Your vote is very important. Whether you intend to be present at the meeting or not, you are encouraged to vote, as promptly as possible, over the Internet or by telephone, as instructed in the Notice Regarding the Availability of Proxy Materials or proxy card. Notice of Internet Availability of Proxy Materials: The Company is pleased to take advantage of the United States Securities and Exchange Commission rules that allow issuers to furnish proxy materials to their stockholders via the Internet. These rules allow the Company to provide you with the information you need while lowering the costs and environmental impact associated with printing and mailing proxy materials for the Annual Meeting. Our proxy materials, including our Proxy Statement, 2018 Annual Report on Form 10-K for the fiscal year ended July 31, 2018 and

proxy card, are available on the Internet at <http://www.oildri.com/2018proxymaterials>. On or about October 30, 2018 we will mail to most of our stockholders a notice containing instructions on how to access this proxy statement and our annual report and to vote via the Internet or by telephone.

PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is delivered and solicited on behalf of the Board of Directors of Oil-Dri Corporation of America, a Delaware corporation, in connection with the 2018 Annual Meeting of Stockholders to be held at 9:30 a.m., local time, on Tuesday, December 11, 2018, at The University of Chicago Booth School of Business, Gleacher Center, 450 Cityfront Plaza Drive, Chicago, IL 60611 (the “2018 Annual Meeting”), notice of which accompanies this Proxy Statement, and at any adjournment of the meeting. The Notice Regarding the Availability of Proxy Materials (the “Notice”) is being distributed, and the Notice of Annual Meeting of Stockholders, this Proxy Statement and form of proxy are being made available on the Internet, on or about October 30, 2018. In addition, we encourage you to review our Annual Report on Form 10-K that was filed on October 12, 2018. Our Form 10-K should not be deemed to be part of this Proxy Statement.

As a stockholder, you are invited to attend the 2018 Annual Meeting and are requested to vote on the items of business described in this Proxy Statement. This Proxy Statement includes information that we are required to provide to you under the United States Securities and Exchange Commission (“SEC”) rules, and is designed to assist you in voting your shares. Whenever we refer in this Proxy Statement to the “2018 Annual Meeting,” we are also referring to any meeting that results from an adjournment of the 2018 Annual Meeting. Except as otherwise indicated herein or as the context otherwise requires, references to the “Company,” “we,” “us” or “our” refer to Oil-Dri Corporation of America. On June 28, 2018, the SEC adopted amendments that raise the thresholds in the definition of a “smaller reporting company” (“SRC”), thereby expanding the number of smaller companies eligible to comply with scaled disclosure requirements in several Regulation S-K and Regulation S-X items. Under the new SRC definition, a company with less than \$250 million of public float as of the last business day of its second fiscal quarter qualifies as an SRC and is eligible to take advantage of the scaled disclosures. Oil-Dri met this qualification of an SRC as of January 31, 2018; therefore, this Proxy Statement reflects several of the scaled disclosure requirements.

Commonly Asked Questions and Answers

1. Why am I receiving these materials?

The Notice is being delivered to all stockholders of record as of the close of business on October 15, 2018 (the “Record Date”) in connection with the solicitation of proxies on behalf of our Board of Directors for use at the 2018 Annual Meeting on December 11, 2018.

2. Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to “e-proxy” rules adopted by the SEC, we may furnish proxy materials, including this Proxy Statement and our Annual Report (collectively, “proxy materials”), to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Accordingly, we are mailing the Notice to our stockholders of record and beneficial owners as of the Record Date and making the proxy materials available on the Internet.

3. How can I access the proxy materials over the Internet?

The Notice and proxy card or voting instruction card contain instructions on how to view the proxy materials on the Internet, vote your shares on the Internet, and request electronic delivery of future proxy materials. An electronic copy of this Proxy Statement and Annual Report are available at www.proxyvote.com. If you received a Notice and would like to receive a paper copy of the proxy materials free of charge, please follow the instructions in the Notice.

4. Who is entitled to vote at the 2018 Annual Meeting?

Our Board of Directors has established the close of business on Monday, October 15, 2018, as the Record Date for the 2018 Annual Meeting. Only stockholders of record as of the close of business on the Record Date are entitled to receive notice of, and to vote at, the 2018 Annual Meeting.

