These proposals are described in more detail below. Shareholders also will consider any other matters that may properly come before the meeting, although the Board of Directors knows of no other business to be presented.

The Company’s Annual Report to Shareholders for the year ended December 31, 2012, which includes the Company’s audited financial statements, is being provided with this proxy statement. Although the Annual Report is being provided to shareholders with this proxy statement, it does not constitute a part of the proxy solicitation materials and is not incorporated into this proxy statement by reference.

We are providing the proxy materials for the annual meeting and our Annual Report to Shareholders for the year ended December 31, 2012 over the Internet at <http://www.proxyvote.com> as a cost-saving measure and to conserve the environment. On April 18, 2013, we mailed to all our shareholders a Notice of Annual Meeting of Shareholders to be held May 28, 2013 and of Internet Availability of Proxy Materials (“Notice of Meeting and Availability of Proxy Materials”) containing instructions on how to access these materials, including requesting a paper copy by mail, telephone or email.

INFORMATION ABOUT THE ANNUAL MEETING

What is the purpose of the annual meeting?

At the annual meeting, shareholders will be asked to vote on the two proposals:

Proposal 1. Election of three directors of Sound Financial Bancorp, each for a three year term; and

Proposal 2. Ratification of the appointment of Moss Adams, LLP as Sound Financial Bancorp's independent registered public accounting firm for the fiscal year ending December 31, 2013.

The shareholders also will transact any other business that may properly come before the annual meeting, although, as of the date of this proxy statement, the Board of Directors knows of no other business to be presented. Members of our management team will be present at the annual meeting to respond to appropriate questions from shareholders.

Will any other business be conducted at the annual meeting?

The Board of Directors knows of no other business that will be conducted at the annual meeting. If any other proposal properly comes before the shareholders for a vote at the meeting, the proxy holders will vote your shares in accordance with their best judgment.

Who Can Vote at the Meeting?

You are entitled to vote your Sound Financial Bancorp common stock if our records show that you held your shares as of the close of business on March 28, 2013. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your broker or nominee. As the beneficial owner, you have the right to direct your broker or nominee how to vote.

As of the close of business on the March 28, 2013, there were 2,587,544 shares of Sound Financial Bancorp common stock outstanding. Each share of common stock has one vote.

Attending the Meeting

If you are a shareholder as of the close of business on March 28, 2013, you may attend the meeting. However, if you hold your shares in street name, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or a letter from your bank or broker, are examples of proof of ownership. If you want to vote your shares of Sound Financial Bancorp common stock held in street name in person at the meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

Quorum; Vote Required

The annual meeting will be held only if there is a quorum. A quorum exists if a majority of the outstanding shares of common stock entitled to vote, represented in person or by proxy, is present at the meeting. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Proposal 1: Election of Directors. Directors are elected by a plurality of the votes cast by Sound Financial Bancorp shareholders at the annual meeting. Votes may be cast for or withheld from a nominee. Votes that are withheld and broker non-votes have no effect on the election of the director nominees.

Proposal 2: Ratification of the Appointment of Our Independent Registered Public Accounting Firm. We must obtain the affirmative vote of a majority of the total number of votes cast by Sound Financial Bancorp shareholders at the annual meeting to approve the ratification of our appointment of our independent registered public accounting firm. Abstentions from voting are not considered votes cast and thus have no effect on this proposal.

How can I obtain a paper copy of this proxy statement, the proxy card and the Annual Report to Shareholders?

You may request that a paper copy of these proxy materials be mailed to you free of charge at any time by:

- calling 800-690-6903 (please provide your Shareholder Control Number, which was printed at the bottom of the April 18, 2013 Notice of Meeting and Availability of Proxy Materials);
- making your request online at <http://www.proxyvote.com> and inserting your Shareholder Control Number when prompted.

You may vote by Internet. To vote by Internet, have your Shareholder Control Number from the Notice of Meeting and Availability of Proxy Materials dated April 18, 2013, in hand; go to <http://www.proxyvote.com>; and follow the instructions for voting on-line. You may vote by phone. To vote by phone, have your Shareholder Control Number from the Notice of Meeting and Availability of Proxy Materials dated April 18, 2013, in hand; call the toll-free phone number 800-690-6903; and follow the instructions for voting. You may vote by mail. To vote by mail, request a paper copy of the proxy card and related materials, as noted in the response to the previous question. Then properly complete and sign the proxy card and return it in the return envelope provided in a timely manner. The mailed card must be received by the Company before the start of the annual meeting to be voted.

