Item 3.02 Unregistered Sales of Equity Securities.

On January 9, 2009 (the “Closing Date”), Central Pacific Financial Corp. (the “Company”) issued and sold, and the United States Department of the Treasury (the “U.S. Treasury”) purchased, (1) 135,000 shares (the “Preferred Shares”) of the Company’s Fixed Rate Cumulative Perpetual Preferred Stock, liquidation preference of \$1,000 per share, and (2) a ten-year warrant (the “Warrant”) to purchase up to 1,585,748 shares of the Company’s voting common stock, no par value (“Common Stock”), at an exercise price of \$12.77 per share, for an aggregate purchase price of \$135 million in cash.

The securities were sold in a private placement exempt from registration pursuant to Section 4(2) of the Securities Act of 1933.

Cumulative dividends on the Preferred Shares will accrue on the liquidation preference at a rate of 5% per annum for the first five years, and at a rate of 9% per annum thereafter, if, as and when declared by the Company’s Board of Directors out of funds legally available therefor. The Preferred Shares have no maturity date and rank senior to the Common Stock with respect to the payment of dividends and distributions and amounts payable upon liquidation, dissolution and winding up of the Company. Subject to the approval of the Board of Governors of the Federal Reserve System, the Preferred Shares are redeemable at the option of the Company at 100% of their liquidation preference, provided, however, that the Preferred Shares may be redeemed prior to the first dividend payment date falling after the third anniversary of the Closing Date (February 15, 2012) only if (i) the Company has raised aggregate gross proceeds in one or more Qualified Equity Offerings (as defined in the letter agreement, dated the Closing Date between the Company and the U.S. Treasury (including the Securities Purchase Agreement—Standard Terms incorporated by reference therein) (the “Purchase Agreement”) and set forth below) in excess of \$33,750,000 and (ii) the aggregate redemption price does not exceed the aggregate net proceeds from such Qualified Equity Offerings.

The U.S. Treasury may not transfer a portion or portions of the Warrant with respect to, and/or exercise the Warrant for more than one-half of, the 1,585,748 shares of Common Stock issuable upon exercise of the Warrant, in the aggregate, until the earlier of (i) the date on which the Company has received aggregate gross proceeds of not less than \$135 million from one or more Qualified Equity Offerings (as defined in the Purchase Agreement and set forth below) and (ii) December 31, 2009. In the event the Company completes one or more Qualified Equity Offerings on or prior to December 31, 2009 that result in the Company receiving aggregate gross proceeds of at least \$135 million, the number of the shares of Common Stock underlying the portion of the Warrant then held by the U.S. Treasury will be reduced by one-half of the shares of Common Stock originally covered by the Warrant. For purposes of the foregoing, “Qualified Equity Offering” is defined as the sale and issuance for cash by the Company to persons other than the Company or any Company subsidiary after the Closing Date of shares of perpetual preferred stock, Common Stock or any combination of such stock, that, in each case, qualify as and may be included in Tier I capital of the Company at the time of issuance under the applicable risk-based capital guidelines of the Board of Governors of the Federal Reserve System (other than any such sales and issuances made pursuant to agreements or arrangements entered into, or pursuant to financing plans which were publicly announced, on or prior to October 13, 2008).

The Purchase Agreement pursuant to which the Preferred Shares and the Warrant were sold contains limitations on the payment of dividends on the Common Stock (including with respect to the payment of cash dividends in excess of the Company’s current quarterly cash dividend of \$0.10 per share) and on the Company’s ability to repurchase its Common Stock, and subjects the Company to certain of the executive compensation limitations included in the Emergency Economic Stabilization Act of 2008 (the “EESA”). As a condition to the closing of the transaction, each of Messrs. Ronald K. Migita, Blenn A. Fujimoto, Curtis W. Chinn, Dean K. Hirata and Denis K. Isono, the Company’s Senior Executive Officers (as defined in the Purchase Agreement) (the “Senior Executive Officers”), (i) executed a waiver (the “Waiver”) voluntarily waiving any claim against the U.S. Treasury or the Company for any changes to such Senior Executive Officer’s compensation or benefits that are required to comply with the regulation issued by the U.S. Treasury under the TARP Capital Purchase Program as published in the Federal Register on October 20, 2008 and acknowledging that the regulation may require modification of the compensation, bonus, incentive and other benefit

plans, arrangements and policies and agreements (including so-called “golden parachute” agreements) (collectively, “Benefit Plans”) as they relate to the period the U.S. Treasury holds any equity or debt securities of the Company acquired through the TARP Capital Purchase Program; and (ii) entered into a letter agreement (the “Letter Agreement”) with the Company amending the Benefit Plans with respect to such Senior Executive Officer as may be necessary, during the period that the U.S. Treasury owns any debt or equity securities of the Company acquired pursuant to the Purchase Agreement or the Warrant, as necessary to comply with Section 111(b) of the EESA.
