April 28, 2015

We are providing this Proxy Statement to the shareholders of Cheviot Financial Corp. in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Shareholders. The Annual Meeting will be held on Tuesday, April 28, 2015, at 3:00 p.m. Eastern Daylight Savings Time at Cheviot Savings Bank, 3723 Glenmore Avenue, Cheviot, Ohio 45211. The Notice of Annual Meeting of Shareholders, this Proxy Statement, the accompanying proxy card, and our Annual Report to Shareholders for the year ended December 31, 2014 are first being made available for shareholders on or about March 12, 2015 to our shareholders of record on March 4, 2015.

INFORMATION ABOUT THE NOTICE OF INTERNET AVAILABILITY OF PROXY MATERIALS

Instead of mailing a printed copy of our proxy materials, including our 2014 Annual Report to Shareholders and our Proxy Statement, to each shareholder of record, we have decided to provide access to these materials in a fast and efficient manner via the Internet. This reduces the amount of paper necessary to produce these materials, as well as the costs associated with mailing these materials to all stockholders. On March 12, 2015, we began mailing a Notice of Internet Availability of Proxy Materials (the "Notice") to shareholders of record as of March 4, 2015, and we posted our proxy materials on the website referenced in the Notice ([www.envisionreports.com/CHEV](http://www.envisionreports.com/CHEV)). As more fully described in the Notice, shareholders may choose to access our proxy materials on the internet or may request a printed set of our proxy materials. In addition, the Notice and website provide information regarding how you may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. For those who previously requested printed proxy materials or electronic materials on an ongoing basis, you will receive those materials as you requested.

Proxy Voting

Your vote is important. Please vote your proxy promptly so your shares can be represented, even if you plan to attend the annual meeting. You can vote by Internet, by telephone, or by requesting a printed copy of the proxy materials and using the enclosed proxy card. The Notice provided to you contains the necessary codes to vote online or by telephone. If you wish to vote via the Internet, please go to [www.envisionreports.com/CHEV](http://www.envisionreports.com/CHEV). If you wish to vote by telephone, please call using a touch-tone phone and follow the prompted instructions. You may also vote by mail by requesting a paper proxy card using the instructions provided in the Notice. Finally, you may vote in person at the Annual Meeting.

#### Affirmative Determinations Regarding Director Independence and Other Matters

Based on information supplied to it by the directors, the Board of Directors has determined each of the following directors to be an “independent director” as such term is defined in the NASDAQ Marketplace Rules:

Steven R. Hausfeld  
Robert L. Thomas

J. David Rosenberg  
James E. Williamson

In this proxy statement these four directors are referred to individually as an “Independent Director” and collectively as the “Independent Directors.” The Independent Directors constitute a majority of the Board of Directors. Mr. Reitzes is not independent as he is an executive officer of Cheviot Financial Corp. and Cheviot Savings Bank. Although Mr. Smith is not an employee of Cheviot Financial Corp. and Cheviot Savings Bank or any of its affiliates, Mr. Smith is determined not to be independent because of a family relationship; Mr. Smith is the father of Scott T. Smith, our Chief Financial Officer and the Chief Financial Officer of Cheviot Savings Bank.

The Board of Directors has also determined that each member of the Audit Committee of the Board meets the independence requirements applicable to that committee prescribed by the NASDAQ Marketplace Rules, the Securities and Exchange Commission and the Internal Revenue Service.

In determining the independence of our directors, we considered our relationships with these individuals, which consist of making loans to our directors. We will originate mortgage loans secured by the borrower’s residence to our employees, executive officers and directors. All of these loans are made in accordance with applicable banking regulations. All employee and director loans must be approved by the Board of Directors.

#### Leadership Structure of the Board

Our Board of Directors is chaired by Robert L. Thomas, who is a non-executive director. This structure ensures a greater role for the independent directors in the oversight of Cheviot Financial Corp. and Cheviot Savings Bank and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of the Board. The board recognizes that depending on the circumstances, other leadership models might be appropriate. Accordingly, the board periodically reviews its leadership structure. The Board of Directors has an active role, as a whole and also at the committee level, in overseeing management of the Company’s risks. The Board of Directors regularly reviews information regarding the Company’s credit, liquidity and operations, as well as the risks associated with each. The Bank’s Compensation Committee is responsible for overseeing the management of risks relating to the Company’s and Bank’s executive compensation plans and arrangements. The Audit Committee oversees independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain tasks and overseeing the management of such risks, the entire Board of Directors is regularly informed about such risks.

