Item 1.01 Entry into a Material Definitive Agreement.

On May 8, 2018, Xenon Pharmaceuticals Inc. (the “Company”) entered into an at-the-market equity offering sales agreement (the “Sales Agreement”) with Stifel, Nicolaus & Company, Incorporated (“Stifel”) to sell common shares of the Company having aggregate sales proceeds of up to \$30,000,000, from time to time, through an “at the market” equity offering program under which Stifel will act as sales agent.

Under the Sales Agreement, the Company will set the parameters for the sale of common shares, including the number of common shares to be issued, the time period during which sales are requested to be made, limitation on the number of common shares that may be sold in any one trading day and any minimum price below which sales may not be made. Subject to the terms and conditions of the Sales Agreement, Stifel may sell the shares by methods deemed to be an “at the market offering” as defined in Rule 415(a)(4) promulgated under the Securities Act of 1933, as amended, including sales made directly on The Nasdaq Global Market, or on any other existing trading market for the common shares. In addition, with the Company’s prior written approval, Stifel may also sell shares by any other method permitted by law, including in negotiated transactions. Stifel will use commercially reasonable efforts in conducting such sales activities consistent with its normal trading and sales practices, applicable state and federal laws, rules and regulations and the rules of The Nasdaq Stock Market LLC. The Sales Agreement may be terminated by the Company upon written notice to Stifel for any reason or by Stifel upon written notice to the Company for any reason or at any time under certain circumstances, including but not limited to the occurrence of a material adverse change in the Company. Under the terms of the Sales Agreement, the Company may also sell shares to Stifel acting as principal for Stifel’s own account at prices agreed upon at the time of sale.

The Sales Agreement provides that Stifel will be entitled to compensation for its services of up to 3.0% of the gross sales price per common share of all common shares sold through Stifel under the Sales Agreement. The Company has no obligation to sell any common shares under the Sales Agreement, and may at any time suspend solicitation and offers under the Sales Agreement. The Sales Agreement contains customary representations, warranties and agreements by the Company, indemnification obligations of the Company and Stifel, other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Sales Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties.

The shares will be issued pursuant to the Company’s effective shelf registration statement on Form S-3 (File No. 333-208376) (the “Registration Statement”), declared effective by the Securities and Exchange Commission (the “SEC”) on January 5, 2016. The Company intends to file a prospectus supplement with the SEC on or about May 8, 2018 in connection with the offer and sale of the common shares pursuant to the Sales Agreement.

The foregoing description of the Sales Agreement is not complete and is qualified in its entirety by reference to the full text of such agreement, a copy of which is filed herewith as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The legal opinion of McCarthy Tétrault LLP relating to the common shares being offered is filed as Exhibit 5.1 to this Current Report on Form 8-K.

This Current Report shall not constitute an offer to sell or the solicitation of an offer to buy the securities discussed herein, nor shall there be any sale of such securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
