Item 1. Securities and Issuer

This Schedule 13D (the "Statement") relates to the common stock, par value \$0.10 per share (the "Common Stock"), of Keurig Green Mountain, Inc. (formerly known as Green Mountain Coffee Roasters, Inc.), a Delaware corporation (the "Issuer"). The principal executive offices of the Issuer are located at 33 Coffee Lane, Waterbury, Vermont 05676.

Item 2. Identity and Background

This Statement is being filed jointly pursuant to Rule 13d-1(a) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to report the beneficial ownership that Atlantic Industries, a corporation organized and existing under the laws of the Cayman Islands ("Atlantic") and indirect wholly owned subsidiary of The Coca-Cola Company ("TCCC", and together with Atlantic, the "Reporting Persons"), acquired at the closing of the issuance of the Shares (defined below) pursuant to the Purchase Agreement referred to below. The Reporting Persons have entered into a joint filing agreement relating to the joint filing of this Statement in accordance with the provisions of Rule 13d-1(k)(1) under the Exchange Act, a copy of which is attached as Exhibit 3 hereto. Atlantic is a Cayman Islands corporation, having its principal executive office at 135 South Church Street, George Town, Grand Cayman, Cayman Islands, BWI, telephone (404) 598-7791. TCCC is a Delaware corporation, having its principal executive office at One Coca-Cola Plaza, Atlanta, Georgia 30313, telephone (404) 676-2121.

TCCC is the world's largest beverage company. TCCC owns or licenses and markets more than 500 nonalcoholic beverage brands, primarily sparkling beverages but also a variety of still beverages such as waters, enhanced waters, juices and juice drinks, ready-to-drink teas and coffees, and energy and sports drinks. TCCC owns and markets four of the world's top five nonalcoholic sparkling beverage brands: Coca-Cola, Diet Coke, Fanta and Sprite. Finished beverage products bearing TCCC's trademarks, sold in the United States since 1886, are now sold in more than 200 countries.

Certain information with respect to the directors and executive officers of the Reporting Persons is set forth in Schedule A attached hereto, including each director's and executive officer's business address, present principal occupation or employment, citizenship and other information.

None of the Reporting Persons nor, to the best of their knowledge, any director, executive officer or controlling person of any Reporting Person has, during the last five years, been (a) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), or (b) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which proceeding any Reporting Person or any director, executive officer or controlling person of any Reporting Person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, or finding any violation with respect to federal or state securities laws.

Item 3. Source and amount of Funds and Other Consideration

Atlantic funded the purchase of the Common Stock pursuant to the Purchase Agreement with cash on hand of the Reporting Persons.

Item 4. Purpose of the Transaction

On February 5, 2014, Atlantic and the Issuer entered into a Common Stock Purchase Agreement (the "Purchase Agreement"), under which the Issuer agreed to issue and sell to Atlantic, and Atlantic agreed to purchase from the

Issuer, 16,684,139 newly-issued shares of Common Stock (the “Shares”) at a

cash purchase price of \$74.98 per share. Under a letter agreement, dated February 5, 2014 (the "Guaranty Letter"), by and between the Issuer and TCCC, TCCC guaranteed Atlantic's payment and performance obligations under the Purchase Agreement, and agreed to be bound by the public disclosure, standstill, confidentiality, consents and filings and transfer provisions of the Purchase Agreement to the same extent as Atlantic.

The Purchase Agreement is filed as Exhibit 1 to this Statement and is incorporated herein by reference. The following description of various terms of the Purchase Agreement is qualified in its entirety by reference to the Purchase Agreement. The Guaranty Letter is filed as Exhibit 2 to this Statement and is incorporated herein by reference.

The purpose of Atlantic's acquisition of Common Stock is for Atlantic to hold an equity interest in the Issuer in connection with what the Reporting Persons anticipate will be a long-term collaborative and strategic relationship between TCCC and the Issuer. On February 5, 2014, concurrent with the execution of the Purchase Agreement, TCCC and the Issuer entered into a Strategic Collaboration Agreement (the "Collaboration Agreement") relating to the development and introduction of TCCC's global brand portfolio for use in the Issuer's forthcoming Keurig Cold™ at-home beverage system. Under the Collaboration Agreement, the Issuer and TCCC will cooperate to bring the Keurig Cold™ beverage system to consumers around the world.

Under the Purchase Agreement, the Reporting Persons agreed, for the period from February 5, 2014 through the three-year anniversary of the closing of the acquisition of shares on February 27, 2014 (the "Closing Date," and such period the "Restricted Period"), not to sell, pledge or otherwise transfer any of the Shares or the Additional Shares (defined below). In addition, the Reporting Persons agreed, at any time after February 5, 2014, not to make any short sale of, grant any option for the purchase of, or enter into any hedging or similar transaction with the same economic effect as a short sale of, any shares of Common Stock, or otherwise establish or increase, directly or indirectly, a put equivalent position, as defined in Rule 16(a)-1(h) under the Exchange Act, with respect to the Issuer's equity securities. Notwithstanding the foregoing, the Reporting Persons may at any time tender Shares or Additional Shares in response to a tender or exchange offer.

