Item 1.01 Entry into a Material Definitive Agreement.

On May 22, 2014, Discovery Communications, Inc. (the “Company”) entered into a share repurchase agreement (the “Agreement”) with Advance/Newhouse Programming Partnership (“ANPP”) to repurchase from ANPP shares of the Company’s Series C convertible participating preferred stock, par value \$0.01 per share (“Series C Preferred Stock”), on a quarterly basis in a manner intended to maintain ANPP’s current ownership percentage of the Company, as the number of outstanding shares of the Company’s Series C common stock, par value \$0.01 per share (“Series C Common Stock”), may be reduced from time to time as a result of repurchases under the Company’s existing share repurchase program (the “Share Repurchase Program”).

Under the Agreement, on the second business day after the Company issues its regular earnings release for each fiscal quarter (commencing with the fiscal quarter ending June 30, 2014), the Company will repurchase from ANPP a number of shares of Series C Preferred Stock convertible into a number of shares of Series C Common Stock equal to three-sevenths (3/7) of all shares of Series C Common Stock repurchased by the Company pursuant to the Share Repurchase Program during the then most recently completed fiscal quarter. The purchase price per share of Series C Preferred Stock on each repurchase date under the Agreement will be equal to 99% of the average price per share of Series C Common Stock paid by the Company for shares of Series C Common Stock repurchased by the Company during the applicable fiscal quarter, multiplied by the applicable Series C conversion rate, as set forth in the Company’s restated certificate of incorporation.

For purposes of calculating the number of shares to be repurchased under the Agreement on any repurchase date and the applicable purchase price, shares of Series C Common Stock repurchased under the Share Repurchase Program prior to the execution of the Agreement, and shares repurchased under the Share Repurchase Program after any delivery by the Company to ANPP of a Termination Notice (as defined below), will be excluded.

The Agreement terminates effective upon the earliest of:

- immediately after the occurrence of the first repurchase under the Agreement to occur following the termination or expiration of the Share Repurchase Program;
- the date of any public announcement of (i) a tender or exchange offer for shares of the Company’s common stock by the Company or any other person or entity or (ii) a merger, acquisition, recapitalization or comparable transaction as a result of which shares of the Company’s common stock are to be exchanged or converted into shares of an entity other than the Company;
- ANPP’s insolvency or the date on which ANPP becomes the subject of a bankruptcy or insolvency proceeding, or has had a receiver, conservator, trustee or custodian appointed for it, or has taken any action in furtherance of, or indicating its consent to, approval of or acquiescence in any such proceeding or appointment;
- immediately after the occurrence of the first repurchase under the Agreement to occur following the delivery by the Company (in its sole discretion) to ANPP of written notice of termination of the Agreement (a “Termination Notice”), except that if the number of shares that would be repurchased would be zero, such termination will be effective upon the delivery of the Termination Notice; and
- the delivery by ANPP (in its sole discretion) to the Company of a Termination Notice.

From and after the effectiveness of any termination of the Agreement, all obligations of either party under the Agreement will terminate (including, for the avoidance of doubt, any obligation to purchase or sell shares of Series C Preferred Stock with respect to repurchases of shares of Series C Common Stock under the Share Repurchase Program prior to the effectiveness of such termination).

The Agreement does not obligate the Company to repurchase any shares of its common stock under the Share Repurchase Program. The repurchases of shares of Series C Preferred Stock under the Agreement will be effectuated outside of the Share Repurchase Program.
