PROXY STATEMENT

Our board of directors is soliciting proxies for the 2018 annual meeting of shareholders to be held on February 27, 2019. This proxy statement and the enclosed form of proxy contain important information for you to consider in deciding how to vote on the matters brought before the meeting.

We first sent this proxy statement to shareholders on or about January 25, 2019. Our board of directors set January 3, 2019, as the record date for the meeting. Shareholders of record who owned our stock at the close of business on that date may vote and attend the meeting. As of the record date, we had issued and outstanding 168,931,496 shares of common stock, par value \$0.01 per share, which we refer to as common stock. Each holder of our common stock is entitled to one vote for each share of common stock held on the record date.

What matters am I voting on?

You will be voting on:

the election of eight directors to hold office until the next annual meeting of shareholders and until their successors are duly elected and qualified;

the ratification of the appointment of EisnerAmper LLP as our independent registered public accounting firm for fiscal 2019;

the approval, on an advisory basis, of the compensation of our named executive officers;

the approval, on an advisory basis, of the frequency of holding the say on pay vote in the future; and

any other business that may properly come before the meeting.

Who may vote?

Holders of our common stock at the close of business on January 3, 2019, the record date, may vote at the meeting. On the record date, 168,931,496 shares of our common stock were issued and outstanding. Each holder of our common stock is entitled to one vote for each share held on the record date.

When and where is the meeting?

We will hold the meeting on February 27, 2019, at 10:00 a.m. Eastern Time at the offices of Ladenburg Thalmann & Co. Inc., located at 277 Park Avenue, 26th Floor, New York, NY 10172.

If you need directions to the location of the meeting, please contact our Investor Relations Department by: (a) mail at Castle Brands Inc., Attention: Investor Relations, 122 East 42nd Street, Suite 5000, New York, New York 10168, (b) telephone at (646) 356-0200 or (c) e-mail at ir@castlebrandsinc.com.

What is the effect of giving a proxy?

Proxies in the form enclosed are solicited by and on behalf of our board of directors. The persons named in the proxy have been designated as proxies by our board of directors. If you sign and return the proxy in accordance with the procedures described in this proxy statement, the persons designated as proxies by the board of directors will vote your shares at the meeting as specified in your proxy.

Table of Contents

If you duly execute the proxy card but do not specify how you want to vote, your shares will be voted:

FOR the election as directors of the nominees listed below under Proposal I.

FOR the ratification of the appointment of EisnerAmper LLP as our independent registered public accounting firm for fiscal 2019 as described below under Proposal II.

FOR the approval, on an advisory basis, of the compensation of our named executive officers as described below under Proposal III.

FOR the approval, on an advisory basis, of holding the advisory vote on executive compensation every year as described below under Proposal IV.

If you give your proxy, the proxies named on the proxy card also will vote your shares in their discretion on any other matters properly brought before the meeting.

Can I change my vote after I voted?

You may revoke your proxy at any time before it is exercised by:

delivering written notification of your revocation to our Corporate Secretary;

voting in person at the meeting; or

delivering another proxy bearing a later date.

Please note that your attendance at the meeting will not alone serve to revoke your proxy.

What is a quorum?

A quorum is the minimum number of shares required to be present at the meeting for the meeting to be properly held under our bylaws and Florida law. The presence, in person or by proxy, of outstanding shares of our common stock representing a majority of all votes entitled to be cast at the meeting will constitute a quorum. A proxy submitted by a shareholder may indicate that all or a portion of the shares represented by the proxy are not being voted on a particular

matter, which is referred to as shareholder withholding. Similarly, a broker may not be permitted to vote stock held in street name on a particular matter absent instructions from the beneficial owner of the stock, which is referred to as a broker non-vote. Abstentions and broker non-votes will be counted for purposes of determining the presence of a quorum.

How may I vote?

You may vote your shares by mail or by attending the meeting. You may also vote over the Internet or by telephone using one of the methods described in the proxy card. If you vote by Internet or telephone, please do not return the proxy card. If you vote by mail, date, sign and return the accompanying proxy in the envelope enclosed for that purpose (to which no postage need be affixed if mailed in the United States). You may specify your choices by marking the appropriate boxes on the proxy card. If you attend the meeting, you may deliver your completed proxy card in person or fill out and return a ballot that will be supplied to you at the meeting.

What is the vote required for each proposal?

Proposal	Vote Required	Broker Discretionary Voting Allowed
Proposal I – Election of eight directors	Plurality of votes cast	No
Proposal II – Ratification of auditors for fiscal 2019	Majority of votes cast	Yes
Proposal III – Advisory vote on executive compensation	Majority of votes cast	No
Proposal IV – Advisory vote on the frequency of advisory votes on executive compensation	Majority of votes cast	No

Table of Contents

On Proposal I, you may vote FOR all nominees, WITHHOLD your vote as to all nominees, or vote FOR all nominees except those specific nominees from who you WITHHOLD your vote. The eight nominees receiving the most FOR votes will be elected. A properly executed proxy marked WITHHOLD as to the election of one or more directors will not be voted with respect to the director or directors indicated.

On Proposals II and III, you may vote FOR, AGAINST or ABSTAIN.

On Proposal IV, you may vote ONE YEAR, TWO YEARS, THREE YEARS, or ABSTAIN.

Broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming a quorum is obtained, as shares subject to a broker non-vote will not be considered entitled to vote with respect to any of the Proposals. Abstentions will not affect the outcome of any matter being voted on at the meeting, assuming a quorum is obtained because approval of a percentage of shares present or outstanding is not required for any of the Proposals.

Are there any rules regarding admission to the meeting?