Holders of Common Stock are entitled to one vote per share and holders of Class B Stock are entitled to ten votes per share (on a non-cumulative basis for each director to be elected when voting for the election of directors) and vote together without regard to class (except that any amendment to our Certificate of Incorporation changing the number of authorized shares or adversely affecting the rights of holders of Common Stock or Class B Stock requires the separate approval of the affected class as well as the approval of both classes voting together). Holders of Class B Stock are entitled to convert any and all of their shares into Common Stock on a share-for-share basis at any time.

Shares of Class B Stock are also subject to mandatory conversion under certain circumstances. As of the Record Date, 5,172,007 shares of Common Stock and 2,269,238 shares of Class B Stock were outstanding.

Registered Stockholders. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A. (“Computershare”), you are considered the stockholder of record with respect to those shares, and the Notice was provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the 2018 Annual Meeting.

Beneficial Stockholders. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in “street name”, and the Notice was forwarded to you by your broker or nominee, who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares (see questions seven (“How do I cast my vote?”) and ten (“How are broker non-votes and abstentions counted?”) below for more information). Beneficial owners are also invited to attend the 2018 Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the 2018 Annual Meeting unless you follow your broker’s procedures for obtaining a legal proxy. If you request a printed copy of the proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use.

5. What proposals are being voted on at the 2018 Annual Meeting?

Stockholders are being asked to vote upon the following items of business at the 2018 Annual Meeting:

1. the election of nine directors, each to hold office for a one-year term ending at our 2019 Annual Meeting of Stockholders;

2. the ratification of the appointment of Grant Thornton LLP (“Grant Thornton”) as our independent auditor for the fiscal year ending July 31, 2019 (“fiscal 2019”);

and to transact such other business as may properly come before the 2018 Annual Meeting. Our Board of Directors knows of no other items of business that will be presented for consideration at the 2018 Annual Meeting other than those described in this Proxy Statement. In addition, no stockholder proposal or nomination was received prior to the deadline specified in our Amended and Restated By-Laws (“By-Laws”), so no such matters may be brought to a vote at the 2018 Annual Meeting.

6. What are the voting recommendations of the Company’s Board of Directors?

Our Board of Directors recommends that you vote your shares as follows:

•“FOR” the election of each of the nine nominees to the Board of Directors; and

•“FOR” the ratification of the appointment of Grant Thornton as the Company’s independent auditor for fiscal 2019.

7. How do I cast my vote?

If you are a stockholder of record, you may vote in several different ways:

In person at the 2018 Annual Meeting

You may vote in person at the 2018 Annual Meeting. You may also be represented by another person at the meeting by executing a proxy properly designating that person.

By Internet

You may vote using the Internet by submitting your voting instructions at www.proxyvote.com. You should have the Notice or your proxy card available when you go online. If you vote on the Internet, you may also request electronic delivery of future proxy materials. Internet voting for stockholders of record will be available until 11:59 p.m., Eastern Time, on December 10, 2018.

By telephone

You may vote by requesting a paper copy of the proxy materials, which will include a proxy card, and then calling the telephone number on the proxy card. Please have your proxy card in hand when you call and use any touch-tone phone to transmit your voting instructions. Telephone voting for stockholders of record will be available until 11:59 p.m., Eastern Time, on December 10, 2018.

By mail

You may vote by mail by requesting a paper copy of the proxy materials, which will include a proxy card, and then completing, signing, dating and returning the proxy card in the postage-paid envelope provided with the paper copy of the proxy materials.

If you are a beneficial stockholder (see question four (“Who is entitled to vote at the 2018 Annual Meeting?”) above for more information), you must provide instructions to your bank, broker or other nominee as to how your shares should be voted. Your bank, broker or other nominee will usually provide you with the appropriate voting instruction form at the time you receive this Proxy Statement. The availability of telephone and Internet voting for beneficial owners of shares held in “street name” will depend on your bank, broker or other nominee. We recommend that you follow the voting instructions on the materials you receive from that entity. To vote in person at the 2018 Annual Meeting, you must obtain a legal proxy from your bank, broker or other nominee and present it to the Inspector of Election with your ballot. Your shares may be voted even if you do not provide voting instructions because banks, brokers and nominees generally have the authority under New York Stock Exchange (“NYSE”) rules to vote on “routine matters.” The proposal to ratify the appointment of our independent auditor is considered a routine matter, and the election of directors is considered a non-routine matter.

