CGI completes the purchase of 100 million of its shares from BCE

Montreal, Quebec January 12, 2006 CGI Group Inc. (TSX: GIB.SV.A; NYSE: GIB) and BCE Inc. (TSX, NYSE: BCE) today announced that they have finalized the transaction previously announced on December 16, 2005 whereby CGI would purchase for cancellation 100 million of its class A subordinate shares currently held by BCE at a price of \$8.5923 per share. The purchase price is equal to the volume-weighted average price of the class A subordinate shares on the Toronto Stock Exchange for the 20 trading days preceding December 16, 2005. CGI has financed the acquisition price of \$859,230,000 through cash on hand and utilization of its credit facilities.

Further to today's closing of the transaction, CGI has 297,006,088 class A subordinate shares and 33,772,168 class B shares outstanding. BCE, together with a wholly-owned subsidiary, owns 28,296,525 class A subordinate shares. These 28,296,525 class A subordinate shares represent approximately 9.5% of the outstanding class A subordinate shares, 8.6% of the outstanding class A subordinate shares and class B shares on a combined basis and 4.5% of the voting rights attaching to the outstanding class A subordinate shares and class B shares on an aggregate basis.

The disposition of BCE's stake in CGI is one further result of BCE's continuing review of its asset base. BCE has determined that it is no longer strategically essential for BCE to hold an investment in CGI given that the focus of Bell Canada, a wholly-owned subsidiary of BCE, is on providing network-centric managed services and applications.

BCE and CGI have agreed that their ongoing relationship can be secured through their existing commercial agreements which have been extended until the year 2016. The extension of these agreements reinforces the relationship between BCE and CGI as it provides important sources of recurring revenue for both parties.

CGI's current \$800 million bank facilities have been successfully increased through a bank syndicate by \$200 million to stand at \$1 billion. André Imbeau, Executive Vice-President and Chief Financial Officer of CGI said: "With our current unused credit facilities combined with our cash generation capacity, we maintain our flexibility to support our future growth, while impacting positively our earnings per share. Investing in CGI is the best use of our financial resources."

Edgar Filing: BCE INC - Form 6-K

Following the expiration of a 120-day standstill period from the date hereof, BCE intends to dispose of its remaining 28,296,525 class A subordinate shares in an orderly fashion, with a view to maximizing value for BCE shareholders. BCE has no current intention to acquire additional securities of CGI. However, BCE reserves the right to change its plans and intentions with respect to CGI at any time and BCE may, from time to time, sell or acquire class A subordinate shares (or other securities of CGI) in public or private transactions, subject to the above-mentioned standstill.

As part of this transaction, Michael Sabia, President and Chief Executive Officer of BCE, as well as Lawson Hunter, Executive Vice-President of BCE, have resigned from CGI's board of directors. In addition, the shareholders' agreement dated July 24, 2003 among CGI, BCE and a wholly-owned subsidiary of BCE was terminated as part of the transaction.