Yes. You are entitled to attend the meeting only if you were, or you hold a valid legal proxy naming you to act for, one of our shareholders on the record date. Before we will admit you to the meeting, we must be able to confirm:

Your identity by reviewing a valid form of photo identification, such as a driver's license; and

You were, or are validly acting for, a shareholder of record on the record date by:

◦ verifying your name and stock ownership against our list of registered shareholders, if you are the record holder of your shares;

◦ reviewing other evidence of your stock ownership, such as your most recent brokerage or bank statement, if you hold your shares in street name; or

◦ reviewing a written proxy that shows your name and is signed by the shareholder you are representing, in which case either the shareholder must be a registered shareholder or you must have a brokerage or bank statement for that shareholder as described above.

If you do not have a valid picture identification and proof that you owned, or are legally authorized to act for someone who owned, shares of voting stock on January 3, 2019, you will not be admitted to the meeting.

At the entrance to the meeting, we will verify that your name appears in our stock records or will inspect your brokerage or bank statement as your proof of ownership and any written proxy you present as the representative of a shareholder. We will decide whether the documentation you present for admission to the meeting meets the requirements described above.

What is the “householding” of annual disclosure documents?

The Securities and Exchange Commission, which we refer to as the SEC, has adopted rules governing the delivery of annual disclosure documents that permit us to send a single set of our annual report and proxy statement to any household at which two or more shareholders reside if we believe that the shareholders are members of the same family. This rule benefits both shareholders and us by reducing the volume of duplicate information received and our expenses. Each shareholder will continue to receive a separate proxy card. If your household received a single set of disclosure documents for this year, but you would prefer to receive your own copy, or if you share an address with another shareholder and together both of you wish to receive only a single set of our annual disclosure documents, please contact our Investor Relations Department by: (a) mail at Castle Brands Inc., Attention: Investor Relations, 122 East 42nd Street, Suite 5000, New York, New York 10168, (b) telephone at (646) 356-0200 or (c) e-mail at *ir@castlebrandsinc.com*.

Our 2018 annual report, including financial statements for the fiscal year ended March 31, 2018, accompany the proxy solicitation materials. The annual report, however, is not part of the proxy solicitation materials.

Corporate Governance Guidelines

Our board of directors has adopted a code of conduct, which applies to all of our directors, executive officers and employees. The code of conduct sets forth our commitment to conduct our business in accordance with the highest standards of business ethics and to promote the highest standards of honesty and ethical conduct by our directors, executive officers and employees.

Our board of directors has also adopted a nominating and corporate governance committee charter that sets forth (i) corporate governance principles intended to promote efficient, effective and transparent governance and (ii) procedures for the identification and selection of individuals qualified to become directors.

Among other matters, our nominating and corporate governance committee charter and code of conduct set forth the following governing principles:

A majority of our directors should be “independent” as defined in the rules adopted by the SEC and the NYSE American.

To facilitate critical discussion, the independent directors are required to meet apart from other board members and management representatives.

Compensation of our non-employee directors should include equity-based compensation. Employee directors are not paid for their board service in addition to their regular employee compensation.

All directors, executive officers and employees must act at all times in accordance with the requirements of our code of conduct. This obligation includes adherence to our policies with respect to conflicts of interest; full, accurate and timely disclosure; compliance with securities laws; confidentiality of our information; protection and proper use of our assets; ethical conduct in business dealings; and respect for and compliance with applicable law. Any change to, or waiver of, the requirements of, the code of conduct with respect to any director, principal financial officer, principal accounting officer or persons performing similar functions may be granted only by the board of directors. Any such change or waiver will be promptly disclosed as required by applicable law or regulations.

PROPOSAL II

RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2019

We ask that you ratify the appointment of EisnerAmper LLP as our independent registered public accounting firm for fiscal 2019.

Our audit committee appointed EisnerAmper LLP as our independent registered public accounting firm for fiscal 2019. Representatives of EisnerAmper LLP are expected to be present at the meeting with the opportunity to make a statement if they so desire and to be available to respond to appropriate questions.

If the appointment is not ratified, the adverse vote will be considered as an indication to our audit committee that it should consider selecting another independent registered public accounting firm for the following fiscal year. Even if the selection is ratified, our audit committee, in its discretion, may select a new independent registered public accounting firm at any time during the year if it believes that such a change would be in our best interest.

Vote Required

The vote required to approve the proposal to ratify the appointment of EisnerAmper LLP as our independent registered public accounting firm for fiscal 2019 is the affirmative vote of a majority of votes cast at the meeting with respect to the proposal.

Our board of directors recommends that you vote FOR Proposal II, the ratification of the appointment of our independent registered public accounting firm for fiscal 2019.

PROPOSAL III

APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION

OF OUR NAMED EXECUTIVE OFFICERS

(THE SAY ON PAY VOTE)

As required by Section 14A of the Exchange Act, we are seeking a non-binding advisory vote from our shareholders to approve the compensation of our named executive officers as described in the “Compensation Discussion and Analysis” section and the executive compensation tables, the footnotes to the tables and narrative information accompanying the tables in this proxy statement. This proposal is also referred to as the say on pay vote.