Unless you decide to change your vote, use only one method to send us your vote. If you requested a printed set of the proxy materials and voted by telephone or by Internet, you do not have to return your proxy card or voting instruction form. Even if you plan to attend the 2018 Annual Meeting, we recommend that you vote your shares in advance so that your vote will be counted if you later decide not to attend the meeting.

If no contrary instructions are indicated in the proxy, each proxy will be voted "FOR" the election of the nine nominees to our Board of Directors named below and "FOR" the ratification of the appointment of Grant Thornton as our independent auditor for fiscal 2019. In their discretion, the named proxy holders are authorized to vote on any other matters that may properly come before the 2018 Annual Meeting.

8. Can I change my vote?

Yes, if you vote by proxy, you may revoke that proxy at any time before it is voted at the 2018 Annual Meeting. If you are the stockholder of record, you may do this by:

- voting again on the Internet or by telephone prior to 11:59 p.m., Eastern Time, on December 10, 2018;
- signing another proxy card with a later date and delivering it to Broadridge Financial Solutions, Inc., 51 Mercedes Way, Edgewood, New York 11717, prior to the 2018 Annual Meeting; or
- attending the 2018 Annual Meeting in person and delivering your proxy or casting a ballot.

If you are a beneficial stockholder and you have instructed your bank, broker or other nominee to vote your shares, you may revoke those instructions by following the directions received from your bank, broker or other nominee to change those instructions.

9. What constitutes a quorum at the 2018 Annual Meeting?

A majority of all outstanding shares of Common Stock and Class B Stock entitled to vote at the 2018 Annual Meeting constitutes a quorum, which is the minimum number of shares that must be present or represented by proxy at the 2018 Annual Meeting to transact business. Once a share is represented for any purpose at the 2018 Annual Meeting, it will be deemed present for quorum purposes for the remainder of the meeting (including any meeting resulting from an adjournment of the 2018 Annual Meeting, unless a new record date is set).

10. How are broker non-votes and abstentions counted?

A broker non-vote occurs when shares held as of record by a broker are not voted with respect to a particular proposal because the broker does not have discretionary authority to vote on the matter and has not received voting instructions from its clients. If your broker holds your shares as of record in its name and you do not instruct your broker how to vote, your broker will only have discretion to vote your shares on "routine" matters. Where a proposal is not "routine," a broker who has not received instructions from its clients does not have discretion to vote its clients' uninstructed shares on that proposal. At the 2018 Annual Meeting, the only routine matter is the proposal to ratify the appointment of our independent auditor. Therefore, absent directions from you, your broker will not have discretion to vote on the election of directors.

Broker non-votes and abstentions by stockholders from voting will be counted towards determining whether or not a quorum is present at the 2018 Annual Meeting. However, because broker non-votes and abstentions are not voted affirmatively or negatively, they will have no effect on the approval of any of the proposals, except (i) as to routine matters for which brokers exercise their discretion as discussed above and (ii) abstentions with respect to proposals that require an affirmative majority of the votes present at the 2018 Annual Meeting or represented by proxy, which have the same legal effect as a vote against the proposal as described below.

11. How many votes are needed to approve the proposals?

A director may only be elected by a plurality of votes cast. Accordingly, we count proxies and ballots marked for all nominees listed (including executed proxies submitted by stockholders who request to receive paper copies of the proxy materials that are not marked regarding the election of directors, which will be voted for all listed nominees), or those voting for some but not all nominees that specify votes withheld for one or more designated nominees, to determine the total number of votes cast for each nominee. The nine nominees who receive the largest number of votes will be elected. Shares for which authority is withheld to vote for director nominees and broker non-votes have no effect on the outcome of the election of directors.

An affirmative majority of the votes present at the 2018 Annual Meeting or represented by proxy is necessary for ratification of the appointment of Grant Thornton as our independent auditor for fiscal 2019. Any abstention by those present or represented by proxy has the same legal effect as a vote against this proposal. Because the proposal for ratification of the appointment of Grant Thornton as our independent auditor for fiscal 2019 is considered a routine matter under the rules of the NYSE, banks, brokers and other nominees are able to vote on this matter even if no voting instructions are provided by the beneficial owner.