## Board and Committee Meetings

We have six directors and the following three committees: (1) Audit Committee, (2) Nominating Committee, and (3) Compensation Committee. The Board of Directors has the responsibility for establishing broad corporate policies and for our overall performance, although it is not involved in the day-to-day operating details. Directors are kept informed of our business by various reports and documents sent to them, as well as by operating and financial reports presented at Board and Committee meetings by the Chief Executive Officer and other officers.

Our directors also serve as the Board of Directors for Cheviot Savings Bank. For the year ended December 31, 2014, the Board of Directors held 12 regular and three special meetings. No director attended fewer than 75%

of the total meetings of the Board of Directors and the committees on which such director served, for the period during which the director was a director.

Audit Committee. The Audit Committee consists of three of the Independent Directors, Messrs. Hausfeld, Thomas and Williamson. The committee is responsible for engaging our independent registered public accounting firm, overseeing our financial reporting process, evaluating the adequacy of our internal controls, reviewing our compliance with federal, state and local laws and regulations, and monitoring the legal and ethical conduct of our management and employees. In addition, the committee reviews our financial affairs, including our capital structure, borrowing limits, financing of corporate acquisitions and the performance of our benefit plans. The Audit Committee membership meets the audit committee composition requirements of the NASDAQ Marketplace Rules. Mr. Hausfeld has been designated as the audit committee's financial expert. Mr. Hausfeld is a Certified Public Accountant. The Audit Committee also serves as the audit committee for the Board of Directors of Cheviot Savings Bank.

The Audit Committee met nine times for the year ended December 31, 2014. Pursuant to applicable regulations, the Audit Committee has adopted a written charter, a copy of which is available on our website [www.cheviotsavings.com](http://www.cheviotsavings.com).

Audit Committee Report. During 2014, Messrs. Hausfeld, Thomas and Williamson served on our Audit Committee, with Mr. Williamson serving as Chair. The Audit Committee operates pursuant to a written charter, which complies with the applicable provisions of the Sarbanes-Oxley Act of 2002 and related rules of the SEC and Nasdaq. The Audit Committee is responsible for overseeing our accounting and financial reporting processes, including the quarterly review and the annual audit of our consolidated financial statements by Clark, Schaefer, Hackett & Co., our independent registered public accounting firm. As part of fulfilling its responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2014 with management and Clark, Schaefer, Hackett & Co. and discussed those matters required by PCAOB Statement on Auditing Standards No. 16 (Communication with Audit Committees), with Clark, Schaefer, Hackett & Co. The Audit Committee received written engagement and independence letters along with other communications required by applicable requirements of the Public Company Accounting Oversight Board from Clark, Schaefer, Hackett & Co.

Based upon the Audit Committee's review of the audited consolidated financial statements and its discussions with management, the internal audit function and our independent registered public accounting firm, the Audit Committee recommended that the Board of Directors include our audited financial statements for the year ended December 31, 2014 in the Annual Report on Form 10-K as filed with the SEC.

This report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such Acts.

Respectfully submitted,

Steven R. Hausfeld  
Robert L. Thomas  
James E. Williamson

Nominating Committee. In 2014, the members of the Nominating Committee were Mr. Hausfeld, Mr. Williamson and Mr. Thomas. Each member of the Nominating Committee is an independent director. The Committee recommends nominees for the election of directors and officers, monitors the performance of the other Board committees, and

informs the Board of shareholder concerns. The Nominating Committee of the Company met one time during 2014. During 2014, the Nominating Committee did not operate under a formal written charter. We do not pay any third party a fee to assist us in identifying and evaluating potential nominees.

