-

Item 7.01. Regulation FD Disclosure.

On July 20, 2014, Coeur Mining, Inc. (the "Company") issued a press release announcing an updated and re-scoped mine plan and preliminary economic assessment for the Company's Palmarejo mine. A copy of the press release is attached as Exhibit 99.1 hereto and is incorporated herein by reference. The Company also posted updated investor presentation materials on its website. The presentation materials may be obtained at www.coeur.com/investors/presentations.

Cautionary Note Regarding Forward-Looking Statements

The information contained or incorporated by reference in this Current Report on Form 8-K and the exhibit attached hereto contain forward-looking statements within the meaning of securities legislation in the United States and Canada, including, among others, statements regarding the mining profile at Palmarejo and Guadalupe, expected mining rates, grades, tonnage and margins, estimated revenues, cash flow, capital expenditures, costs, process improvements, recovery rates, exploration results, expansion and improvement of operations and the ability to upgrade resources to reserves and extend mine life.

Such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause Coeur's actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. The risks and hazards inherent in the mining business (including risks inherent in developing large-scale mining projects, environmental hazards, industrial accidents, weather or geologically related conditions), changes in the market prices of gold and silver and a sustained lower price environment, the uncertainties inherent in Coeur's production, exploratory and developmental activities, including risks relating to permitting and regulatory delays, ground conditions, grade variability, any future labor disputes or work stoppages, the uncertainties inherent in the estimation of gold and silver ore reserves, changes that could result from Coeur's future acquisition of new mining properties or businesses, reliance on third parties to operate certain mines where Coeur owns silver production and reserves and the absence of control over mining operations in which Coeur or its subsidiaries hold royalty or streaming interests and risks related to these mining operations including results of mining and exploration activities, environmental, economic and political risks of the jurisdiction in which the mining operations are located, the loss of any third-party smelter to which Coeur markets silver and gold, the effects of environmental and other governmental regulations, the risks inherent in the ownership or operation of or investment in mining properties or businesses in foreign countries, Coeur's ability to raise additional financing necessary to conduct its business, make payments or refinance its debt, as well as other uncertainties and risk factors set out in filings made from time to time with the United States Securities and Exchange Commission, and the Canadian securities regulators, including, without limitation, Coeur's most recent reports on Form 10-K and Form 10-Q. Actual results, developments and timetables could vary significantly from the estimates presented. Readers are cautioned not to put undue reliance on forward-looking statements. Coeur disclaims any intent or obligation to update publicly such forward-looking statements, whether as a result of new information, future events or otherwise. Additionally, Coeur undertakes no obligation to comment on analyses, expectations or statements made by third parties in respect of Coeur, its financial or operating results or its securities.