12. Who will count the vote?

We have retained Broadridge Financial Solutions, Inc. (“Broadridge”) to tabulate the vote and act as Inspector of Election. Information about Broadridge is available at www.broadridge.com. Proxies and ballots that identify the votes of individual stockholders are kept confidential from the Company’s management and directors. Only Broadridge, as the proxy tabulator and Inspector of Election, has access to the ballots, proxy cards and voting instruction forms. Broadridge will disclose information taken from the ballots, proxy cards and voting instruction forms only in the event of a proxy contest or as otherwise required by law.

13. Where can I find the voting results of the 2018 Annual Meeting?

We intend to announce preliminary voting results at the 2018 Annual Meeting. Within four business days following the adjournment of the 2018 Annual Meeting, we intend to disclose the final voting results of each proposal being voted on at the 2018 Annual Meeting in a Current Report on Form 8-K.

14. How does a stockholder propose actions for consideration at next year’s annual meeting of stockholders?

For your proposal to be considered for inclusion in our proxy statement for next year’s annual meeting, we must receive your written proposal no later than July 1, 2019. Your proposal should be addressed to the Corporate Secretary, Oil-Dri Corporation of America, at the Company’s principal executive offices at 410 North Michigan Avenue, Suite 400, Chicago, Illinois 60611-4213. In addition, be aware that your proposal must comply with SEC regulations regarding inclusion of stockholder proposals in company-sponsored proxy materials and other applicable laws. Although our Board of Directors will consider all proposals, it has the right to omit any proposals it is not required to include. Proposals submitted in writing between July 1, 2019 and July 31, 2019 (assuming the meeting is held not more than 30 days from December 11, 2019) may be considered at next year’s annual meeting but will not be included in our proxy statement. All proposals should be addressed to the Corporate Secretary, Oil-Dri Corporation of America, 410 North Michigan Avenue, Suite 400, Chicago, Illinois 60611-4213. In addition, the proposal must satisfy all of the other requirements set forth in our By-Laws and all applicable laws.

15. Can I elect to receive future proxy solicitations via mail or online?

Yes, you may either request to receive printed copies of all future proxy statements, proxy cards and annual reports in the mail or request to receive all such future proxy materials via e-mail or the Internet. If you request to receive all future proxy materials via e-mail or the Internet, you will not receive paper copies of these stockholder communications in the mail. To sign up for electronic delivery, follow the instructions on the form of proxy card under the heading “ELECTRONIC DELIVERY OF FUTURE PROXY MATERIALS”

to indicate that you agree to receive or access stockholder communications electronically in future years. If you hold your shares through a bank, broker or other nominee, contact that entity for information as to whether and how you can elect electronic delivery.

16. Why did I receive more than one package of proxy materials?

This means that you have multiple accounts holding shares of Common Stock or Class B Stock. These may include accounts with our transfer agent, Computershare, and accounts with a bank, broker or other nominee. Please complete, sign, date and return (or vote via the Internet or telephone with respect to) each proxy card and voting instruction form that you receive with each package of proxy materials to ensure that all of your shares are voted.

17. Can I receive future proxy statements, annual reports and certain other stockholder information in a single package per household?

If you have elected to receive paper copies of the proxy materials and your household received more than one copy of the Company's Annual Report on Form 10-K and Proxy Statement, and you wish to reduce the number you receive, you may enroll in householding online at www.proxyvote.com or you may check the "yes" box on the proxy card next to the statement "Please indicate if you consent to receive certain future investor communications in a single package per household." By checking this box, you are consenting to the mailing of the proxy statements, annual reports and certain other stockholder information in a single package per household. Please note that each registered stockholder in your household will need to consent to this option in order for the household delivery to take effect for such stockholder's mailings. Despite signing up for household delivery of certain stockholder mailings, the Company will continue to separately mail a proxy card for each registered stockholder account.

You may revoke your consent at any time by calling (866) 540-7095 or writing to Broadridge Financial Solution, Attn: Householding Department, 51 Mercedes Way, Edgewood, NY 11717. If you revoke your consent, the Company will begin sending you individual copies of these documents within 30 days after receipt of your revocation notice.

