2 ©2016 Western Digital Corporation or affiliates. All rights reserved. Forward - Looking Statements This presentation contains forward - looking statements that involve risks and uncertainties, including, but not limited to, statements regarding our product and technology positioning, the anticipated benefits of our new technologies, executing on our integrated strategic plans and realizing our strategic imperatives. Forward - looking statements should not be read as a guarantee of future performance or results, and will not necessarily be accurate indications of the times at, or by, which such performance or results will be achieved, if at all. Forward - looking statements are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in or suggested by the forward - looking statements. Additional key risks and uncertainties include the impact of continued uncertainty and volatility in global economic conditions; actions by competitors; difficulties associated with go - to - market capabilities and transitioning into 3D NAND; business conditions; growth in our markets; and pricing trends and fluctuations in average selling prices. More information about the other risks and uncertainties that could affect our business are listed in our filings with the Securities and Exchange Commission (the “SEC”) and available on the SEC’s website at www.sec.gov , including our most recently filed periodic report, to which your attention is directed. We do not undertake any obligation to publicly update or revise any forward - looking statement, whether as a result of new information, future developments or otherwise, except as otherwise required by law.

8 Acute Focus on Our Integration Plan to Realize Value ©2016 Western Digital Corporation or affiliates. All rights reserved. Our management team is laser - focused on integration efforts during this strategic and organizational transformation period WDC - SanDisk Integration Sources of value • Product roadmap rationalization • G&A consolidation • Procurement savings • Vertical integration Annualized Run - rate Savings ~\$500M by 18 months, post - close ~\$1.1B by CY20 WD - HGST Integration Sources of value • Product roadmap rationalization • Site consolidation • G&A consolidation • Procurement savings Annualized Run - rate Savings OpEx | ~\$450M by end of CY17 – ~2/3 by end of CY16 COGS | ~\$350M by end of CY17 – ~1/2 by end of CY16

9 A Management Team Focused on Creating Value ©2016 Western Digital Corporation or affiliates. All rights reserved. On account of the magnitude of the SanDisk and HGST integrations, the Compensation Committee believes it is critically important to incentivize our management team to remain highly focused on integration efforts and retain key employees during this process. A Multi - Year Strategic Evolution • Our Board and management team developed a multi - year strategy to form a global storage solutions company, drive growth, and create long - term value for our shareholders. Execution of our Strategy • Our management team has been executing on this strategy – acquiring HGST in 2012 and SanDisk in 2016, and forming a joint venture with Unis in 2015. Continuing Focus on Successful Integration • The Board approved expanded roles and promotions for key management team members that showed exceptional leadership in creating and executing on this transformation and which will position our leadership team to most effectively drive growth and long - term value creation: • Mark P. Long: Promoted to Chief Financial Officer, in addition to his role as EVP and Chief Strategy Officer • Michael D. Cordano: Promoted to President and Chief Operating Officer • Michael C. Ray: Promoted to EVP and Chief Legal Officer and Secretary • Jacqueline M. DeMaria : Promoted to EVP and Chief Human Resources Officer • Steven G. Campbell: Promoted to EVP and Chief Technology Officer • Our management team is laser - focused on successfully executing its integration plan, and the Compensation Committee believes it is important to establish incentive opportunities that drive timely, focused action toward this goal.