You may vote in person at the annual meeting. If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the meeting. However, if your shares are held in the name of your broker, bank or other nominee, you will need to obtain a proxy form from the named holder of your shares indicating that you were the beneficial owner of those shares on the record date for voting at the annual meeting.

Can I change my vote after I submit my proxy?

You may revoke your proxy at any time before the vote is taken at the annual meeting. If you are a registered shareholder, you may revoke your proxy and change your vote at any time before the polls close at the meeting by:

- voting by telephone or on the Internet -- your latest telephone or Internet vote will be counted;
- signing another proxy with a later date;
- voting by telephone or on the Internet -- your latest telephone or Internet vote will be counted;
- giving written notice of the revocation of your proxy to the Secretary of Sound Financial Bancorp, Inc. prior to the annual meeting; or

- voting in person at the annual meeting. Attendance at the annual meeting will not in and of itself constitute revocation of your proxy.
-

If you have instructed a broker, bank or other nominee to vote your shares, you must follow directions received from your nominee to change those instructions.

What if I do not specify how my shares are to be voted?

If you submit a proxy by Internet, phone or mail but do not indicate any voting instructions, your shares will be voted:

- FOR the election of the three director nominees to the Company's Board of Directors; and
- FOR the ratification of the appointment of Moss Adams, LLP as the Company's independent registered public accounting firm.

What if my shares are held in "street name" by a broker?

If your shares are held in "street name" by a broker, your broker is required to vote those shares in accordance with your instructions. If you do not give instructions to your broker, your broker nevertheless will be entitled to vote the shares with respect to "discretionary" items, but will not be permitted to vote your shares with respect to any "non-discretionary" items. In the case of non-discretionary items, the shares will be treated as "broker non-votes." Whether an item is discretionary is determined by the exchange rules governing your broker. The election of directors is a non-discretionary item and the ratification of the independent registered public accounting firm is a discretionary item under applicable rules. Your broker will forward information to you indicating how you can forward voting instructions and whether you can forward them by Internet, phone or mail.

What if my shares are held in Sound Financial Bancorp's employee stock ownership plan?

If you participate in the Sound Financial Bancorp Employee Stock Ownership Plan (the "ESOP") you will receive a voting instruction form that reflects all shares you may direct the trustees to vote on your behalf under the plan. Under the terms of the ESOP, each participant instructs the trustee of the plan how to vote the shares of common stock allocated to his or her account. If a participant properly executes the voting instruction card distributed by the trustee, the trustee will vote the participant's shares in accordance with the instructions. Where properly executed voting instruction cards are returned to the trustee with no specific instruction as to how to vote at the annual meeting, the trustee will vote the shares "FOR" each of the proposal's set forth in this proxy statement. If a participant fails to give timely voting instructions to the trustee with respect to the voting of the common stock that is allocated to his or her ESOP account, the trustee will vote such shares "FOR" each of the proposal set forth in this proxy statement. The ESOP trustee, subject to the exercise of its fiduciary duties, will vote all unallocated shares of Sound Financial Bancorp common stock held by the ESOP in the same proportion as shares for which it has received timely voting instructions.

How does the Board of Directors recommend I vote on the proposals?

Your Board of Directors recommends that you vote:

- FOR the election of the three director nominees to the Company's Board of Directors; and
- FOR the ratification of the appointment of Moss Adams, LLP as the Company's independent registered public accounting firm.

All the restricted stock awards and stock options granted to directors vest in 20% annual installments over the five years following the grant date. The vesting accelerates in the event of the director's death or disability or a change in control of Sound Financial Bancorp or Sound Community Bank. In the event of a termination of service, all non-vested awards would be canceled and the exercise period on the remaining unexercised option awards would be reduced to three months. No stock options or restricted stock awards were granted to directors during 2012.

Directors are provided or reimbursed for travel and lodging and other customary out-of-pocket expenses incurred in attending out-of-town board and committee meetings, industry conferences and continuing education seminars up to \$3,500 per year, per director. Any incremental spousal costs in connection with those meetings, conferences and seminars are paid for by the directors personally. Sound Community Bank also pays the premiums on directors' and officers' liability insurance.

BOARD OF DIRECTORS' MEETINGS AND COMMITTEES

AND CORPORATE GOVERNANCE MATTERS

Director Independence

The Board applies the independence standard in the Nasdaq listing standards to its directors. The Board has determined that seven of our eight directors, Directors Myers, Haddad, Carney, Jones, McMullen, Riojas and Sweeney, are "independent directors" as that term is defined in the those Nasdaq standards.