18. Who may solicit proxies?

Our directors, officers and employees may solicit proxies on behalf of our Board of Directors via mail, telephone, facsimile, e-mail and personal contact. Our directors, officers and employees will receive no additional compensation for soliciting proxies.

19. Who pays for the cost of this proxy solicitation?

We will bear the cost of this proxy solicitation, including reimbursing banks, brokers and other nominees for reasonable expenses of sending out proxy materials to beneficial stockholders.

20. What if I have additional questions not addressed here?

You may call Investor Relations at (312) 321-1515 or e-mail Investor Relations at InvestorRelations@oildri.com.

Proposal 2 - Ratification of Appointment of Independent Auditor

The Audit Committee is directly responsible for the selection, appointment, evaluation and oversight of the independent auditor retained to audit the Company's financial statements. The Audit Committee annually reviews its independent registered public accounting firm's performance and independence from management. In addition, when appropriate, the Audit Committee discusses with the independent registered public accounting firm plans for audit partner rotation as required by the Sarbanes-Oxley Act. During fiscal 2018, the Audit Committee was involved with discussions with the Company's independent auditor regarding the rotation of the lead audit partner to occur in fiscal 2019.

The Audit Committee of the Board of Directors appointed Grant Thornton as the Company's independent auditor for fiscal 2019 at its meeting on October 9, 2018, and has further directed that we submit the appointment of the independent auditor for ratification by the stockholders at the 2018 Annual Meeting. Grant Thornton audited the Company's consolidated financial statements for the fiscal year ended July 31, 2018. A representative of Grant Thornton is expected to be present at the 2018 Annual Meeting and will have an opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

Stockholder ratification of the appointment of Grant Thornton as the Company's independent auditor is not required by the Company's By-Laws or otherwise; however, our Board of Directors is submitting the appointment of Grant Thornton to stockholders for ratification as a matter of responsible corporate practice. If the stockholders fail to ratify the appointment, our Audit Committee will reconsider whether to retain that firm. Even if the appointment is ratified, our Audit Committee in its discretion may direct the appointment of a different independent auditor at any time during the year if our Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF GRANT THORNTON LLP AS INDEPENDENT AUDITOR.

Other Matters Relating to the Independent Auditor

Auditor Fees

The following table shows the aggregate fees for professional services rendered by Grant Thornton for the audit of the Company's annual financial statements for the years ended July 31, 2018 ("fiscal 2018") and July 31, 2017 ("fiscal 2017"), and fees billed during those periods for other services rendered by Grant Thornton.

Type of Fees	2018	2017
Audit fees (1)	\$621,839	\$699,279
Audit-related fees (2)	\$6,680	\$0
Tax fees (3)	\$250,920	\$230,587
All other fees (4)	\$944	\$0

- (1) Audit fees consist of fees for audit services provided in connection with the audit of our annual financial statements and review of our quarterly financial statements and audit services provided in connection with other statutory or regulatory filings. Audit fees for fiscal 2017 reflect fees invoiced by Grant Thornton, after the completion of fiscal 2017, for services provided during such fiscal year.

(2) Audit-related fees in fiscal 2018 related to services in connection with potential acquisitions and other matters.

Tax fees consist of fees for tax compliance and statutory filing preparation (“tax compliance”) and fees for tax planning and advice, both international and domestic (“tax planning”). The tax compliance services consisted

(3) primarily of the preparation of original and amended tax returns, claims for refunds and support during any income tax audit or inquiry. The tax planning services consisted primarily of research and advice regarding the effect of new tax laws and regulations.

(4) All other fees in fiscal 2018 consist of fees for iXBRL tagging of statutory accounts.

Pre-Approval of Independent Auditor Services

No services specifically prohibited by the Sarbanes-Oxley Act of 2002 will be provided to the Company by the independent auditor. The Audit Committee has adopted a policy that requires the Audit Committee or a member of the Audit Committee to pre-approve all engagements with the Company’s independent auditor. These services include audit services, audit-related services and tax services. In accordance with its pre-approval policy, the Audit Committee or its chair pre-approved all services performed by the independent auditor during fiscal 2018.