Table of Contents

We have designed our compensation policies and programs to attract, retain and motivate talented executives who are critical for our continued growth and success and to align the interests of these executives with those of our shareholders. We believe that our compensation policies and programs are centered on a pay-for-performance philosophy. To achieve these objectives, besides annual base salaries, our executive compensation program utilizes a combination of annual incentives through cash bonuses and long-term incentives through equity-based compensation. In establishing overall executive compensation levels, the compensation committee of our board of directors considers a number of criteria, including the executive's scope of responsibilities, prior and current period performance and attainment of individual and overall company performance objectives and retention concerns. Our president and chief executive officer and our compensation committee believe that substantial portions of executive compensation should be linked to the overall performance of our company, and that the contribution of individuals over the course of the relevant period to the goal of building a profitable business and shareholder value will be considered in the determination of each executive's compensation. We believe that our compensation policies and programs are designed with the appropriate balance of risk and reward consistent with our overall business strategy. In deciding how to vote on this proposal, we urge you to read the "Compensation Discussion and Analysis" section of this proxy statement, together with the tables and footnotes that follow, for details of our executive compensation policies and programs.

Shareholders are being asked to vote on the following resolution:

"RESOLVED, that the shareholders approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in the proxy statement for the 2018 annual meeting, including the "Compensation Discussion and Analysis" section, the executive compensation tables, the footnotes to the tables and the related narrative contained therein."

Because your vote is advisory, it will not be binding upon our board of directors. Accordingly, prior compensation determinations of the board of directors will not be invalidated and the board of directors will not be required to adjust executive compensation programs or policies as a result of the outcome of the vote. However, the board of directors values shareholders' opinions and the compensation committee will take into account the outcome of the vote when considering future executive compensation arrangements.

Vote Required

The vote required to approve the proposal regarding the advisory vote on the compensation of our named executive officers is the affirmative vote of a majority of votes cast at the meeting with respect to the proposal.

Our board of directors recommends that you vote FOR Proposal III, the advisory vote on the compensation of our named executive officers.

PROPOSAL IV

**ADVISORY VOTE ON THE FREQUENCY OF HOLDING
THE SAY ON PAY VOTE IN THE FUTURE**

Section 14A of the Exchange Act also requires us, at least once every six years, to provide our shareholders with the opportunity to cast a non-binding advisory vote as to the frequency with which future non-binding advisory votes on say on pay should be held. Shareholders may indicate their preference to hold the future advisory votes on say on pay every year, every two years, every three years or may abstain from voting.

After thoughtful consideration, our board of directors believes that holding an advisory vote on executive compensation every year is the most appropriate policy for our company and shareholders at this time.

Table of Contents

Continuing to hold a say on pay vote every year would appropriately complement a number of effective mechanisms already available to shareholders that allow them to communicate with our board of directors regarding executive compensation or any other matter. Shareholders are encouraged to convey their compensation concerns to us on a real-time basis. Shareholders have a variety of corporate governance mechanisms at their disposal for this purpose. These include annual elections of directors, shareholder approval requirements for equity and cash compensation plans, shareholder proposals, letters to individual directors or the entire board and voicing opinions at the annual meeting of shareholders. As with all of these practices, our board will monitor the effectiveness of an annual advisory say on pay vote to ensure it remains a valuable tool for shareholders.

Prior to voting on this proposal, we urge you to read the “Executive Compensation” section and the executive compensation tables, the footnotes to the tables and narrative information accompanying the tables in this proxy statement, as well as the section entitled “Management’s Discussion and Analysis of Financial Condition and Results of Operations” appearing in our 2018 annual report that accompanies this proxy statement, which more thoroughly discuss our compensation policies and programs.

Because your vote is advisory, it will not be binding upon our board of directors. Regardless, our board of directors and the compensation committee values the opinions expressed by our shareholders and expects to implement the frequency which receives the greatest level of support from our shareholders. While we believe that a vote once every year is the best choice for our company and shareholders, you are not voting to approve or disapprove our recommendation of an annual vote, but rather to make your own choice among a vote once every one year, every two years or every three years. You may also abstain from voting on this proposal.

Shareholders are being asked to vote on the following resolution:

“RESOLVED, that the Company’s shareholders advise the Company to include a non-binding, advisory vote on the compensation of the Company’s named executive officers pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, every:

one year;

two years; or

three years.”

Vote Required

The vote required to approve the proposal regarding the advisory vote on the frequency of holding the say on pay vote in the future is the affirmative vote of a majority of votes cast at the meeting with respect to the proposal.

Our board of directors recommends that you vote FOR continuing to hold the say on pay vote every ONE YEAR.

CORPORATE GOVERNANCE MATTERS

Independence of Directors

We follow the NYSE American rules in determining if a director is independent. Our board of directors also consults with our counsel to ensure that the board's determination is consistent with those rules and all other relevant laws and regulations regarding director independence. Consistent with these considerations, our board of directors has determined that Messrs. Beaudette, Beinstein, Krasno, Rubin and Zeitchick are independent directors. The other remaining directors may not be deemed independent under the NYSE American rules because they currently have relationships with us that may result in them being deemed not "independent." All members of our audit, compensation and nominating and corporate governance committees are independent. The members of our audit committee are also independent under Rule 10A-3 under the Exchange Act and under the NYSE American rules for audit committee independence.

Table of Contents

Board Leadership Structure

Non-Executive Board Chair

We believe that effective board leadership structure can depend on the experience, skills, and personal interaction between persons in leadership roles, and the needs of our company at any point in time. We currently maintain separate roles between the chief executive officer and chairman of the board in recognition of the differences between the two responsibilities. Our chief executive officer is responsible for setting our strategic direction and for leadership of our management team and the performance of our company. Our chairman of the board provides input to the chief executive officer, sets the agenda for board meetings, and presides over meetings of the full board of directors, as well as executive sessions of the board of directors.

