The Company announced on October 22, 2014 that its Board of Directors has authorized a share repurchase program of up to \$250 million of the Company's common stock.

The timing and number of shares repurchased under the program will be determined by management at its discretion, and will depend on a number of factors, including compliance with the terms of our outstanding indebtedness, general market and business conditions and applicable legal requirements. The share repurchase program is expected to be completed by December 31, 2015. Murphy USA Inc. expects to use existing cash balances to fund the repurchase program.

Such statements are based on the current beliefs and expectations of management and are subject to significant risks and uncertainties. As such, no assurances can be given that these events will occur or that the projections will be attained. Factors that could cause actual results to differ include, but are not limited to, a deterioration in the business or prospects of the U.S. retail marketing business, adverse developments in the U.S. retail marketing business's markets or adverse developments in the U.S. or global capital markets, credit markets or economies generally, the volatility and level of crude oil, corn and other commodity prices, the volatility and level of gasoline prices, customer demand for our products, political and regulatory instability, and uncontrollable natural hazards. For further discussion of risk factors, see our most recent Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, and other filings with the Securities and Exchange Commission.