Other Matters for the Annual Meeting

At this time, our Board of Directors is not aware of any matters not referred to herein that might be presented for action at the 2018 Annual Meeting; however, if any other business should properly come before the meeting, votes may be cast in respect to such matters in accordance with the best judgment of the person or persons acting under the proxies.

CORPORATE GOVERNANCE MATTERS

Controlled Company Status

Our Board of Directors has determined that the Company is a “controlled company” within the meaning of the NYSE Corporate Governance Standards. This determination is based on the fact that Class B Stock having more than 50% of the aggregate voting power of our Common Stock and Class B Stock is owned by Daniel S. Jaffee and the Jaffee Investment Partnership, L.P., a Delaware limited partnership of which Daniel S. Jaffee is a general partner. The remaining three general partners of the Jaffee Investment Partnership, L.P. are all siblings of Daniel S. Jaffee. Daniel S. Jaffee has 11 of the 20 total votes of the general partners.

As a “controlled company” we are entitled to rely on exemptions from the NYSE Corporate Governance Standards that would otherwise require the Company to: (a) have a board of directors the majority of which is comprised of independent directors; (b) have a nominating/corporate governance committee comprised entirely of independent directors; and (c) have a compensation committee comprised entirely of independent directors. From time to time in the past, we have elected to rely on all three of these exemptions. Currently, a majority of our Board of Directors is comprised of independent directors, so we are only relying on exemptions (b) and (c) above.

Director Independence

Our Board of Directors has determined that the directors listed below are independent from our management within the meaning of the NYSE Corporate Governance Standards:

Ellen-Blair Chube Allan H. Selig
 J. Steven Cole Paul E. Suckow
 George C. Roeth Lawrence E. Washow

While our Board of Directors has not adopted any categorical standards for independence, in making these determinations the Board of Directors noted that none of Ms. Chube and Messrs. Cole, Roeth, Selig, Suckow and Washow:

- (a) receives direct compensation from the Company other than director annual retainers and meeting fees paid to current directors;
- (b) has any relationship with the Company or a third party that would preclude independence under the NYSE Corporate Governance Standards; or
- (c) has any other material relationship with the Company and its management.

In the last three years, we have not made any contributions in excess of \$1 million or 2% of our consolidated gross revenues to any tax-exempt organization in which an independent director serves as an executive officer.

Executive Sessions of Non-Management Directors

Non-management directors meet in executive sessions of our Board of Directors in which Mr. Daniel S. Jaffee, a management director, and other members of management do not participate. These sessions are scheduled for non-management directors at all regular meetings of our Board of Directors. Under our Corporate Governance Guidelines, the Chairman of our Audit Committee (currently Mr. Suckow) presides at all executive sessions of non-management and independent directors unless otherwise determined by the directors attending any given executive session.

Board of Directors Committee Membership and Meetings

The following table sets forth the current membership of the committees of our Board of Directors.

Name	Audit	Compensation	Pension Plan	Retirement Plans	Executive
Ellen-Blair Chube		X			
J. Steven Cole	X				X
Daniel S. Jaffee			X*	X*	X*
Joseph C. Miller		X			
Michael A. Nemeroff		X

Allan H. Selig		X*			
Paul E. Suckow	X*		X		
Lawrence E. Washow	X				X
Number of Meetings in Fiscal 2018	4	2	4	4	—

* Chairman

During fiscal 2018, our Board of Directors held five meetings. All directors attended 100% of the aggregate total number of meetings of the Board and committees on which they served with the exception of Messrs. Nemeroff and Selig. All directors attended 100% of the aggregate number of meetings of the committees on which he or she served. Messrs. Nemeroff and Selig each attended 71% of the aggregate total number of meetings of the Board and committees on which they served. While both Messrs. Nemeroff and Selig attended all of meetings of the committees on which they serve, they were unable to attend a special Board meeting called on short notice and one additional Board meeting due to unavoidable conflicts. Since 2010, both directors have attended 100% of the Board meetings and the meetings of the committees on which they have served. Messrs. Nemeroff's and Selig's inability to attend 75% of the Board and committee meetings in fiscal 2018 was an aberration from their otherwise excellent attendance record.

