Item 1.01 Entry into a Material Definitive Agreement.

On May 10, 2008, Comtech Telecommunications Corp., a Delaware corporation (the “Company”), Radyne Corporation, a Delaware corporation (“Radyne”) and Comtech TA Corp., a Delaware corporation and a wholly-owned subsidiary of the Company (the “Purchaser”), entered into an Agreement and Plan of Merger (the “Merger Agreement”). Pursuant to the Merger Agreement, subject to the satisfaction or waiver of the conditions therein, the Purchaser will commence a tender offer to acquire all the outstanding shares of common stock, par value \$0.001 per share, of Radyne (the “Shares”) at a purchase price of \$11.50 per share in cash (the “Offer”).

The Merger Agreement provides that the Offer will commence as promptly as practicable and in any event within ten (10) business days after the date of the Merger Agreement and will remain open for 20 business days, subject to extension. Pursuant to the Merger Agreement, after the consummation of the Offer, and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Purchaser will merge with and into Radyne (the “Merger”) and Radyne will become a wholly-owned subsidiary of the Company.

The Merger Agreement includes customary representations, warranties and covenants of Radyne, the Company and Purchaser. Radyne has agreed to operate its business in the ordinary course until the Merger is consummated. Radyne has also agreed not to solicit or initiate discussions with third parties regarding other proposals to acquire Radyne and to certain other restrictions on its ability to respond to such proposals. The Merger Agreement also includes customary termination provisions for both Radyne and the Company and provides that, in connection with the termination of the Merger Agreement under specified circumstances, Radyne would be required to pay to the Company a termination fee of \$5,000,000, plus reimbursement of up to \$1,000,000 of the Company's expenses.

The Purchaser's obligation to accept and pay for Shares tendered in the Offer is subject to customary conditions, including, among others, the purchase of a minimum of a majority of the then outstanding Shares and the expiration or termination of any waiting period (and any extension thereof) under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. Neither the Offer nor the Merger is subject to the Company or the Purchaser obtaining financing.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K, and is incorporated herein by this reference.

The Merger Agreement has been attached as an exhibit hereto to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about the Company, Purchaser or Radyne. The representations, warranties and covenants contained in the Merger Agreement were made only for the purposes of such agreement and as of specified dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties. The representations and warranties may have been made for the purposes of allocating contractual risk among the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any

descriptions thereof as characterizations of the actual state of facts or condition of the Company or Radyne or any of their respective subsidiaries or affiliates. In addition, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in a confidential disclosure schedule that the parties have exchanged.

On May 12, 2008, the Company and Radyne issued a joint press release announcing execution of the Merger Agreement, a copy of which press release is filed as Exhibit 99.1 to this Current Report on Form 8-K, and is incorporated herein by this reference.

Item 8.01 Other Events.

On May 12, 2008, the Company posted a Questions and Answers document on the Investor Relations page of its corporate website, briefly describing the transaction rationale, the two-step merger process and the timetable for the Offer and the Merger and certain other issues relevant to the Merger Agreement. A copy of the Questions and Answers document is filed as Exhibit 99.2 to this Current Report on Form 8-K, and is incorporated herein by this reference.
