Amendment of Stock Option Plan

The Registrant hereby amends its Registration Statement on Form S-8 (File No. 333-09245) filed with the Securities and Exchange Commission (the "Commission") on July 31, 1996, relating to the registration of an aggregate of 200,000 shares (after giving effect to the Registrant's 1997 two-for-one stock split) of the Registrant's Common Stock, \$1.00 par value per share (the "Common Stock"), authorized for issuance under the Registrant's 1996 Stock Option Plan for Non-Employee Directors (the "Director Plan"), to reflect the removal of 108,000 shares of Common Stock from the Director Plan and the addition of such shares to its 1996 Equity Incentive Plan (the "Plan"). Pursuant to an amendment to the Plan adopted by the Registrant's shareholders on April 28, 2004, no additional options will be granted under the Director Plan and non-employee directors became eligible to participate in the Plan. The rights and privileges of holders of outstanding options under the Director Plan granted prior to such amendment continue to be governed by the Director Plan. At the time of the amendment, 108,000 shares of Common Stock that previously had been registered for issuance under the Director Plan had not been issued and are hereby being removed from this Registration Statement and carried forward to the Registrant's Registration Statement on Form S-8 filed on the date hereof under the Plan.