Mr. Richard M. Jaffee was a director and Chairman of the Board, the Pension Committee, the Retirement Plans Committee and the Executive Committee until his death on January 27, 2018. He attended 100% of the aggregate number of meetings of our Board of Directors and the committees on which he served.

Ms. Chube was appointed to the Board of Directors and the Compensation Committee on June 21, 2018. She attended 100% of the meetings of our Board of Directors in fiscal 2018 while she was a director.

Audit Committee

The Audit Committee Charter sets out the duties and responsibilities of our Audit Committee. Those duties include, without limitation:

- selection and appointment of the independent auditor, review of its independence and of other services provided by it, and of the fees and other arrangements regarding its services;
- review with the independent auditor and management of the scope of the audit, and of significant financial reporting issues and judgments;
- review with the independent auditor and management of the annual audited financial statements and of the quarterly financial statements and press releases;
- review with the independent auditor and management of the quality and adequacy of internal controls; and
- preparation of the report required by SEC rules to be included in this Proxy Statement.

A copy of our Audit Committee Charter is available on our website at www.oildri.com and will be provided without charge to any person upon request submitted to Investor Relations, Oil-Dri Corporation of America, 410 North Michigan Avenue, Suite 400, Chicago, Illinois 60611-4213.

Our Board of Directors has determined that each member of our Audit Committee meets the independence and experience requirements of the NYSE. Our Board of Directors also has determined that each member of our Audit Committee is an "audit committee financial expert" within the meaning of SEC rules and that each member meets the accounting or related financial management expertise standard required by NYSE rules.

Compensation Committee

Our Compensation Committee is responsible for review and general oversight of our compensation programs, including all programs in which our executive officers participate. Specifically, our Compensation Committee is responsible for:

- determining the compensation, including benefits, of our Chief Executive Officer ("CEO");

determining the reasonableness of and approving the compensation of our other executive officers as recommended by our CEO (subject to our CEO's authority to make changes in compensation under certain circumstances during the course of a fiscal year);

reviewing and approving the reasonableness of performance measures and payout ranges under our annual incentive plan as these relate to our executive officers (subject to our CEO's authority to make changes to such performance measures and payout ranges under certain circumstances during the course of a fiscal year) and setting payout ranges for our CEO;

administration of our equity incentive plans with assistance from our human resources staff, granting awards under those plans to employees, including our executive officers, and to non-employee directors, and determining whether performance goals for performance awards have been achieved; and

making recommendations to our Board of Directors or stockholders on compensation-related matters.

In carrying out these responsibilities, our Compensation Committee acts on recommendations from and consults with our CEO. In addition, our Compensation Committee retained an executive compensation consultant, Semler Brossy Consulting Group ("Semler Brossy"), during fiscal 2018 to perform a CEO compensation review and provide recommendations regarding a grant of restricted stock to our CEO that was approved in September of 2018.

In conjunction with the Company's management, our Compensation Committee has also assessed the Company's compensation policies and practices for its employees as they relate to the Company's risk management and risk-taking incentives. Our Compensation Committee has concluded that the Company's compensation policies and practices for its employees do not create risks or risk-taking incentives that are reasonably likely to have a material adverse effect on the Company.

As allowed by the "controlled company" exemption from the NYSE Corporate Governance Standards, our Compensation Committee is not comprised entirely of independent directors; two members, Messrs. Miller and Nemeroff, have not been determined by our Board of Directors to be independent directors. As also allowed by this "controlled company" exemption, our Compensation Committee does not have a written charter.

Three members of our Compensation Committee, Ms. Chube and Messrs. Selig and Miller, are non-employee directors within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended, and are authorized to act collectively with respect to awards made under our equity incentive plans to individuals subject to Section 16 of that Act, including our executive officers and directors.

Pension Plan Committee

Our Pension Plan Committee acts as an administrator and named fiduciary of the Oil-Dri Corporation of America Pension Plan and is responsible for the management of the plan portfolio. The committee meets quarterly to conduct a review of the performance of the portfolio and the individual portfolio managers. Two directors are currently on the committee. The committee also includes certain employees of the Company who do not receive additional compensation in connection with their service on the committee.