Lead Independent Director

Our corporate governance guidelines also provide that the independent directors of our board may designate a lead independent director to perform certain duties designated by the board. In May 2018, Dr. Richard M. Krasno was appointed as our lead independent director. The functions of our lead independent director include serving as the principal liaison between our independent directors, our chairman and our chief executive officer, reviewing and providing input to the agenda for each meeting of our board, and approving the schedule of, developing the agenda for, and presiding at executive sessions of, our independent directors. We believe that having a lead independent director provides for effective checks and balances and enhances the ability of our independent directors to work effectively in the board setting. Our board adopted a charter of the lead independent director in May 2018, a copy of which is available at <http://investor.castlebrandsinc.com/corporate-governance>.

Board Role in Risk Oversight

The board of directors is also responsible for oversight of our risk management practices, while management is responsible for the day-to-day risk management processes. This division of responsibilities is the most effective approach for addressing the risks facing our company, and our company's board leadership structure supports this approach. The board of directors receives periodic reports from management regarding the most significant risks facing our company. Also, our audit committee assists the board of directors in its oversight role by receiving periodic reports regarding our company's risk and control environment.

Board Committee Membership and Information

The following table shows the current members of each board committee, the directors our board of directors has determined to be independent and the number of meetings held by each committee in fiscal 2018.

Richard J. Lampen				
Steven D. Rubin	X	X	X	X
Mark Zeitchick	X			X
Number of meetings held in fiscal 2018	1	4	1	1

Our board of directors met four times during fiscal 2018. During fiscal 2018, each of our directors attended at least 75% of the aggregate number of meetings of the board of directors and of each committee of which he was a member held during the period for which he was a director or member, as applicable. We expect our directors to attend all board and committee meetings and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. Although we do not have any formal policy regarding director attendance at annual shareholder meetings, we attempt to schedule our annual meetings so that all of our directors can attend. Two directors attended our 2017 annual meeting.

Executive Sessions

We regularly schedule executive sessions during which our independent directors meet without the presence of or participation by management.

Our nominating and corporate governance committee identifies, researches and recommends to the board of directors qualified candidates to serve as directors on our board of directors.

Our nominating and corporate governance committee is responsible for, among other things:

Besides considering candidates suggested by shareholders, our nominating and corporate governance committee also accepts recommendations from our directors, members of management and others familiar with, and experienced in, the beverage alcohol industry. Our nominating and corporate governance committee establishes criteria for the selection of nominees and reviews the appropriate skills and characteristics required of board members. In evaluating candidates, the committee considers issues of independence, diversity and expertise in numerous areas, including experience in the premium branded spirits industry, finance, marketing, international experience and culture. Our nominating and corporate governance committee selects individuals of the highest personal and professional integrity who have demonstrated exceptional ability and judgment in their field and who would work effectively with the other directors and nominees to the board of directors. Our nominating and corporate governance committee also monitors and reviews the committee structure of our board of directors, and each year it recommends to our board of directors for its approval directors to serve as members of each committee. The nominating and corporate governance committee conducts an annual review of the adequacy of the nominating and corporate governance committee charter, and recommends proposed changes. Our nominating and corporate governance committee charter is posted on our investor relations website at <http://investor.castlebrandsinc.com>.

The persons to be elected at our annual meeting are the current directors standing for re-election.

Compensation Committee

Messrs. Beaudette and Rubin and Dr. Krasno currently comprise our compensation committee. None of these individuals has ever served as an officer of ours or of any of our subsidiaries. The compensation committee does not have a charter. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This "Compensation Discussion and Analysis" section discusses the compensation programs and policies for our executive officers and the compensation committee's role in the design and administration of these programs and policies in making specific compensation decisions for our executive officers, including our "named executive officers."

Our compensation committee has the sole authority and responsibility to review and determine, or recommend to our board of directors for determination, the compensation package of our chief executive officer and each of our other named executive officers, each of whom is identified in the Summary Compensation Table below. Our compensation committee also considers the design and effectiveness of the compensation programs for our other executive officers and approves the final compensation package, employment agreements, and stock awards and option grants for all of our executive officers. Our compensation committee is composed entirely of independent directors who have never

served as officers of our company.

Our compensation committee may engage outside advisors, experts and others to assist it in determining executive compensation. Our compensation committee engaged GK Partners, Inc. to provide services in connection with its compensation review for the fiscal year ended March 31, 2018. In particular, GK Partners reviewed the terms of the new employment agreements entered into in April 2017 for our named executive officers (other than Mr. Lampen who does not have an employment agreement with our company) and provided other consulting services to the compensation committee throughout the fiscal year. The compensation committee, considering all relevant factors, including those set forth in Rule 10C-1(b)(4)(i) through (vi) under the Exchange Act and applicable NYSE American rules, is not aware of any conflict of interest that has been raised by the work performed by GK Partners. Other than the services for which the compensation committee directly engaged GK Partners, GK Partners provided no services to us for the fiscal year ended March 31, 2018.

Set forth below is a discussion of the policies and decisions that shape our executive compensation programs, including the specific objectives and elements. Information regarding director compensation is included under the heading “Director Compensation” below.

Table of Contents

General Executive Compensation Objectives and Philosophy

The objective of our executive compensation programs is to attract, retain and motivate talented executives who are critical for our continued growth and success and to align the interests of these executives with those of our shareholders. To achieve this objective, in addition to competitive annual base salaries, our executive compensation program utilizes a combination of annual incentives (cash bonuses) and long-term incentives through equity-based compensation. Our compensation committee believes that cash bonuses should reward our named executive officers for their personal performance, as well as our company's overall business performance, and that equity-based compensation should align the long-term financial interests of our named executive officers with that of our shareholders. Long-term equity-based compensation for our named executive officers is typically subject to time-based vesting over a period of four years. We do not have specific policies for allocating between annual and long-term compensation or between cash and non-cash compensation. Such amounts are determined by our compensation committee on an annual basis as described below.

