Item 7.01. Regulation FD Disclosure.

On August 22, 2012, Covidien plc (“Covidien” or the “Company”) issued a press release announcing that it is conducting a voluntary recall of all production lots for the Duet TRS™ Universal Straight and Articulating Single-Use Loading Units. A copy of the press release is furnished as Exhibit 99.1 to this report and incorporated herein by reference.

Covidien currently expects that the loss of product sales, coupled with the implementation of the recall and other costs, will lower fourth quarter 2012 GAAP diluted earnings per share from continuing operations by several cents. For fiscal 2013, the Company expects the recall to reduce GAAP diluted earnings per share from continuing operations by five to ten cents. In the nine months ended June 29, 2012, Duet net sales were less than \$50 million.
