Item 1.01 Entry Into a Material Definitive Agreement

On April 26, 2007, American Ecology Corporation subsidiary US Ecology Nevada, Inc. (Lessee) entered into an Addendum Agreement with the State of Nevada, Division of State Lands acting on behalf of the Nevada Department of Conservation and Natural Resources (Lessor), modifying a lease of real property located in Nye County, Nevada (the Lease) and used by the Lessee for storage and disposal of hazardous materials (the Site). The terms of the Addendum Agreement, effective May 1, 2007, provide for continuance of the Lease as a year-to-year periodic tenancy until (i) the Site reaches full capacity and can no longer accept waste (estimated at approximately 20 years); (ii) the Lease is terminated by the Lessee at its option upon giving a ninety (90) day written notice to terminate; or (iii) the Lessor terminates the Lease in accordance with the violation provisions of the Lease. All other terms of the Lease, including those relating to rents and fees, remain unchanged.
