Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

On May 31, 2016, Alphatec Holdings, Inc. (the "Company") determined that it was out of compliance with certain of its financial covenants (the "Covenants") for April of 2016, under that certain Amended and Restated Credit, Security And Guaranty Agreement by and among the Company and its subsidiaries Alphatec Spine, Inc., Alphatec International LLC, and Alphatec Pacific, Inc., and MidCap Funding IV Trust ("MidCap"), as amended (the "MidCap Facility"). The Covenants require the Company, on a monthly basis, to meet or exceed a minimum fixed charge coverage ratio, total leverage ratio and a requirement that a minimum percentage of the Company's total cash be held in U.S. accounts. The Company's non-compliance with the Covenants constituted an event of default under the MidCap Facility (the "MidCap Covenant Default"). MidCap provided a waiver of the event of default for April of 2016 under the MidCap Facility.

The MidCap Covenant Default constitutes a cross-default under the Facility Agreement by and among the Company and Deerfield Private Design Fund II, L.P., Deerfield Private Design International II, L.P. and Deerfield Special Situations Fund, L.P. (collectively, "Deerfield"), as amended (the "Deerfield Facility"). Deerfield provided a waiver of the event of default for April of 2016 under the Deerfield Facility.

There is no assurance that the Company will be in compliance with the Covenant or any of its other financial covenants under either the MidCap Facility or the Deerfield Facility in May 2016 or thereafter. If the Company has a default in May 2016 or thereafter and does not obtain waivers in the future from MidCap and Deerfield, they would each have the right to declare their respective debts to be due immediately.