Under the Purchase Agreement, the Reporting Persons further agreed that, for the duration of the Restricted Period, unless invited in writing with the approval of a majority of the Issuer's Board of Directors, the Reporting Persons will not (subject to the next sentence), and will not cause or permit any of their controlled affiliates to, directly or indirectly: (i) acquire any additional shares of Common Stock; (ii) make any statement, proposal or public announcement to the Issuer or the Issuer's stockholders regarding (A) any business combination, merger, tender offer or similar transaction involving the Issuer or its subsidiaries, (B) any restructuring, recapitalization, liquidation, dissolution or similar transaction involving the Issuer or its subsidiaries or (C) any acquisition of any of the Issuer's or its subsidiary's equity securities or rights or options to acquire interests in the Issuer's or its subsidiary's equity securities; (iii) negotiate, advise or knowingly finance or assist any person in connection with any of the actions set forth above in clauses (i) and (ii) above; (iv) request or call a meeting of the Issuer's stockholders, nominate any individual for election as a director of the Issuer at any meeting of the Issuer's stockholders, submit any stockholder proposal (pursuant to Rule 14a-8 promulgated under the Exchange Act or otherwise) to seek representation on the Issuer's Board of Directors or any other proposal to be considered by the Issuer's stockholders, or publicly recommend that any other stockholder vote in favor of, or otherwise publicly comment favorably about, or solicit votes or proxies for, any such nomination or proposal submitted by another stockholder, or otherwise publicly seek to control or influence the Board of Directors, management or policies of the Issuer; (v) deposit any shares of voting stock of the Issuer in a voting trust or similar arrangement or subject any shares of voting stock of the Issuer to any voting agreement, pooling arrangement or similar arrangement; (vi) take any action which would reasonably be expected to require the Issuer or any of the Issuer's affiliates to make a public announcement regarding any of the actions set forth above in clauses (i) - (v) above; or (vii) make any request that the Issuer,

directly or indirectly, waive, amend or terminate any of clauses (i) - (vi) above or this clause (vii), unless and until the Reporting Persons have received the prior written invitation or approval from the Issuer (clauses (i) - (vii) collectively, the "Standstill Restrictions"). Notwithstanding the foregoing, the Reporting Persons will be entitled to purchase, from time to time, in one or more transactions, in the open market or in privately negotiated transactions or from the Issuer, additional shares of Common Stock (the "Additional Shares"), as long as, when taken together with all other shares of Common Stock then beneficially owned by the Reporting Persons, such purchase will not result in the Reporting Persons beneficially owning more than 16.0% of the aggregate number of shares of Common Stock then outstanding. In addition, if the Issuer determines to explore a possible process for a sale transaction that would, if consummated, constitute a Change of Control (as defined in the Purchase Agreement), or otherwise would, if consummated, result in a direct or indirect sale, spin-off or other divestiture of a material portion of the Issuer's assets, the Issuer has agreed to notify the Reporting Persons of such process and allow the Reporting Persons to participate therein.

Additionally, if (i) the Issuer enters into a binding definitive agreement with any third party providing for a Change of Control, (ii) any person or group acquires beneficial ownership of 35.0% or more of the outstanding shares of Common Stock of the Issuer, (iii) any Bona Fide Acquiror (as defined in the Purchase Agreement) makes a public offer for the Issuer which, if fully subscribed, would result in such person or group acquiring beneficial ownership of 35.0% or more of the outstanding shares of Common Stock of the Issuer, or publicly announces a proposal to effect or an intention to engage in a transaction involving a Change of Control of the Issuer (a "Public Proposal") and, following such Public Proposal, either (A) such Public Proposal has not been publicly withdrawn, and any other Bona Fide Acquiror makes another Public Proposal within 90 days after such initial Public Proposal or (B) the Issuer or its Representatives (as defined in the Purchase Agreement) provides material non-public information to any such Bona Fide Acquiror or its Representatives or engages in substantive negotiations with such Bona Fide Acquiror or its Representatives, (iv) any Bona Fide Acquiror publicly announces a tender offer for 35.0% or more of the outstanding shares of Common Stock of the Issuer and files a tender offer statement under Section 14(d)(1) or 13(e)(1) of the Exchange Act or (v) any person or group makes a non-public offer or proposal to the Issuer or its Representatives for a transaction involving a Change of Control and the Issuer or its Representatives provides material non-public information to such person or group or its Representatives or engages in substantive negotiations with such person or group or its Representatives, then the Standstill Restrictions will terminate solely to the extent necessary to facilitate a public or private offer by the Reporting Persons or their affiliates to acquire directly or indirectly at least a majority of the outstanding shares of Common Stock or all or substantially all of the Issuer's assets. Furthermore, nothing in the Purchase Agreement shall prohibit the Reporting Persons or their affiliates from submitting to the Chairman of the Board of Directors or Chief Executive Officer of the Issuer one or more confidential proposals or offers for a potential transaction (including a Change of Control transaction) with the Issuer or from taking any action contemplated by the Collaboration Agreement. Except as otherwise permitted by the first sentence to this paragraph (in which case the limitation in this sentence shall not apply), prior to submitting a written confidential proposal or offer during the Restricted Period relating to any Change of Control transaction, the Reporting Persons or their affiliates will advise the Issuer of their intention and will refrain from submitting such proposal or offer if affirmatively so requested by the Issuer based on action by its Board of Directors.