Corporate Governance

Board Leadership Structure. The Board has placed the responsibilities of Chairman with an independent nonexecutive member of the Board which we believe provides better accountability between the Board and our management team. We believe it is beneficial to have an independent Chairman whose sole responsibility to us is leading our Board members as they provide leadership to our executive team. Our Chairman is responsible for providing leadership to the Board and facilitating communication among the directors; setting the Board meeting agendas in consultation with the President and CEO; and presiding at Board meetings and executive sessions. This delineation of duties allows the President and CEO to focus her attention on managing the day-to-day business of Sound Community Bank. We believe this structure provides strong leadership for our Board, while positioning our President and CEO as the leader of the company in the eyes of our customers, employees and other stakeholders.

Board Role in Risk Oversight. The Board of Directors is responsible for consideration and oversight of risks facing Sound Financial Bancorp, and is responsible for ensuring that material risks are identified and managed appropriately. The Audit Committee meets quarterly, or more frequently as needed, with management in order to review our major financial risk exposures and the steps management is taking to monitor and control such exposures. Directors also serve on various committees that focus on major areas of risk in Sound Financial Bancorp and Sound Community Bank that include but are not limited to loans and compensation. Directors discuss risk and risk mitigation strategies with management within these committees. All risk oversight discussions are included in committee reports to the full Board of Directors. Directors discuss risk and risk mitigation strategies with management within these committees. All risk oversight discussions are included in committee reports to the full Board of Directors.

Board Meetings and Committees. Meetings of Sound Financial Bancorp's Board of Directors are generally held on a quarterly basis. The membership of Sound Community Bank's Board of Directors is identical to Sound Financial Bancorp's Board of Directors. Meetings of Sound Community Bank's Board of Directors are generally held on a monthly basis. For the fiscal year ended December 31, 2012, the Board of Directors of Sound Financial Bancorp held four regular meetings and two special meetings, and the Board of Directors of Sound Community Bank held 12 regular meetings and one special meeting. During fiscal year 2012, no incumbent director attended fewer than 75% in the aggregate of the total number of meetings of each Board and the total number of meetings held by the committees of each Board on which committees he or she served.

The Board of Directors of Sound Financial Bancorp has standing Compensation, Audit and Nominating committees. Information regarding the functions of the Board's committees, their present membership and the number of meetings held by each committee for the year ended December 31, 2012, is set forth below:

The Audit Committee also is responsible for the appointment, retention and oversight of our independent auditors, including pre-approval of all audit and non-audit services to be performed by the independent auditors.

TRANSACTIONS WITH CERTAIN RELATED PERSONS

We may engage in a transaction or series of transactions with our directors, executive officers and certain persons related to them. Except for the loans discussed below, there were no transactions of this nature, the amount of which exceeded \$120,000 during 2012 or 2011.

Our directors, officers and employees are eligible for any type of credit offered by Sound Community Bank. Federal regulations permit executive officers and directors to participate in loan programs that are available to other employees, as long as the director or executive officer is not given preferential treatment compared to other participating employees. In accordance with banking regulations, such loans to directors are made on substantially the same terms as those available to Sound Community Bank's employees. Such loans provide for a discount as to interest rate, consistent with the requirements of the Federal Reserve Board's Regulation O. When the director or executive officer leaves Sound Community Bank, these preferential rates return to market rates and terms in effect at the time of origination. Except as set forth above, loans to directors and executive officers are made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as prevailing at the time for comparable loans with persons not related to Sound Community Bank, and do not involve more than the normal risk of collectability or present other unfavorable features. Loans to current directors and executive officers and their related persons totaled approximately \$5.5 million at December 31, 2012, and were performing in accordance with their terms at that date.

Set forth below is information regarding loans made with preferential interest rates, as prevailing at the time for comparable loans with persons not related to Sound Community Bank, to directors and executive officers during each of the last two fiscal years who had aggregate indebtedness to Sound Community Bank that exceeded \$120,000.