The Nominating Committee does not have a policy with regard to diversity in identifying director nominees. As a small community bank, the Nominating Committee considers the comments and recommendations of Board members regarding the qualifications and effectiveness of the existing Board of Directors or additional qualifications

that may be required when selecting new Board members; the requisite expertise and sufficiently diverse backgrounds of the Board of Directors' overall membership composition; the independence of outside Directors and other possible conflicts of interest of existing and potential members of the Board of Directors; and all other factors it considers appropriate. As the holding company for a community bank, the Board of Directors also seeks directors who will strengthen Cheviot Savings Bank's position in its community and can assist Cheviot Savings Bank with business development through business and community contacts.

**Director Nominations Process.** The purpose of the Nominating Committee is to consider both management and shareholder recommended candidates for possible inclusion in our recommended slate of director nominees.

**Minimum Criteria for Candidates.** At a minimum, each candidate must (a) agree to accept the nomination for Board candidacy, (b) meet the standards of independence established by NASDAQ, and (c) meet all other applicable laws, rules, and regulations related to service as a Director.

**Desirable Qualities and Skills.** In addition, the Nominating Committee will consider the following skills and characteristics of candidates: (a) judgment, (b) diversity, (c) experience, (d) skills, (e) accountability and integrity, (f) financial literacy, (g) industry knowledge, (h) other board appointments, and (i) independence. In addition, in determining whether an incumbent director should stand for re-election, the Nominating Committee will consider the director's attendance at meetings, achievement of satisfactory performance and other matters determined by the Board.

**Internal Process for Identifying Candidates.** On a periodic basis, the Nominating Committee solicits ideas for possible candidates from a number of sources – members of the Board; senior level executives; individuals personally known to the members of the Board; and research, including database and Internet searches.

**Compensation Committee.** The Compensation Committee (for purposes of this description, the "Committee") of the Board of Directors has the responsibility for establishing, implementing and continually monitoring adherence with our compensation philosophy. The Compensation Committee ensures that the total compensation paid is fair, reasonable and competitive. The members of the Compensation Committee of the Company are directors Hausfeld, Thomas and Williamson all of whom are independent directors. The Compensation Committee of Cheviot Savings Bank met 12 times during the year ended December 31, 2014.

**Compensation Philosophy and Objectives.** The Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals. The Committee evaluates both performance and current compensation to ensure that we maintain our ability to attract and retain superior employees in key positions. The compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our industry and in our market area.

**Role of Executive Officers in Compensation Decisions.** The Committee makes all compensation decisions for the named executive officers and approves recommendations made by the Chief Executive Officer for other employees. The Chief Executive Officer annually reviews the performance of each one of the named executive officers. The conclusions reached and recommendations made based on these reviews are presented to the Committee. The Committee can exercise its discretion in modifying any recommendation or awards.

**Compensation Components.** For the fiscal year ended December 31, 2014, the principal components of compensation include base salary, performance-based incentive compensation, retirement, stock based incentive plan and other benefits. Pursuant to applicable regulations, the Compensation Committee has adopted a written charter, a copy of which is available on our website [www.cheviotsavings.com](http://www.cheviotsavings.com).

Procedures for the Recommendation of Director Nominations by Shareholders

The Nominating Committee has adopted procedures for the submission of recommendations for director nominees by stockholders. If a determination is made that an additional candidate is needed for the Board of Directors, the Nominating Committee will consider candidates submitted by our stockholders. Stockholders can submit the names of qualified candidates for director by writing to our Corporate Secretary. However, if less than 90 days' notice or prior public disclosure of the date of the meeting is given to shareholders, such written notice must be submitted by a shareholder not later than the tenth day following the day such notice of the meeting was mailed to

shareholders or such public disclosure was made. The Corporate Secretary must receive a submission not less than 90 days prior to the anniversary date of our proxy materials for the preceding year's annual meeting. The submission must include the following information:

the name and address of the stockholder as they appear on our books, and number of shares of our common stock that are owned beneficially by such stockholder (if the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership will be required);

the name, address and contact information for the candidate, and the number of shares of our common stock that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the stockholder's ownership should be provided);

a statement of the candidate's business and educational experience;

such other information regarding the candidate as would be required to be included in the proxy statement pursuant to SEC Regulation 14A;

a statement detailing any relationship between the candidate and us;

a statement detailing any relationship between the candidate and any of our customers, suppliers or competitors;

detailed information about any relationship or understanding between the proposing stockholder and the candidate; and

a statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

A nomination submitted by a stockholder for presentation by the stockholder at an annual meeting of stockholders must comply with the procedural and informational requirements described in "Other Matters and Advance Notice of Business to be Conducted at an Annual Meeting."