Under the Purchase Agreement, the Issuer granted the Reporting Persons certain preemptive rights to purchase a pro rata portion of newly issued shares of Common Stock, for the same price and on the same terms as any transaction between the Issuer and a third party, involving the direct or indirect sale or issuance of securities of the Issuer, with certain types of issuances excluded from the scope of the Reporting Persons' preemptive rights. This preemptive right will cease to be effective at any time the Reporting Persons no longer beneficially own 100% of the Shares.

Under the Purchase Agreement, the Issuer further agreed that, at any time following the three-year anniversary of the Closing Date, the Reporting Persons will have certain "demand" and "piggyback"

registration rights in connection with the potential resale of shares of Common Stock held by the Reporting Persons.

Pursuant to discussions between the parties in connection with the execution of the Purchase Agreement, the Reporting Persons and the Issuer reached an understanding that, after the Closing Date, the Reporting Persons intend to put forward to the Issuer the name of an individual for addition to the Issuer's Board of Directors who the Reporting Persons believe could add value based on such individual's experience in the cold beverage industry, which, subject to review and approval of such individual by the Governance and Nominating Committee of the Issuer's Board of Directors, such individual would be appointed to the Issuer's Board of Directors. The Purchase Agreement also provides that, if at any time after July 1, 2014 there is no member of the Issuer's Board of Directors (other than the Issuer's Chief Executive Officer) that has relevant experience in the cold beverage industry, as determined by Atlantic (and provided that 100% of the Shares are then beneficially owned by the Reporting Persons or their affiliates), Atlantic will have the right to designate a non-voting observer to the Issuer's board of directors.

As a stockholder of the Issuer, the Reporting Persons expect they will continuously monitor their investment in the Issuer. The Reporting Persons will, from time to time, review their investment in the shares of Common Stock and, to the extent permitted by the Purchase Agreement, may determine to acquire additional shares of Common Stock or to sell shares of Common Stock. In addition, subject to the provisions of the Purchase Agreement, the Reporting Persons from time to time may consider, evaluate and propose other possible transactions involving the Issuer or its subsidiaries.

Except as otherwise described herein, the Reporting Persons do not presently have any plans or proposals which relate to or would result in any of the events, actions or conditions specified in paragraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer

(a)–(b) The Reporting Persons beneficially own the 16,684,139 shares of Common Stock that the Issuer issued and sold to Atlantic pursuant to the Purchase Agreement. The Issuer reported in its Quarterly Report on Form 10-Q filed on February 5, 2014 that there were 148,890,944 shares of Common Stock issued and outstanding as of January 29, 2014. Based on the number of shares of Common Stock reported in the Form 10-Q and the number of shares of Common Stock issued to the Reporting Persons, the Reporting Persons beneficially own approximately 10.1% of the shares of Common Stock issued and outstanding. To the best of the Reporting Persons' knowledge, none of the persons named in Schedule A beneficially owns any Common Stock.

(c) Except as specifically set forth in this Statement, none of the Reporting Persons or, to the best knowledge of the Reporting Persons, any of the persons listed on Schedule A has effected any transaction in the Common Stock during the past 60 days.

(d) To the best knowledge of the Reporting Persons, no person other than the Reporting Persons has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities beneficially owned by the Reporting Persons identified in this Item 5.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

As more fully described in Item 4 above, Atlantic and the Issuer are parties to the Purchase Agreement, and TCCC, Atlantic and the Issuer are parties to the Guaranty Letter. Except as described herein, none of the Reporting Persons

or, to the knowledge of the Reporting Persons, any of the persons listed on Schedule A has any contracts, arrangements, understandings or relationships (legal or otherwise)

with any persons with respect to any securities of the Issuer, including, but not limited to, transfers or voting of any securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