In establishing overall executive compensation levels, our compensation committee considers a number of criteria, including the executive's scope of responsibilities, his or her prior and current contributions, attainment of individual and overall company performance objectives and key employee retention concerns. Our president and chief executive officer and our compensation committee believe that substantial portions of executive compensation should be linked to the overall performance of our company, and that the contributions of individuals over the course of the relevant performance period toward the goal of building a profitable business and shareholder value should be considered in the determination of each executive's compensation. We do not use benchmarking against a peer group or otherwise.

Generally, our compensation committee reviews and, as appropriate, modifies compensation arrangements for executive officers in the first quarter of each fiscal year, subject to the terms of existing employment agreements with our named executive officers, as discussed below. Annual equity awards, if any, are typically granted in the first quarter of each fiscal year as well. For the fiscal year ended March 31, 2018, except with respect to our president and chief executive officer's compensation, our compensation committee considered our president and chief executive officer's executive compensation recommendations, which were presented at the time of our compensation committee's annual compensation review. In making its management pay determinations, the compensation committee considered the overall performance of each executive and their individual contributions to the growth of our company and its products as well as the company's overall business performance and achievements. Specifically, the compensation committee considered each executive officer's contributions to brand growth, operating cash flows, cost management and long-term value creation for our shareholders for the fiscal year ended March 31, 2018, as well as the retention of our executive officers.

For the fiscal year ended March 31, 2018, we granted a \$120,000 cash bonus to Mr. Glover; a \$77,000 cash bonus to Mr. Spillane; a \$77,000 cash bonus to Mr. Small; and a \$66,000 cash bonus to Ms. Peña.

In April 2017, we granted 130,000 restricted shares of common stock to Mr. Glover, 120,000 restricted shares of common stock to Mr. Andrews, 90,000 restricted shares of common stock to each of Mr. Spillane and Mr. Small and 75,000 restricted shares of common stock to Ms. Peña. The foregoing restricted shares vest in four equal annual installments beginning on the first anniversary of the grant date, subject to certain exceptions. Risk Considerations in our Compensation Programs

We have reviewed our compensation structures and policies as they pertain to risk and have determined that our compensation programs do not create or encourage the taking of risks that are reasonably likely to have a material adverse effect on our company.

Material Tax Implications of Our Compensation Policy

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the deductibility on our tax return of compensation over \$1 million to any of our named executive officers unless, in general, the compensation is paid under a plan which is performance-related, non-discretionary and has been approved by our shareholders. Our compensation committee's policy with respect to section 162(m) is to make every reasonable effort to ensure that compensation is deductible to the extent permitted while simultaneously providing our executives with appropriate compensation for their performance. We did not pay any compensation during fiscal 2018 that would be subject to the limitations set forth in section 162(m). The exemption from section 162(m)'s deduction limit for performance-based compensation was repealed in December 2017, such that compensation paid to our named executive officers in excess of \$1 million will not be deductible unless it qualifies for transition relief.

Consideration of Our Most Recent Shareholder Advisory Vote on Executive Compensation

Last year, at our 2017 Annual Meeting, our shareholders cast an advisory vote on executive compensation, referred to as a "say-on-pay proposal", as required by Section 14A of the Exchange Act. At the 2017 Annual Meeting, 98% of the total votes cast were in favor of the say-on-pay proposal, and we have considered such approval an endorsement of our executive compensation philosophy and programs. Therefore, our executive compensation philosophy and programs have been confirmed and remain substantially unchanged since last year. The next say-on-pay proposal is included in this proxy statement for our 2018 Annual Meeting.

Compensation Committee Interlocks and Insider Participation

Each of John F. Beaudette, Dr. Richard M. Krasno and Steven D. Rubin served on our compensation committee during fiscal 2018, with Dr. Richard M. Krasno serving as chairman. No member of the compensation committee during fiscal 2018 was an officer, employee or former officer of ours or any of our subsidiaries or had any relationship that would be considered a compensation committee interlock and would require disclosure pursuant to SEC rules and

regulations. None of our executive officers served as a member of a compensation committee or a director of another entity under the circumstances requiring disclosure pursuant to SEC rules and regulations.

Compensation Committee Report

The information contained in this Compensation Committee Report shall not be deemed “soliciting material” or “filed” with the SEC, nor shall such information be incorporated by reference into any document we file with the SEC, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that such report is specifically stated to be incorporated by reference into such document.

In fulfilling our role, we met and held discussions with our company’s management and reviewed and discussed the Compensation Discussion and Analysis contained in this proxy statement. Based on the review and discussions with management and our business judgment, we recommended to the board of directors that the Compensation Discussion and Analysis be included in this proxy statement for filing with the SEC.

Termination Without Cause

Each of Messrs. Glover, Spillane and Small and Ms. Peña has an employment agreement with us that provides for potential payments in the event of their termination.

Under Messrs. Glover, Spillane and Small's employment agreements, if we terminate the executive's employment without "cause," we have agreed to pay the executive his annual base salary, a bonus equal to the bonus paid for the period immediately prior to the termination and to provide benefits, including medical insurance, for 24 months following termination. Under Ms. Peña's employment agreement, if we terminate her employment without "cause," we have agreed to pay her annual base salary, a bonus equal to the bonus paid for the period immediately prior to the

termination and to provide benefits, including medical insurance, for 12 months following termination.

Table of Contents

Also, if we terminate any of the executives without “cause,” then such executive is entitled to accelerated vesting or other treatment of some or all of the equity awards granted to such executive under the terms of such executive’s employment agreement.