**Evaluation of Candidates.** The Nominating Committee will consider all candidates identified through the processes described above and will evaluate each of them, including incumbents, based on the same criteria. If, based on the Nominating Committee's initial evaluation, a candidate continues to be of interest to the Nominating Committee, a member of the Nominating Committee will interview the candidate and communicate such member's evaluation to the other Nominating Committee members. Later reviews will be conducted by other members of the Nominating Committee and our executive officers. Ultimately, background and reference checks will be conducted and the Nominating Committee will meet to finalize its list of recommended candidates for the Board's consideration.

**Timing of the Identification and Evaluation Process.** Our fiscal year ends on December 31. The Nominating Committee usually meets in February or March to consider and determine, among other things, candidates to be included in our recommended slate of director nominees for election by shareholders at the annual meeting.

There have been no material changes to these procedures since they were previously disclosed in our proxy statement for the 2014 Annual Meeting of Shareholders.

**Other Board Committees of Cheviot Savings Bank.** In addition to the committees of the Board of Cheviot Financial Corp., the Board of Directors of Cheviot Savings Bank also maintains a loan committee, risk management committee

and information technology steering committee. The loan committee has the principal responsibility of approving certain loans to be provided by Cheviot Savings Bank in its ordinary course of business. Since Cheviot Financial Corp. does not independently compensate our executive officers, directors or employees, the compensation committee has the principal responsibility for setting and reviewing the compensation benefits provided to officers and employees of Cheviot Savings Bank, who are also employees of Cheviot Financial Corp. The risk management committee has the responsibility to ensure the appropriate policies, procedures and controls are implemented,

maintained and updated to accomplish full compliance with laws and regulations. The information technology steering committee has the responsibility of monitoring the technology environment relating to controls, updates and expansion.

#### Attendance at Annual Meeting of Shareholders

We do not have a policy regarding director attendance at the annual meetings of shareholders. All of our then-current directors attended the prior year's annual meeting of shareholders.

#### Executive Sessions of Non-Management Directors

Our non-management directors meet in executive session without management present from time to time as deemed necessary by the non-management directors, but at least two times per year. Shareholders or other interested parties may communicate with the presiding director or to the non-management directors as a group.

#### Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to our directors, executive officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or other persons performing similar functions. The Code of Ethics requires our directors, executive officers and employees to avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in our best interest. Under the terms of the Code of Ethics, directors, executive officers and employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Ethics.

## Employment and Change in Control Agreements

**Employment Agreement with Mr. Reitzes.** On February 11, 2015, Cheviot Savings Bank entered into an agreement with Mr. Reitzes, through which Mr. Reitzes will serve as President and Chief Executive Officer on an interim basis. The agreement provides that Cheviot Savings Bank will pay Mr. Reitzes an annual salary of \$250,000 and that he is eligible for a grant of 4,054 restricted stock awards which will vest 20% per year. In the event of a change in control of Cheviot Savings Bank followed thereafter by either Mr. Reitzes' termination or his resignation as a result of a material alteration of Mr. Reitzes' job title or responsibilities, Mr. Reitzes will receive a cash payment equal to two times his base salary and the restricted stock awards will vest in full.

**Change in Control Agreements with Messrs. Kappa and Lenzer.** On February 18, 2014, Cheviot Savings Bank entered into amended and restated change in control agreements (the "Agreement" or "Agreements") with each of Messrs. Lenzer and Kappa (the "Executive" or "Executives") to provide benefits to each of them upon a change in control of Cheviot Savings Bank or Cheviot Financial Corp. The agreements supersede their prior change in control agreements. Each Agreement is substantially identical and provides for a three-year term. On each anniversary date of the Agreement's effective date (February 18), the term of the Agreement will renew for an additional year in addition to the then remaining term, unless either party to the Agreement gives written notice of non-renewal to the other. Prior to each anniversary date, the disinterested members of the Board of Directors of Cheviot Savings Bank will conduct a performance evaluation and review of the Executive for purposes of determining whether to extend the Agreement.

