Explanatory Note

National Grid plc (formerly National Grid Transco plc) is filing this amendment to its Annual Report on Form U5S for the fiscal year ended March 31, 2005 in order to provide the final versions of the financial statements in Supplements A-1 and A-2, as draft versions were inadvertently filed. These final versions differ from the earlier drafts in that they identify the currency as being US dollars rather than UK pounds sterling. They also differ in three other respects: (i) they are labeled as being UK GAAP; (ii) certain reclassifications have been made between line items; and (iii) there are notes to explain consolidation adjustments. These changes do not affect the financial statements of National Grid USA and its subsidiaries, and the financial statements of those companies have not been revised. Except as described above, no changes have been made to the Annual Report.
