2005 Management Incentive Program.

On December 7, 2004, the Compensation Committee of the Board of Directors of W.W. Grainger, Inc. (the Company) approved a Management Incentive Program (MIP) for 2005, covering approximately 1,200 Company employees including senior management and other key employees. The summary description of the Company's 2004 MIP set forth as Exhibit 10(xi) to the Company's Annual Report on Form 10-K for the year ended December 31, 2003, which description is incorporated herein by reference, is also an accurate summary description of the Company's 2005 MIP.

Directors Compensation Program.

On December 8, 2004, the Company's Board of Directors approved a new compensation program, effective January 1, 2005, for the members of the Company's Board of Directors who are not Company employees. Under this program, each director will receive an annual retainer of \$60,000 covering all regularly scheduled meetings of the Board and its committees. If additional meetings are held, a per-meeting fee of \$1,500 will be paid to each attending director.

The Chairmen of Board committees will receive annual retainers in the amount of \$10,000 for the Audit Committee Chair and \$7,500 for the other committee Chairs. Other directors will receive an annual retainer of \$5,000 for each committee on which they serve as a member. Directors may elect to defer, in a phantom stock unit account, their chair and committee retainers and the retainers and fees described in the preceding paragraph.

In addition, directors will receive annual deferred stock unit grants. The number of shares covered by each grant will equal \$60,000 divided by the fair market value of a share of Company stock at the time of grant, rounded up to the next ten-share increment. The deferred stock units will be settled on termination of service as a director.
