Notes to Financial Statements

Note 1. Interim Financial Statements

The accompanying interim unaudited condensed financial statements have been prepared in accordance with the instructions to Form 10-QSB and do not include all the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of the management, all adjustments (consisting of normal recurring adjustments) considered necessary for a fair presentation have been included, and the disclosures are adequate to make the information presented not misleading. Operating results for the nine months ended March 31, 2002 are not necessarily indicative of the results that may be expected for the year ending June 30, 2002. These statements should be read in conjunction with the financial statements and notes thereto included in the Annual 10-K Report (filed with the Securities and Exchange Commission) for the year ended June 30, 2001.

Note 2: Investments

On March 7, 2001, the Registrant sold 1,077,800 shares of the common stock it held in its largest investee, Williams Controls, Inc., and on March 12, 2001 the Registrant sold an additional 574,529 shares of Williams Controls, Inc., for a total of 1,652,329 shares, representing all the shares of Williams

Edgar Filing: ENERCORP INC - Form 10QSB

Controls, Inc. common stock owned by the Registrant at the time of this filing. These shares were acquired by the Registrant in transactions between April 1991 and August 1998. The shares were sold in open market transactions through an unaffiliated broker. Upon settlement of the trades, the Registrant received total net proceeds of approximately \$2,424,800. These proceeds were used to pay off the Company's demand loan from a bank with a balance of \$2,141,649 plus accrued interest, and make payments of or toward other debt obligations and payables that the Company had outstanding. The Registrant continues to hold its other principal common stock investments in CompuSonics Video Corporation (10,001,751 shares), Ajay Sports, Inc. (310,785 common and 2,000 preferred shares), ProGolf.com (300,000 common shares) and Pro Golf International, Inc. (7,450 shares), and continues to hold 200,000 warrants in Williams Controls, Inc., which are fully vested at the time of this filing.

Note 3: Capital Stock Transactions

On September 14, 2001, the Registrant entered into a Subscription Agreement with Jack Wen, authorized agent for an investing group of qualified individuals which included Jack Wen ("Wen Group"). Under this Subscription Agreement, on September 26, 2001 upon the first payment, the Wen Group was to purchase 240,000 shares of common stock of the Registrant, representing approximately 26.4% of the Registrant's common stock issued and outstanding

9

following the transaction. These shares were to be purchased for \$1.25 per share, the book value at that time, with aggregate gross proceeds of \$300,000 paid to the Registrant. Under the Subscription Agreement, the Wen Group was committed to make additional equity investments in the Registrant of \$3,000,000 for the purchase of 2,000,000 shares at \$1.50 per share, with \$1,000,000 being invested on or before November 5, 2001 as the second payment; and, in the third payment, \$2000,000,000 was to be invested at \$1.50 per share on or before February 5, 2002. Prior to this transaction, no single shareholder or shareholder group owned more than 10% of the Registrant's issued and outstanding common stock. However, this transaction was not completed. The deal was rescinded, and the stock was never issued.

Note 4: Board of Director Changes Subsequently Rescinded.

Upon the Registrant's receipt of \$300,000 on September 26, 2001, the following changes in the Board of Directors and officers of the Registrant were effected. Under terms of the Subscription Agreement, in addition to Directors Thomas W. Itin and H. Samuel Greenawalt, Jack Wen and George Burmann of the Wen Group were elected to serve as Directors and, additionally, Jack Wen was elected Chairman of the Board, Chief Executive Officer and President and Don Johnson of the Wen Group was elected Treasurer and Chief Financial Officer.

Upon receipt of the first payment of \$300,000 from the Wen Group under the Subscription Agreement, Jack Wen requested that \$240,000 be invested in TIDE, a PRC company headquartered in Shanghai. This investment was completed. However, upon the recession the \$240,000 investment was returned to the Wen group, therefore the investment in TIDE has not been and is not reflected in financial statements.

Note 5

Footnote: Note payable related party

The Registrant has a \$ 27,000 Note Payable to Dearborn Wheel Inc. The interest on the note is 10% per annum. The note is due on March 06, 2002.

Note 6

Edgar Filing: ENERCORP INC - Form 10QSB

Footnote: Note payable

The Registrant has a \$ 30,000 Note Payable to Yueh Yun Chang with no interest. The principal with no interest is due on Jun 12, 2002.

Item 2. Management's Discussion and Analysis of Financial Condition / Results of Operations

Material Changes in Financial Condition:

The Registrant's liquidity is affected primarily by the business success, securities prices and marketability of its investee companies and by the amount and timing of new or incremental investments it makes, as well as the availability of borrowing under the credit line.

10

The Registrant received \$300,000 for the sale of 240,000 shares of the Company's common stock, with commitments for future funding in November 2001 of \$1,000,000 and in February of 2002 of \$2,000,000, as a result of the Subscription Agreement with the Wen Group. As a condition of the Subscription Agreement, \$240,000 of the \$300,000 was invested at the request of the Wen Group in a PRC company, TIDE, leaving the Registrant with a total of \$60,000 cash on hand remaining from the Wen Group's initial investment.

There are no general terms as to how the \$30,000 note will be paid or how the Registrant intends to raise the funds for repayment or how to fund current operations. The Registrant's current plan is to bring in other investors, borrow against collateral or sell a portion of its holdings.

Material Changes in Results of Operations:

The Registrant interest expenses were \$ 666 and \$ 49,046 for the quarter ended March, 2002 and 2001 respectively. The change is due to the payment of Company's demand loan to a bank, therefore, there was no interest expense paid for the quarter ended March, 2002.

The Registrant recorded general and administrative expenses of \$ 338 for this quarter ended March, 2002 compare to general and administrative expenses of \$ 9,140 the quarter ended March, 2001. This change is due to the decrease in company's activity related to such expenses. General and administrative expenses include travel, telephone and other miscellaneous expenses.

The Registrant recorded an unrealized Loss on investments of \$ 139,718 for the third quarter ended March, 2002 compared to a gain of \$ 141,737 for the third quarter ended March 31, 2001. This is mainly due to the changes in investment portfolio and fair market value of the Registrant's investment in the publicly traded companies CompuSonics Video Corporation and Ajay Sports, Inc.

Item 5. Other Information

In early November of 2001, the Wen Group informed Registrant that the second and third payments under the Subscription Agreement would not be forthcoming and the Registrant accepted that conclusion. On November 26, 2001, a Settlement Agreement was signed by the Registrant, Jack Wen, and the investment group that Jack Wen represented to vacate the Subscription Agreement signed on September 14, 2001. In a Settlement Agreement signed and put into effect by Registrant and the Wen Group, funds paid in by the Wen Group were returned less any expenses incurred by the Registrant and less the \$240,000 investment into the PRC company, TIDE. The common stock that was part of the September 14, 2001 Subscription Agreement was not issued. The September 14, 2001 Subscription Agreement was rescinded. A payment of \$30,000 less expenses of \$2,174.50 of the Registrant was returned to the Wen Group and a note for the remaining \$30,000 was executed by the Registrant subject to certain conditions.

In a meeting of the Board of Directors of Registrant, it was resolved that the Subscription Agreement of September 14, 2001 be declared null and void, and that a request be submitted for resignations from the Wen Group officers and directors. Resignations to be requested included Jack Wen as Chairman, Director, President, CEO and COO, Don Johnson as CFO and Treasurer, George Burmann as Director, and Paul Feng as Vice President of Marketing. Further, during this meeting, Thomas W. Itin was elected to fill offices left vacant, with the exception of Vice President of Marketing, due to resignations by members of the Wen Group.