Subject to their compliance with the terms of their respective employment agreements, for Messrs. Glover, Spillane and Small, any tranche of unvested shares or options held by the executive that would have vested during the 24 month period following termination will accelerate and vest without any further action of any kind by our company or the executive. Further, any stock option held by the executive that is vested at the time of the executive’s termination will be exercisable until the earlier to occur of (i) the expiration date of such option pursuant to its terms and (ii) 24 months following the date of termination. Subject to her compliance with the terms of her employment agreement, for Ms. Peña, any tranche of unvested shares or options held by her that would have vested during the 12 month period following termination will accelerate and vest without any further action of any kind by our company or Ms. Peña. Further, any stock option held by Ms. Peña that is vested at the time of her termination will be exercisable until the earlier to occur of (i) the expiration date of such option pursuant to its terms and (ii) 12 months following the date of termination.

Per the employment agreements, “cause” is defined as the executive’s (i) having committed in the performance of his or her duties under the agreement one or more acts or omissions constituting fraud, dishonesty, or willful injury to our company which results in a material adverse effect on the business, financial condition or results of operations of our company, (ii) having committed one or more acts constituting gross neglect or willful misconduct which results in a material adverse effect on the business, financial condition or results of operations of our company, (iii) breach of his or her fiduciary duties, (iv) failure to substantially perform assigned duties relating to executive’s performance under the agreement (other than any such failure owing to the executive becoming disabled as reasonably determined by a majority of our compensation committee, after consultation with our chief executive officer, (v) conviction of, or the entry by the executive of any plea of guilty or nolo contendere to, any felony, or (vi) material breach of any provision of the employment agreement as reasonably determined by our compensation committee, after consultation with our chief executive officer, subject to a thirty (30) day cure period.

Non-Renewal of Employment Agreement

If we do not renew the employment agreements with Messrs. Glover, Spillane or Small, then such executive is entitled to receive his annual base salary, a bonus equal to the bonus paid for the period immediately prior to the termination and benefits, including medical insurance, for 24 months following termination. If we do not renew the employment agreement with Ms. Peña, then she is entitled to receive her annual base salary, a bonus equal to the bonus paid for the period immediately prior to the termination and benefits, including medical insurance, for 12 months following termination.

Termination Due to Death or Disability

The employment agreements of Messrs. Glover, Spillane and Small and Ms. Peña each provide that, in each case, if we terminate such executive due to a “disability,” or if such executive’s employment is terminated as a result of such executive’s death, the executive will be entitled to any salary owed to the executive through the date of termination, bonus for the year in which the termination occurred, and base salary for the duration of such executive’s severance period (24 months in the case of Messrs. Glover, Spillane and Small and 12 months in the case of Ms. Peña). Further, all stock options and restricted stock awards held by the executive will fully vest and be exercisable for a period of two (2) years from date of termination for death or disability in the case of Messrs. Glover, Spillane and Small and one (1) year in the case of Ms. Peña. For each of our named executive officers, a “disability” is defined in the employment agreements as the executive becoming physically or mentally disabled or incapacitated to the extent that the executive has been or will be unable to perform the duties under the employment agreement on account of such disabilities or incapacitation for a continuous period of six (6) months as determined by a qualified independent physician or group of physicians selected by our company and approved by the executive or his or her representative.

Termination by Employee with Good Reason

Each of Messrs. Glover's, Spillane's and Small's employment agreements provides that if he terminates his employment for "good reason," we will pay the executive his annual base salary, a bonus equal to the bonus paid for the period immediately prior to the termination and to provide benefits, including medical insurance, for 24 months following termination. Under Ms. Peña's employment agreement, if she terminates her employment for "good reason," we have agreed to pay her annual base salary, a bonus equal to the bonus paid for the period immediately prior to the termination and to provide benefits, including medical insurance, for 12 months following termination.

Subject to their compliance with the terms of their respective employment agreements, for Messrs. Glover, Spillane and Small, any tranche of unvested shares or options held by the executive that would have vested during the 24 month period following termination for "good reason" will accelerate and vest without any further action of any kind by our company or the executive. Further, any stock option held by the executive that is vested at the time of the executive's termination for "good reason" will be exercisable until the earlier to occur of (i) the expiration date of such option pursuant to its terms and (ii) 24 months following the date of termination. Subject to her compliance with the terms of her employment agreement, for Ms. Peña, any tranche of unvested shares or options held by her that would have vested during the 12 month period following termination for "good reason" will accelerate and vest without any further action of any kind by our company or Ms. Peña. Further, any stock option held by Ms. Peña that is vested at the time of her termination for "good reason" will be exercisable until the earlier to occur of (i) the expiration date of such option pursuant to its terms and (ii) 12 months following the date of termination.

Per the agreements, "good reason" means a termination by executive of such executive's employment within sixty (60) days after (i) any material diminution in the nature, title, base salary, target incentive bonus opportunity as a percentage of base salary or status of such executive's job responsibilities from those in effect on the effective date of executive's employment agreement or the most recent anniversary thereof, (ii) relocation by our company of the executive's office to any location not within fifty (50) miles from executive's principal place of employment in New York City as of the effective date of the executive's employment agreement or (iii) our company's material breach of any provision of the executive's employment agreement which is not cured within thirty (30) days after written notice thereof from executive to our company.

Any severance payments to Messrs. Glover, Spillane and Small and Ms. Peña described above under "Termination Without Cause," "Non-Renewal of Employment Agreement," "Termination Due to Death or Disability" and "Termination by Employee with Good Reason" are in consideration of the non-compete provisions contained in such named executive officer's employment agreement.