If the Executive's employment is terminated in connection with a change in control, and during the term of the Agreement, by Cheviot Savings Bank for other than cause or by the Executive for "good reason," the Executive will be entitled to two times the Executive's base salary and two times the highest level of cash incentive compensation earned by the Executive in any one of the three years preceding the year in which the termination occurs, payable in a lump sum within 10 days of termination. In addition, Cheviot Savings Bank will continue to provide non-taxable medical and dental coverage comparable to the coverage maintained by Cheviot Savings Bank for the Executive prior to the Executive's termination, with the Executive responsible for his share of employee premiums, for 24 months.

Cheviot Savings Bank also entered into a substantially identical amended and restated change in control agreement with Scott. T. Smith, Chief Financial Officer. Cheviot Savings Bank has notified Messrs. Kappa, Lenzer and Smith, that it is not extending the Agreements. Accordingly, the Agreements will terminate February 18, 2017.

## 401(k) Plan

Cheviot Savings Bank maintains the Cheviot Savings Bank 401(k) Retirement Savings Plan which is a qualified, tax-exempt profit sharing plan with a salary deferral feature under Section 401(k) of the Code (the "Code"). Employees who have attained age 21 and have completed one year of employment are eligible to participate. Employees are entitled to enter the 401(k) Plan on the first January 1 or July 1 occurring after the employee becomes eligible to participate in the 401(k) Plan.

Each plan year (a calendar year), Cheviot Savings Bank will contribute to the 401(k) Plan the following amounts: (a) the total amount of the salary reduction a participant elected to defer; (b) in the discretion of Cheviot Savings Bank, a matching contribution equal to a percentage of the amount of the salary reduction a participant elected to defer; and (c) an amount equal to 3% of a participant's plan compensation (generally the sum of a participant's Form W-2 wages and other compensation for the year plus a participant's before-tax contributions to the 401(k) Plan and any other benefit plans of Cheviot Savings Bank, up to a legal limit (which was \$260,000 for 2014)) for the year plus 3% of a

participant's plan compensation for the year in excess of 50% of the Social Security Taxable Wage Base for old-age retirement benefits for the year (\$58,500 for 2014) plus any additional amount that does not match a participant's salary reduction and that is determined by Cheviot Savings Bank in its discretion.

Plan benefits will be paid to each participant in the form of a single cash payment at normal retirement age unless earlier payment is selected. If a participant dies prior to receipt of the entire value of his or her 401(k) Plan accounts, payment will generally be made to the beneficiary in a single cash payment as soon as possible following the participant's death. Payment will be deferred if the participant had previously elected a later payment date. If the beneficiary is not the participant's spouse, payment will be made within one year of the date of death. If the spouse is the designated beneficiary, payment will be made no later than the date the participant would have attained age 70 1/2. Normal retirement age under the 401(k) Plan is age 65. Early retirement age is age 55.

#### Employee Stock Ownership Plan

We implemented the Cheviot Financial Corp. Employee Stock Ownership Plan in connection with our initial public offering in 2004. Employees who are at least 21 years old, who have at least one year of employment with Cheviot Savings Bank and who have completed at least 1,000 hours of service, are eligible to participate. As part of the initial public offering in 2004, the employee stock ownership plan borrowed funds to purchase 357,075 shares of common stock. In connection with the second step conversion of Cheviot Mutual Holding Company in January 2012, the employee stock ownership plan borrowed additional funds from us and used those funds to purchase an additional 187,000 shares of common stock. This second loan is being repaid from Cheviot Savings Bank's discretionary contribution to the plan over a 20 year period. The loan bears interest at a fixed rate of 3.25%. Collateral for both loans is the common stock purchased by the employee stock ownership plan. The first loan has repaid principally from the Cheviot Savings Bank's discretionary contributions to the employee stock ownership plan, with the last loan payment made in December 2013. Shares purchased by the employee stock ownership plan are held in a suspense account for allocation among participants as the loan is repaid.

