STATEMENT REGARDING CONTROLS AND PROCEDURES

There can be no assurance that our disclosure controls and procedures will detect or uncover all failures to disclose all material information otherwise required to be set forth in our disclosure. Furthermore, a control system, no matter how well designed and operated, can provide only reasonable, not absolute, assurance with respect to the reliability of financial reporting and financial statement preparation. Auditor Independence Policy

Edgar Filing: BCE INC - Form 40-F

BCE's Auditor Independence Policy is a comprehensive policy governing all aspects of BCE's relationship with the external auditors, including:

- establishing a process for determining whether various audit and other services provided by the external auditors affect their independence;
- identifying the services that the external auditors may and may not provide to BCE and its subsidiaries;
- pre-approving all services to be provided by the external auditors of BCE and its subsidiaries; and
- establishing a process outlining procedures when hiring current or former personnel of the external auditors in a financial oversight role to ensure auditor independence is maintained.

5

In particular, the policy specifies that:

- the external auditors cannot be hired to provide any services falling within the prohibited services category, such as bookkeeping, financial information system design and implementation and legal services;
- for all audit or non-audit services falling within the permitted services category (such as prospectus work, due diligence and non-statutory audits), a request for approval must be submitted to the audit committee prior to engaging the external auditors;
- specific permitted services however are pre-approved annually and quarterly by the audit committee and consequently only require approval by the CFO prior to engaging the external auditors; and
- at each regularly scheduled audit committee meeting, a consolidated summary of all fees paid to the external auditors by service type is presented. This summary includes a breakout of fees incurred within the pre-approved amounts.

The Auditor Independence Policy is available in the governance section of BCE's website at www.bce.ca.

In 2010 and 2009, BCE's audit committee did not approve any audit-related, tax or other services pursuant to paragraph (c)(7) (i) (C) of Rule 2-01 of Regulation S-X.