Each of Messrs. Glover, Spillane and Small is prohibited from, during the term of his employment and for 18 months thereafter, (i) soliciting employees to terminate their employment, (ii) soliciting business from our customers or (iii) ownership of, or employment or consultation with, competing companies. Ms. Peña is prohibited from, during the

term of her employment and for 12 months thereafter, (i) soliciting employees to terminate their employment, (ii) soliciting business from our customers or (iii) ownership of, or employment or consultation with, competing companies.

Change in Control

If any of Messrs. Glover, Spillane or Small or Ms. Peña is terminated within two years after any “change of control” (as defined below), either by the executive for “good reason” or by our company or its successor without “cause,” the executive will be paid a lump sum payment equal to two times such executive’s base salary and bonus (in the case of Messrs. Glover, Spillane and Small) or one time such executive’s base salary and bonus (in the case of Ms. Peña). The executive will also be entitled to participate in all benefit plans during such executive’s severance period. Unvested shares or options held by each executive would accelerate as described above under “Termination by Employee with Good Reason” or “Termination Without Cause,” as applicable.

For Messrs. Glover, Spillane and Small and Ms. Peña, a “change of control” is defined as: (i) any person (as such term is used in Section 13(d) of the Exchange Act), other than Dr. Phillip Frost, any member of his immediate family, and any “person” or “group” (as used in Section 13(d)(3) of the Exchange Act) that is controlled by Dr. Frost or any member of his immediate family, any beneficiary of the estate of Dr. Frost, or any trust, partnership, corporate or other entity controlled by any of the foregoing, becomes the “beneficial owner” (as determined pursuant to Rule 13d-3 of the Exchange Act), directly or indirectly, of securities of our company representing more than thirty-five percent (35%) of the aggregate voting power of our company’s then outstanding securities, other than by acquisition directly from our company; (ii) there has been a merger or equivalent combination involving our company after which forty-nine percent (49%) or more of the voting stock of the surviving corporation is held by persons other than former shareholders of our company; (iii) during any period of two consecutive years, individuals who at the beginning of such period were members of our board of directors cease for any reason to constitute at least a majority thereof (unless the appointment, election, or the nomination for election by our stockholders, of each director elected during such consecutive two-year period was approved by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of such period); or (iv) our company sells or disposes of all or substantially all of its assets.

Also, certain of our option and restricted stock agreements contain clauses that provide that in the event of a change in control of our company, or upon the death or disability of the grantee or upon the termination of the grantee without cause or for good reason, all stock options or shares of restricted stock under such an agreement become fully vested. The unrealized value of in-the-money unvested stock options and unvested restricted stock subject to accelerated vesting are shown below as potential payments to the named Executive Officers.

The following table quantifies for each named executive officer the estimated potential severance payments and benefits that would be provided, if each termination circumstance set forth below occurred on March 31, 2018.

With respect to option awards, the estimated amount of benefit was calculated by multiplying the number of options that would accelerate vesting upon the termination circumstance indicated by the difference between the closing price of our common stock on March 29, 2018, which was \$1.24, and the exercise price of the stock option.

(3) This column shows a benefit for each of Messrs. Lampen, Glover, Spillane and Small and Ms. Peña due to the accelerated vesting of option awards and restricted stock awards granted to each such named executive officer.

Pay Ratio Disclosure

Pursuant to Item 402(u) of Regulation S-K and Section 953(b) of the Dodd-Frank Act, presented below is the ratio of the annual total compensation of Richard J. Lampen, our chief executive officer, to the annual total compensation of our median employee (excluding the chief executive officer).

The ratio presented below is a reasonable estimate calculated in a manner consistent with Item 402(u). The SEC's rules for identifying the median employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their employee populations and compensation practices. As a result, the pay ratio reported by other companies may not be comparable to the pay ratio reported below, as other companies have different employee populations and compensation practices and may utilize different methodologies, exclusions, estimates, and assumptions in calculating their own pay ratios.

We identified our median employee from all full-time, part-time, and temporary workers who were included as employees on our payroll records as of a determination date of March 31, 2018, based on fiscal 2018 base salaries (excluding the chief executive officer). For employees hired during the year, their compensation was annualized to reflect a full year of wages. For international employees, their pay was converted to US dollar equivalents using exchange rates as of the determination date.

The fiscal 2018 annual total compensation as determined under Item 402 of Regulation S-K for our chief executive officer was \$200,000, as reported in the Summary Compensation Table of this proxy statement. The fiscal 2018 annual total compensation as determined under Item 402 of Regulation S-K for our median employee was \$98,000. The ratio of our chief executive officer's annual total compensation to our median employee's annual total compensation for fiscal year 2018 is 2 to 1.

Our board of directors believes that compensation for our non-employee directors should be a combination of cash and equity-based compensation. Employee directors are not paid for their service on the board of directors and only receive compensation as employees.

In December 2008, effective with the 2008 annual meeting, our board of directors approved the payment of annual compensation of our non-employee directors comprised of cash and options granted under our stock incentive plans. In March 2018, our board of directors approved a change in the annual compensation of our non-employee directors by replacing the initial and annual option grants with grants of restricted shares of our common stock. Compensation of our non-employee directors for our 2018 fiscal year was as set forth in the following table:

Type of Compensation	Amount
Annual director retainer (paid quarterly)	\$10,000
Additional annual retainer for committee participants, except chairs (paid quarterly)	\$2,500
Additional annual retainer for committee chairs (paid quarterly)	\$5,000

In May 2018, our board of directors approved (i) the payment of an annual fee of \$25,000 to the lead independent director and (ii) effective as of April 1, 2018, an increase in the annual director retainer from \$10,000 to \$25,000.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Party Policy

Our code of conduct requires us to avoid related party transactions that could result in actual or potential conflicts of interest, except under guidelines approved by our board of directors or audit committee. Related-party transactions are defined as transactions in which:

the aggregate amount involved is expected to exceed \$120,000 in any calendar year;

we or any of our subsidiaries is a participant; and

any (a) executive officer, director or director nominee, (b) 5% or greater beneficial owner of our common stock or (c) immediate family member, of the persons listed in clauses (a) and (b), has or will have a material interest (other than solely as a result of being a director or a less than 10% beneficial owner of another entity).