Contributions to the employee stock ownership plan and shares released from the suspense account are an amount proportional to the repayment of the employee stock ownership plan loan are allocated among employee stock ownership plan participants on the basis of compensation in the year of allocation. Benefits under the plan are 100% vested upon completion of three years of credited service. A participant's interest in his or her account under the plan also fully vest in the event of termination of service due to a participant's early or normal retirement, death, disability, or upon a change in control (as defined in the plan). Vested benefits are payable in the form of common stock and/or cash. Contributions to the employee stock ownership plan are discretionary, subject to the loan terms and tax law limits. Therefore, benefits payable under the employee stock ownership plan cannot be estimated. Under generally accepted accounting principles, Cheviot Financial Corp. will be required to record compensation expense each year in an amount equal to the fair market value of the shares released from the suspense account for the year.

In the event of a change in control, the employee stock ownership plan will terminate and participants will become fully vested in their account balances.

#### Stock Benefit Plans

2013 Equity Incentive Plan. In April 2013, the Company's stockholders approved the Cheviot Financial Corp. 2013 Equity Incentive Plan (the "Equity Incentive Plan"), which provides officers, employees, and directors of Cheviot Financial Corp. and Cheviot Savings Bank with additional incentives to promote the Company's growth and performance. Most of the companies that the Company competes with for directors and management-level employees are public companies that offer equity compensation as part of their overall director and officer compensation programs. By approving the Equity Incentive Plan, the Company's stockholders have given the Company flexibility needed to continue to attract and retain highly qualified officers and directors by offering a competitive compensation program that is linked to the performance of the Company's common stock.

The Equity Incentive Plan authorizes the issuance or delivery of up to 654,500 shares of Cheviot Financial Corp. common stock pursuant to grants of restricted stock awards, incentive stock options, and non-qualified stock options; provided, however, that the maximum number of shares of stock that may be delivered pursuant to the exercise of stock options is 467,500 (all of which may be granted as incentive stock options) and the maximum number of shares of stock that may be issued as restricted stock awards is 187,000.

The Equity Incentive Plan is administered by the members of Cheviot Financial Corp.'s Compensation Committee of the Board of Directors (the "Committee") who are "Disinterested Board Members," as defined in the Equity Incentive Plan. The Committee has the authority and discretion to select the persons who will receive awards; establish the terms and conditions relating to each award; adopt rules and regulations relating to the Equity Incentive Plan; and interpret the Equity Incentive Plan. The Equity Incentive Plan also permits the Committee to delegate all or any portion of its responsibilities and powers.

The Company's employees and outside directors are eligible to receive awards under the Equity Incentive Plan. Awards may be granted in a combination of restricted stock awards, incentive stock options, and non-qualified stock options. The exercise price of stock options granted under the Equity Incentive Plan may not be less than the

fair market value on the date the stock option is granted. Stock options are subject to vesting conditions and restrictions as determined by the Committee. Stock awards under the Equity Incentive Plan will be granted only in whole shares of common stock. All restricted stock and stock option grants will be subject to conditions established by the Committee that are set forth in the award agreement.

2005 Stock-Based Incentive Plan. The Company maintains the 2005 Cheviot Financial Corp. Stock-Based Incentive Plan (the “2005 Equity Incentive Plan”).

### Director Plan

Directors Deferred Compensation Plan. Cheviot Savings Bank adopted, as amended and restated effective January 1, 2005, a directors deferred compensation plan as an additional benefit for its directors. Each person who

was a member of the board on March 31, 2003 became a participant in the plan on such date. Any subsequent member of the board shall become a participant in the plan only if he or she is a member of the Board of Directors on the last day of the first plan year that ends after the date on which he or she completes ten years of service, which such date is designated as his or her participation date in the plan. After becoming a participant under the plan, a person remains a participant until the entire balance of his or her retirement benefit amount under the plan has been paid or forfeited under the terms of the plan.

The plan provides that upon the later of (i) the participant's 65th birthday, or (ii) the earlier of (a) the date on which the participant is no longer a member of the Board of Directors, or (b) the participant's 70th birthday, the participant will be entitled to a retirement benefit in the amount of \$11,400 per year, payable for ten years. A participant will have the right, within 30 days of joining the plan, to elect to be paid the retirement benefit above in the form of a single cash lump sum distribution. If a change in control occurs after the commencement of a participant's retirement benefit, any remaining installment payments will be paid in the form of a single cash lump sum distribution within 30 days following the effective date of the change in control. In the event a participant is entitled to receive the retirement benefit in the form of a single cash lump sum distribution, such benefit will be determined using a discount rate of 7%, compounded annually.

