$200.0 million in debt financing in connection with the Recapitalization Proposal (the Highly Confident Letter).

The foregoing description of the Highly Confident Letter is qualified in its entirety by the full text of the Highly Confident Letter, a copy of which is attached hereto as Exhibit 42 to the Schedule 13D.

Press Release

On June 4, 2007, Mr. Mihaylo issued a press release announcing the submission of the Recapitalization Proposal to the Board and containing a copy of a letter that Mr. Mihaylo has mailed to Company stockholders. The text of the press release is set forth below, and a copy of the press release is filed as Exhibit 43 to the Schedule 13D:

STEVEN G. MIHAYLO SENDS LETTER URGING INTER-TEL

STOCKHOLDERS TO REJECT MITEL BUYOUT OFFER

Proposes Recapitalization Plan for Company that Could Yield Significantly Greater

Value than Current Buyout Offer

Recap Would Not Result in Change of Control of Inter-Tel or Cause it to Go Private

TEMPE, AZ June 4, 2007 Steven G. Mihaylo, former Chief Executive Officer of Inter-Tel (Delaware), Incorporated (NasdaqNM: INTL) today sent a letter urging Inter-Tel stockholders to vote against the Mitel Networks Corporation (Mitel) buyout offer and outlining a plan to recapitalize the Company which could provide significantly greater value to stockholders than the current buyout proposal. At the same time, the recapitalization plan would not result in a change of control of the Company or a going private transaction.

Mr. Mihaylo said that in his view the inherent value of Inter-Tel is much greater than the current proposed \$25.60 per share acquisition by Mitel and that his recapitalization plan has the potential to provide stockholders with greater value. The recapitalization plan can be financed by using a portion of Inter-Tel's existing cash and borrowing about \$200 million at reasonable costs, according to an analysis prepared by RBC Capital Markets, the financial advisor to Mr. Mihaylo.

I am not opposed to a sale of the Company, and if Mitel or another bidder offers what I believe is a fair price I will gladly support it; however, in the absence of that offer, I believe the Company has a better alternative through a leveraged recapitalization, which I firmly believe will provide greater present value to all shareholders and will at the same time preserve the opportunity for future growth and upside potential, including a sale at a later date, he wrote to stockholders.

Details of the alternative recapitalization plan will be filed shortly with the Securities and Exchange Commission, Mr. Mihaylo told stockholders.

Mr. Mihaylo resigned from Inter-Tel after 35 years as chief executive in February, 2006. Mr. Mihaylo is the beneficial owner of 5,189,748 shares of Inter-Tel common stock, or about 19.0% of the common shares outstanding. He is the Company's single largest stockholder.

A full text of the letter sent to stockholders today is attached below:

June 4, 2007

Dear Fellow Stockholder,

As the founder of Inter-Tel and its Chief Executive Officer for over 35 years, I am proud to be associated with the Company and its tremendous growth over that period of time. Despite the Company's growth over those years, I was asked to resign as CEO in February of last year. At that time, I lost confidence in management and their ability to devise a reasonable strategic plan to continue that growth. Because of this lack of confidence and the risk to my significant financial stake in the Company, I submitted an

6

offer to buy the Company but made clear at the time that I would be fully prepared to support a sale of the Company to the highest bidder if a true auction were held where all bidders had an equal opportunity to participate. Both my offer to buy the Company and the proposal to sell the Company to the highest bidder were rejected by the Board.

I recently discovered that throughout my clashes with the Board over the past 15 months, during which time the Board staunchly refused to conduct a public sale process, the Board was in fact quietly pursuing potential sale transactions without my knowledge or participation. I have spent significant amounts of my personal assets to communicate directly with you about the direction that I believe the Company should take, yet despite these efforts and my clear interest in pursuing a sale, the Company accepted a proposal that I believe does not reflect the intrinsic value of the Company.

To test this view, I asked my financial advisors to analyze alternative transactions and assess whether higher value could be achieved **without changing control of the Company or taking it private**. Based on their analysis and recent trading trends in our stock, I believe the Company could undertake a leveraged recapitalization which would yield significantly greater present value than the current offer even after paying the termination fee now required under the current buyout proposal. Based upon discussions with my financial advisors, I am confident that the recapitalization I envision can be financed using some of the Company's existing excess cash and approximately \$200 million of additional borrowing at reasonable cost.

Today I formally asked the Board of Directors to consider this alternative in lieu of the Mitel buyout offer to be voted on by shareholders later this month. I am hopeful that they will thoroughly evaluate my value-maximization proposal, and I will advise you promptly of their reply. The details of my alternative recapitalization proposal will be filed with the SEC shortly.

I believe the inherent value of the Company is significantly greater than the current offer, and therefore intend to vote NO on the Mitel buyout proposal and urge you to do the same.

Edgar Filing: INTER TEL (DELAWARE), INC - Form SC 13D/A

We have worked too hard to see the Company sold for what I believe is less than its true value. I am not opposed to a sale of the Company, and if Mitel or another bidder offers what I believe is a fair price I will gladly support it; however, in the absence of that offer, I believe the Company has a better alternative through a leveraged recapitalization, which I firmly believe will provide greater present value to all shareholders and will at the same time preserve the opportunity for future growth and upside potential, including a possible sale at a later date.

Thank you for considering this matter.

Very truly yours,

/s/ Steven G. Mihaylo
