## Item 8.01 Other Events

On August 15, 2016, Comstock Resources, Inc. (the "Company") announced an amendment to its previously announced offer to exchange any and all of its existing senior notes for three new series of secured notes and, in the case of the Company's 10% Senior Secured Notes due 2020, warrants exercisable for the Company's common stock, upon the terms and subject to the conditions set forth in the Registration Statement on Form S-4 filed with the Securities and Exchange Commission, as amended and supplemented (the "Exchange Offer"). A copy of the press release announcing Comstock's amendments to its previously announced Exchange Offer is attached hereto as Exhibit 99.1.

Comstock has extended the previously announced Early Tender Date of 5:00 p.m., New York City time, on Friday, August 12, 2016, to the new Early Tender Date of 11:59 p.m., New York City time, on Friday, August 26, 2016, which will also continue to be the Expiration Date for the Exchange Offer. Accordingly, holders who validly tender (and not withdraw) their existing notes prior to the new Early Tender Date will be eligible to receive the Early Exchange Consideration shown below. The amendment to the Exchange Offer also provides for:

## Senior Secured Notes Exchange –

- (i) An increase in the pay in kind interest rate to 12¼% from 11%.
- (ii) An increase in the number of warrants to purchase common stock to 2.75 shares per \$1,000 of notes tendered from 1.5 shares per \$1,000 of tendered notes.

## Unsecured Senior Notes Exchange –

- (i) An increase in the mandatory conversion price to \$10.47 per share over 15 trading days from \$9.24 per share over 10 trading days.
- (ii) An addition of a 61-day notice requirement for any optional conversion that would cause a holder to become an affiliate of the Company.

The Company is also enhancing the collateral that will secure the new notes from what is currently required for the existing senior secured notes. Currently, the Company is required to maintain mortgages for the existing secured notes of at least 80% of the Company's present value of total proved reserves with no requirement with respect to probable drilling locations. The amendment provides that the Company will be required to maintain mortgages for the new secured notes of at least 90% of the Company's present value of total proved reserves and probable operated Haynesville and Bossier undrilled locations. The following table sets forth each series of outstanding notes subject to the Exchange Offer and the revised consideration offered for such series in the Exchange Offer:

Notes to be Tendered	Aggregate Principal Amount Outstanding (in millions)	Early Exchange Consideration per \$1,000 Principal Amount of Notes Tendered by August 26, 2016
10% Senior Secured Notes due 2020	\$700.0	\$1,000 principal amount of Senior Secured Toggle Notes due 2020 and warrants exercisable for 2.75 shares of common stock
7¾% Senior Notes due 2019	\$288.5	\$1,000 principal amount of 7¾% Second Lien Convertible PIK Notes due 2019
9½% Senior Notes due 2020	\$174.6	\$1,000 principal amount of 9½% Second Lien Convertible PIK Notes due 2020

Edgar Filing: COMSTOCK RESOURCES INC - Form 8-K

Accrued and unpaid interest on all tendered notes will be paid in cash upon closing of the Exchange Offer. The closing will occur promptly after the Expiration Date and subject to satisfaction or waiver of the closing conditions, as set forth in the registration statement.

The Exchange Offer is conditioned upon among other matters (i) the holders of (x) 90% of the outstanding principal amount of the existing senior secured notes and (y) 90% of the outstanding principal amount of the existing 2019 notes and 2020 notes (on a combined basis) having tendered and not validly withdrawn their old notes (in each case instead of the previously announced 95% requirement) and (ii) completion of the Exchange Offer by September 15, 2016.

This notice shall not constitute an offer to buy, nor shall there be any sale of these securities, in any jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.
