

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On September 11, 2012, Mr. Dror Zoreff announced his resignation from his position as chairman of the board of directors of the registrant (the "Board") effective November 1st, 2012. Mr. Zoreff advised the Board that he was asked and agreed to join a national entrepreneurial consortium effective as of the same date. Mr. Zoreff will continue to serve as a member of the registrant's Board and chair the Board's governance committee. The Board accepted Mr. Zoreff's resignation and has not elected a new chairman to replace him at this time.

Also, on September 11, 2012, Mr. Zoreff announced his resignation from his position of the registrant's interim Chief Executive Officer ("CEO"), effective immediately. In his place, on September 11, 2012 the Board appointed Mr. Robert M. Brinson, Jr. to serve as the registrant's new CEO. Under the leadership of Mr. Zoreff, over the past three years, the Company made significant changes to its strategy and executed on a plan to become a leading mobile solution provider. Mr. Zoreff will continue his service to the Company as a member of the Board. Mr. Brinson will be employed by the registrant pursuant to a services agreement with Entre-Strat Consulting LLC (ES) for a one year period. ES will be paid \$168,000 per year. Mr. Brinson's individual compensation is dependent upon other factors, including overhead, other resources utilized and other costs of operations.

For over 25 years, Mr. Brinson has excelled as a leader, serial entrepreneur and executive in businesses centered on the development and commercialization of innovative and advanced technologies. His experience ranges from start-up companies to well-established enterprises in the areas of healthcare, science, defense and consumer solutions.

Mr. Brinson has served as a director of and technology consultant to the registrant since September 2011, during which time he also served as Chair of the Innovation Committee. From 2005 until 2007, Mr. Brinson was a board member and Chief Technology Officer of IntelliScience Corporation, a developer of intelligent multi-modal image analysis systems and software. In 2007, He became a board member and Chief Technology Officer of IP Tank, LLC. Mr. Brinson is currently the Chief Visionary Officer of Apokalyysis, Inc., a developer of advanced data analysis systems for the national defense and healthcare industries, and serves on their Board. He serves as Chief Technology Officer of Affirm ID, LLC. Mr. Brinson serves as Chief Technology Officer and on the board of IISSEE, LLC, a company specializing in local search solutions, and serves on their Board.

Mr. Brinson has been integrally involved in national and industry standards organizations, working groups, committees and taskforces focusing on initiatives within his areas of expertise. With the combination of multiple patents and patents pending of his own and his involvement with other innovative organizations, Mr. Brinson has accumulated considerable experience in the intellectual property processes of concept expansion, due diligence, protection and commercialization.