Annual Bonus Plans. Our named executive officers participate in an annual incentive bonus plan (“Annual Bonus Plan”), which provides for annual cash bonuses to designated senior managers, including all the named executive officers, upon the achievement of pre-established performance goals established by the Board of Directors. Under the Annual Bonus Plan, prior to the earnings override adjustment discussed below, Ms. Stewart, Mr. Deines and Mr. Moran are entitled to receive a bonus of up to 33% respectively, of their base salary, depending on how actual performance compares with quantitative and qualitative performance goals established by the Compensation Committee. The performance goals under the Annual Bonus Plan are the same for all participants and are based on overall corporate performance. The quantitative goals include performance factors relating to asset size, capital level, delinquency ratio, return on assets and equity, levels of non-interest income and non-interest expense, net interest margin, charge-offs and the size of the loan portfolio. The qualitative goals are non-financial corporate goals that require leadership of senior management and are ranked based on their relative importance to our operations. Participants earn credits for the quantitative factors, based on the level of importance assigned to each factor and the actual level of performance compared to the targeted goals set for each factor. Participants also earn credits for accomplishing the qualitative goals established by the Compensation Committee. Ms. Stewart’s bonus is based 50% on meeting qualitative goals and 50% on meeting quantitative goals, while Mr. Deines’ and Mr. Moran’s bonuses are based 40% on meeting qualitative goals and 60% on meeting quantitative goals. Each individual’s bonus is also subject to an earnings override adjustment, based on a target net earnings level established by the Board of Directors. As a result of the earnings override adjustment, Ms. Stewart’s, Mr. Deines’ and Mr. Moran’s bonus under the Annual Bonus Plan may be as much as 49.5% of their base salary. For the year ended December 31, 2012, Ms. Stewart, Mr. Deines and Mr. Moran earned bonuses of 36.4%, 36.5% and 36.5 % of base salary, respectively. These percentages were arrived at based on Ms. Stewart, Mr. Deines and Mr. Moran earning 110.3%, 110.7% and 110.7%, respectively, of their bonus credits available under the plan for the year, which percentages were adjusted upward by 7.9% as a result of the earnings override adjustment.

Effective August 14, 2007, the Board of Directors adopted a supplemental executive retirement plan (“SERP 1”) for the benefit of Ms. Stewart, which is intended to be an unfunded, non-contributory defined benefit plan maintained primarily to provide her with supplemental retirement income of \$121,307 per year from age 66, for the rest of her life. Effective December 31, 2011, SERP 1 was amended to freeze benefit accruals under that agreement, entitling Ms. Stewart to \$53,320 per year from age 66, for the rest of her life. These payments are subject to a non-compete clause for the first 24 months after retirement. If Ms. Stewart voluntarily terminates her employment with Sound Community Bank before age 66, she receives no benefit under SERP 1. Additionally, no payments will be made under SERP 1 in the event of Ms. Stewart’s death and any payments that have commenced will cease upon death. In the event Ms. Stewart becomes disabled or is involuntarily terminated prior to age 66, she would be entitled to receive a lump sum payment equal to the accrued liability under SERP 1. The accrued liability balance under SERP 1 totaled \$301,252 at December 31, 2012. If Ms. Stewart is involuntarily terminated after age 66 or at anytime in connection with a change in control (as defined in SERP 1), she will be entitled to receive the annual benefit described in the second sentence of this paragraph commencing upon such termination (subject to any applicable cutback for payments after a change in control as required by Section 280G of the Internal Revenue Code). If Ms. Stewart is terminated for cause at anytime during her employment with Sound Community Bank, she forfeits any and all rights and benefits she may have under the terms of SERP 1 and shall have no right to be paid any of the amounts which would otherwise be due or paid under SERP 1. The cost of the benefits payable to Ms. Stewart under SERP 1 is expected to be offset by the earnings on bank-owned life insurance purchased by Sound Community Bank. Ms. Stewart has no direct interest in these insurance policies and is a general unsecured creditor with respect to payments owed under SERP 1.

Simultaneously with the amendment to SERP 1, we adopted a second SERP (“SERP 2”) for the benefit of Ms. Stewart, which is intended to be an unfunded, non-contributory defined benefit plan maintained primarily to provide her with additional supplemental retirement income. At that time, we also entered into a Confidentiality, Non-Competition, and Non-Solicitation Agreement, which is discussed below. Under the terms of SERP 2, upon Ms. Stewart’s termination of employment with Sound Community Bank for any reason other than death after age 65, she will be entitled to receive additional retirement benefits of \$78,521 per year commencing at age 70, for the rest of her life. If Ms. Stewart’s employment terminates for any reason other than on account of death prior to attaining age 65, or becomes disabled (as defined by SERP 2) during her employment, she will be entitled to the amount accrued for her benefit under the terms of SERP 2 at the time of her separation from service, or disability, determined using a discount rate provided for under SERP 2 (initially 5 percent), or approximately \$755,000 at December 31, 2011. In the event of Ms. Stewart’s death, her beneficiary will be entitled to a single lump sum payment within 90 days thereafter in an amount equal to the account value as of the death benefit valuation date, or approximately \$381,083 at December 31, 2012. The benefit payable in connection with Ms. Stewart’s early retirement or disability will commence as of the second month following the date of her separation from service or disability and will be payable for 180 months. If a change in control occurs (as defined in SERP 2), Ms. Stewart will receive her full retirement benefit under SERP 2, except that the benefit will commence upon her attaining age 65. The cost of the benefits payable to Ms. Stewart under SERP 2 is expected to be offset through the purchase of an annuity contract by Sound Community Bank. Ms. Stewart has no direct interest in this annuity contract and is a general unsecured creditor with respect to payments owed under SERP 2.

