Item 1.04 Mine Safety – Reporting of Shutdowns and Patterns of Violations

Section 1503(b)(1) of the Dodd-Frank Wall Street Reform and Consumer Protection Act requires a Current Report on Form 8-K if a company is issued an imminent danger order under section 107(a) of the Federal Mine Safety and Health Act of 1977 (an “Order”) by the Federal Mine Safety and Health Administration.

On May 5, 2013, the Lucky Friday mine received a verbal Order indicating that a hoisting error occurred twice within a week. Subsequent to, and as a result of the issuance of the Order, hoisting was discontinued and the hoist operators were provided additional training. On May 8, 2013, the Order was modified to allow hoisting to commence.

The issue cited in the Order did not result in an accident or injury and had no material adverse impact on the Company’s operations at the Lucky Friday mine.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