Cheviot Savings Bank recorded an expense of approximately \$17,000 for the directors deferred compensation plan for the year ended December 31, 2014.

A participant shall forfeit the entire balance of his or her account and any right to future payment of a plan benefit if he or she violates certain standards of conduct as set forth in the plan.

#### Certain Transactions With Related Persons

Cheviot Savings Bank's current policy is that no loans are to be extended to directors or executive officers of Cheviot Savings Bank without the approval of Cheviot Savings Bank's Board of Directors. Current directors, officers and employees are eligible for any type of credit offered by Cheviot Savings Bank. Federal regulations permit executive officers and directors to participate in loan programs that are available to other employees, as long as the director or executive officer is not given preferential treatment compared to other participating employees. In accordance with banking regulations, such loans to directors are made on substantially the same terms as those available to Cheviot Savings Bank's employees. Such loans provide for a discount as to interest rate, consistent with the requirements of the Federal Reserve Board's Regulation O. Loans made to directors or executive officers, including any modification of such loans, must be approved by a majority of disinterested members of the Board of Directors. As of December 31, 2014, there were a total of six lending relationships with directors/officers of Cheviot Savings Bank with a total balance of approximately \$1.2 million. The loans made to directors and executive officers were made in the ordinary course of business and did not involve more than a normal risk of collectability. Any future loans made to any directors, executive officers, officers or employees of Cheviot Savings Bank will be made under the same terms and conditions. Set forth below is information regarding certain of the loans made to directors and executive officers during each of the last two fiscal years.

All transactions involving related parties require the approval of full Board of Directors.

Section 402 of the Sarbanes-Oxley Act of 2002 generally prohibits a company from extending credit, arranging for the extension of credit or renewing an extension of credit in the form of a personal loan to an officer or director of the company. There are several exceptions to this general prohibition, including loans made by an FDIC insured depository institution that is subject to the insider lending restrictions of the Federal Reserve Act. All loans to our directors and officers comply with the Federal Reserve Act and the Federal Reserve Board's Regulation O and, therefore, are excepted from the prohibitions of Section 402.

#### PROPOSAL 2 – RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee requests that shareholders ratify the Audit Committee's selection of Clark, Schaefer, Hackett & Co. to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2015. Representatives of Clark, Schaefer, Hackett & Co. will be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and to respond to questions by shareholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF CLARK, SCHAEFER, HACKETT & CO. AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Independent Registered Public Accounting Firm Fees

The following table sets forth the aggregate fees billed to us (or Cheviot Savings Bank) for the years ended December 31, 2014 and 2013 by Clark, Schaefer, Hackett & Co.

	2014	2013
Audit Fees	\$ 118,000	\$ 75,000
Audit Related Fees	75,255	77,000
Tax Fees	21,385	17,850
All Other Fees	40,650	34,840

Audit Fees consist of the aggregate fees billed for each of the last two fiscal years for professional services rendered by our principal accountant for the audit of our annual financial statements and review of financial statements included in our Form 10-Q or services that are normally provided by our accountant in connection with statutory and regulatory filings or engagements for those fiscal years.

Audit-Related Fees consist of fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. This category includes fees related to audit and attest services not required by statute or regulations, acquisitions and investments, and consultations concerning financial accounting and reporting standards.

Tax Fees consist of fees for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal, state and international tax compliance, return preparation, tax audits and customs and duties.

All Other Fees. All other fees include fees incurred in connection with an employee benefit plan audit, audits related to loan sales and regulatory compliance.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the independence of Clark, Schaefer, Hackett & Co. and has concluded that it is.

Pre-approval Policies and Procedures. In accordance with rules adopted by the SEC in order to implement requirements of the Sarbanes-Oxley Act of 2002 and the Audit Committee's charter, all audit and audit-related services and all permitted non-audit work performed by the independent registered public accounting firm, Clark, Schaefer, Hackett & Co., must be pre-approved by the Audit Committee, including the proposed fees for such work. The Audit Committee has adopted policies and procedures pursuant to which audit, audit-related and tax services, and all permissible non-audit services, are pre-approved, and is informed of each service actually rendered that was approved through its pre-approval process. The Audit Committee pre-approved 100% of the audit related fees and tax fees described above during the fiscal years ended December 31, 2014 and 2013.