Confidentiality, Non-Competition, and Non-Solicitation Agreement. Effective December 30, 2011, Sound Community Bank entered into a Confidentiality, Non-Competition, and Non-Solicitation Agreement with Ms. Stewart. The agreement commences upon Ms. Stewart's termination of employment with us and continues for 36 months thereafter. For that 36-month period, subject to certain tolling provisions that apply in the event of a breach of the agreement, Ms. Stewart will be subject to the confidentiality, non-competition, and non-solicitation provisions in the agreement. In consideration of Ms. Stewart’s non-competition and non-solicitation obligations, Ms. Stewart will be entitled to receive \$81,369 annually for three years, payable twice a month, following her termination of employment with us, except if her termination of employment occurs for good reason (as defined in the agreement). In the event Ms. Stewart terminates her employment with us for good reason, she will be entitled to receive an amount equal to 150 percent of her then-base salary plus the average of her past three years short term bonus pay, or approximately \$567,000 at December 31, 2012, payable in 12 monthly installments beginning on the first day of the month following her termination. If Ms. Stewart terminates her employment with us for good reason within 24 months following a change in control (as defined in the agreement), Ms. Stewart will be entitled to receive the amount described in the preceding sentence, but payable in a lump sum. Ms. Stewart's benefits under this agreement are forfeited if she breaches the terms of the agreement. No payments will be made under the agreement if Ms. Stewart’s employment ceases on account of her disability or death (and payments that have commenced will cease upon death), or if she is otherwise ineligible to work in the financial product or services industry.

Equity Incentive Plans. We maintain an Equity Incentive Plan that provides for the grant or award of stock options, stock appreciations rights, restricted stock and restricted stock units to our directors, advisory directors, officers and other employees. Under the plan, the Compensation Committee may grant stock options and stock appreciation rights for up to 126,287 shares of Sound Financial Bancorp’s common stock, of which options for 125,051 shares have been awarded as of December 31, 2012. Under the plan, the Compensation Committee may grant restricted stock and restricted stock units for an aggregate of 50,514 shares of Sound Financial Bancorp’s common stock, all of which shares have been awarded as of December 31, 2012. The Compensation Committee administers this plan, determines employee eligibility, grants awards and sets the terms of awards. Awards are discretionary and are based on an assessment of the participant’s position, years of service, and contribution to our success and growth. The exercise price of options awarded must be no less than the fair market value of a share of Sound Financial Bancorp’s common

stock on the date of grant. The plan will continue and awards may be granted until November 19, 2018, unless it is terminated sooner in accordance with the plan.

To date, all awards granted vest in equal annual installments over the five years following the grant date. The vesting accelerates in the event of the participant's death or disability or a change in control of Sound Financial Bancorp or Sound Community Bank. In the event of a termination of service, all non-vested awards would be canceled.

Other Benefits. We maintain an employee stock ownership plan for employees of Sound Financial Bancorp and Sound Community Bank. The ESOP shares were purchased with loans from the Company. Shares purchased by the ESOP are held in a suspense account and released to participants' accounts as debt service payments are made. Shares released from the ESOP are allocated to each eligible participant's ESOP account based on the ratio of each such participant's eligible compensation to the total eligible compensation of all eligible ESOP participants. Benefits are payable upon retirement or other separation from service, or upon termination of the plan. As of December 31, 2012, the ESOP held a total of 202,755 shares, of which 38,843 shares have been allocated to officers and other employees.

Medical premiums for senior managers, including all named executive officers, are 100% paid by Sound Community Bank. In addition, these individuals receive \$1,000 a year to cover co-payments and other uncovered medical expenses under the comprehensive medical plan.

We offer a qualified, tax-exempt retirement plan to our employees with a cash or deferred feature qualifying under Section 401(k) of the Code (the "401(k) Plan"). We currently match each 401(k) contribution (other than catch-up contributions) in an amount equal to 50% of the participant's 401(k) deferrals for the year up to 7% of their salary. We may also make a discretionary profit sharing contribution under the 401(k) Plan, although the last profit sharing contribution to the 401(k) plan was made in 2004. Future discretionary profit sharing contributions under the 401(k) Plan are unlikely as a result of the implementation of the ESOP in 2008.