A conflict of interest can arise when a person takes actions or has interests that may make it difficult for such person to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position. Our audit committee, under its charter, reviews and approves related-party transactions to the extent we enter into such transactions.

The audit committee considers all relevant factors when determining whether to approve a related party transaction, including:

whether the transaction is on terms no less favorable to us than terms generally available to an unaffiliated third-party under the same or similar circumstances; and

the extent of the related party's interest in the transaction.

A director may not participate in the approval of any transaction in which he or she is a related party, but must provide the audit committee with all material information concerning the transaction. Also, we require each of our directors and executive officers to complete a directors' and officers' questionnaire annually that elicits information about related-party transactions. These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

In consideration for such services, we agreed to pay Vector Group an annual fee of \$100,000, plus any direct, out-of-pocket costs, fees and other expenses incurred by Vector Group or Mr. Lampen in connection with providing such services, and to indemnify Vector Group for any liabilities arising out of the provision of the services. The agreement is terminable by either party upon 30 days' prior written notice. During the fiscal year ended March 31, 2018, we paid Vector Group \$108,928 under this agreement. Mr. Beinstein, a director of our company, is also a director of Vector Group and Dr. Frost, a director of ours and our principal shareholder, is a principal shareholder of Vector Group.

Loans from Certain Executive Officers, Directors and Shareholders

In October 2013, we issued an aggregate principal amount of \$2.1 million of unsecured 5% convertible subordinated notes (the "Convertible Notes"). As of March 31, 2018, we had \$50,000 of Convertible Notes outstanding. We used a portion of the proceeds to finance the acquisition of additional bourbon inventory in support of the growth of our Jefferson's bourbon brand. The Convertible Notes bore interest at a rate of 5% per annum and matured on December 15, 2018. The Convertible Notes, and accrued but unpaid interest thereon, were convertible in whole or in part from time to time at the option of the holders thereof into shares of our common stock, par value \$0.01 per share, at a conversion price of \$0.90 per share (the "Conversion Price"). The Convertible Note purchasers included certain related parties of ours, including an affiliate of Dr. Frost (\$500,000), Mr. Andrews (\$50,000), an affiliate of Mr. Lampen (\$50,000), and Vector Group (\$200,000).

In the year ended March 31, 2018, the related party holders of the Convertible Notes described above, converted an aggregate \$804,750 of the outstanding principal and interest balances of their Convertible Notes into 894,167 shares of our common stock, pursuant to the terms of the Convertible Notes.

In August 2015, we entered into amendments (together, the "Amendments") to our Amended and Restated Loan and Security Agreement (the "Amended Loan Agreement") with ACF FinCo I LP ("ACF"). The Amendments provided for a sublimit to our revolving credit facility in the maximum principal amount of \$7.0 million to permit us to acquire aged whiskey inventory (the "Purchased Inventory Sublimit"), subject to certain conditions set forth in the Amended Loan Agreement. The Purchased Inventory Sublimit replaced a term loan of \$2.5 million with the predecessor entity of ACF, which was paid in full in May 2015 in the normal course of business. The interest rate applicable to the Purchased Inventory Sublimit is the rate that, when annualized, is the greatest of (a) the Prime Rate plus 4.25%, (b) the LIBOR Rate plus 6.75% and (c) 7.50%. The Purchased Inventory Sublimit currently bears interest at 7.50%.

ACF required as a condition to entering into an amendment to the Amendments that ACF enter into a participation agreement with certain related parties of ours, including Frost Gamma Investments Trust, an entity affiliated with Dr. Frost (\$150,000), Mark E. Andrews, III (\$50,000), Richard J. Lampen (\$100,000), Brian L. Heller, our general counsel and assistant secretary (\$42,500), and Alfred J. Small, our senior vice president, chief financial officer, treasurer & secretary (\$15,000), to allow for the sale of participation interests in the Purchased Inventory Sublimit and the inventory purchased with the proceeds thereof. The participation agreement provides that ACF's commitment to fund each advance of the Purchased Inventory Sublimit will be limited to seventy percent (70%), up to an aggregate maximum principal amount for all advances equal to \$4.9 million. Under the terms of the participation agreement, the participants receive interest at the rate of 11% per annum. We are not a party to the participation agreement. However, we and our wholly-owned subsidiary, Castle Brands (USA) Corp. ("CB-USA"), are party to a fee letter with the junior participants (including the related party junior participants) pursuant to which we and CB-USA were obligated to pay the junior participants a closing fee of \$18,000 on the effective date of the Amendment and are obligated to pay a commitment fee of \$18,000 on each anniversary of the effective date until the junior participants' obligations are terminated pursuant to the participation agreement. During the fiscal year ended March 31, 2018, we paid the following amounts of principal to related parties under the participation agreement: an affiliate of Dr. Frost (\$41,500), Mr. Andrews (\$13,833), an affiliate of Mr. Lampen (\$27,667), Mr. Heller (\$11,758) and Mr. Small (\$4,150).