### PROPOSAL 3 – ADVISORY VOTE ON EXECUTIVE COMPENSATION

The compensation of our Principal Executive Officer and our two other most highly compensated executive officers of the Company (“Named Executive Officers”) is described in “Executive Compensation.” Shareholders are urged to read the Executive Compensation section of this Proxy Statement, which discusses our compensation policies and procedures with respect to our Named Executive Officers.

In accordance with Section 14A of the Exchange Act, shareholders will be asked at the Annual Meeting to provide their support with respect to the compensation of our Named Executive Officers by voting on the following advisory, non-binding resolution:

RESOLVED, that the shareholders of Cheviot Financial Corp. (the “Company”) approve, on an advisory basis, the compensation of the Company's Named Executive Officers described in the Executive Compensation section of the Proxy Statement, the compensation tables and other narrative executive compensation disclosures set forth in that section.

This advisory vote, commonly referred to as a “say-on-pay” advisory vote, is non-binding on the Board of Directors. Although non-binding, the Board of Directors and the Compensation Committee value constructive dialogue on executive compensation and other important governance topics with our shareholders and encourages all shareholders to vote their shares on this matter. The Board of Directors and the Compensation Committee will review the voting results and take them into consideration when making future decisions regarding our executive compensation programs.

Unless otherwise instructed, validly executed proxies will be voted “FOR” this resolution.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE RESOLUTION SET FORTH IN PROPOSAL 3.

Directors, executive officers and greater than 10% shareholders are required by regulations of the SEC to

17

furnish us with copies of all Section 16(a) reports they file. Such reports are filed on Forms 3, 4 and 5 under the Exchange Act. Based solely on our review of the copies of such forms received by us, we believe that during the year ended December 31, 2014, all such persons complied on a timely basis with the filing requirements of Section 16(a).

The notice with respect to stockholder proposals that are not nominations for director must set forth as to each matter such stockholder proposes to bring before the annual meeting: (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting; (ii) the name and address of such stockholder as they appear on Cheviot Financial Corp.'s books and of the beneficial owner, if any, on whose behalf the proposal is made; (iii) the class or series and number of shares of capital stock of Cheviot Financial Corp. which are owned beneficially or of record by such stockholder and such beneficial owner; (iv) a description of all arrangements or understandings between such stockholder and any other person or persons (including their names) in connection with the proposal of such business by such stockholder and any material interest of such stockholder in such business; and (v) a representation that such stockholder intends to appear in person or by proxy at the annual meeting to bring such business before the meeting.

The notice with respect to director nominations must include (i) as to each individual whom the stockholder proposes to nominate for election as a director, (A) all information relating to such person that would indicate such person's qualification under Article II, Section 12 of our Bylaws, including an affidavit that such person would not be disqualified under the provisions of Article II, Section 12 of the Bylaws and (B) all other information relating to such individual that is required to be disclosed in connection with solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, or any successor rule or regulation; and (ii) as to the stockholder giving the notice, (A) the name and address of such stockholder as they appear on Cheviot Financial Corp.'s books and of the beneficial owner, if any, on whose behalf the nomination is made; (B) the class or series and number of shares of capital stock of Cheviot Financial Corp. which are owned beneficially or of record by such stockholder and such beneficial owner; (C) a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such stockholder; (D) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice; and (E) any other information relating to such stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act or any successor rule or regulation. Such notice must be accompanied by a written consent of each proposed nominee to be named as a nominee and to serve as a director if elected.

Nothing in this Proxy Statement shall be deemed to require us to include in our Proxy Statement and proxy relating to an annual meeting any stockholder proposal that does not meet all of the requirements for inclusion established by the Securities and Exchange Commission in effect at the time such proposal is received.

The 2016 Annual Meeting of Stockholders is expected to be held April 26, 2016. Accordingly, advance written notice for certain business, or nominations to the Board of Directors, to be brought before the next annual meeting must be received by our Secretary no earlier than January 27, 2016 and no later than February 5, 2016.