Retirement Plans Committee

Our Retirement Plans Committee acts as administrator and named fiduciary of the Company's defined contribution retirement plan. One director is currently on the committee. The committee also includes certain employees of the Company who do not receive additional compensation in connection with their service on the committee.

Executive Committee

Our Executive Committee has all of the powers and authority of our Board of Directors in the management of our business and other affairs, subject only to any limitations provided for in our Certificate of Incorporation and our By-Laws (each as amended from time to time) or imposed by applicable law or the NYSE Corporate Governance Standards. Our Executive Committee does not have a written charter. Our Executive Committee did not hold any meetings during fiscal 2018 and historically has only exercised its authority to act on behalf of the Board of Directors in limited circumstances.

Director Nominations

As allowed by the “controlled company” exemption from the NYSE Corporate Governance Standards, we do not have a standing nominating committee or other committee of our Board of Directors performing a similar function. As a “controlled company,” and with six of our nine current directors having served on our Board of Directors for at least 10 years, the Board of Directors believes it is appropriate for the Company not to maintain a separate nominating committee at this time. It has been our practice, as reflected in our Corporate Governance Guidelines, that our Chairman recommends to the entire Board of Directors candidates for nomination to the Board of Directors. Directors Daniel S. Jaffee, Joseph C. Miller and Michael A. Nemeroff, who have not been determined by the Board of Directors to be independent, participate along with the independent directors in the nominating process. Our Board of Directors may also solicit ideas for possible candidates for formal recommendation by the Chairman from a number of sources, including our executives, individuals personally known to members of the Board of Directors and executive search firms.

We also will consider recommendations from stockholders of potential candidates for service on our Board of Directors. Stockholder recommendations of candidates for possible nomination to our Board of Directors must be in writing and must be given either by personal delivery or by United States mail, postage prepaid, to our Corporate Secretary no later than 90 days prior to the anniversary of the filing date of our proxy statement for the preceding year’s annual meeting. The recommendation must set forth the candidate’s name, age, business address and residence address; the candidate’s principal occupation or employment; the number of shares of our Common Stock that are beneficially owned by the candidate; a description of all arrangements or understandings between the stockholder making such recommendation and the candidate and any other person or persons (naming such person or persons) pursuant to which the recommendation is being made by the stockholder; detailed biographical data and qualifications and information regarding any potential conflicts of interest that might prevent or otherwise limit the candidate from serving as an effective member of our Board of Directors; and any other information relating to such candidate that would be required to be disclosed in solicitations of proxies for elections of directors, or would otherwise be required, pursuant to SEC rules. The recommendation must also include the name and address, as they appear in our stock records, of the stockholder making the recommendation; the class and number of shares of our stock beneficially owned by the stockholder and the date such shares were acquired by the stockholder; any material interest of the stockholder in such nomination; any other information that would be required to be provided by a proponent of a stockholder proposal pursuant to SEC rules; and a statement from the recommending stockholder in support of the candidate, references for the candidate and an indication of the candidate’s willingness to serve, if elected.

These director candidate recommendation materials must be sent to the Corporate Secretary at Oil-Dri Corporation of America, 410 North Michigan Avenue, Suite 400, Chicago, Illinois 60611-4213. Properly submitted stockholder recommendations will be given the same consideration and evaluated with the same criteria as internal recommendations.

In evaluating candidates for director, our Board of Directors seeks directors who will best represent the long-term interests of our stockholders. The view of our Board of Directors is that all directors should possess the highest personal and professional ethics, integrity and values. In evaluating the suitability of the candidates, the Board of Directors takes into consideration such factors as it deems appropriate. These factors may include, among other things, issues of character, judgment, independence, age, expertise, diversity of experience, absence of conflicts of interest, length of service and other commitments. Our Board of Directors evaluates these factors, among others, and considers each individual candidate in the context of the current perceived needs of our Board of Directors as a whole and of committees of the Board of Directors. Although we do not have a formal diversity policy, our Board of Directors considers diversity in evaluating candidates for membership to the Board of Directors. As outlined in our Corporate Governance Guidelines, the Board's objective in choosing candidates is to assemble membership for each committee of the Board of Directors and our Board of Directors as a whole that represents diverse viewpoints that will guide the Company effectively in pursuit of its strategic goals.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors does not have a policy regarding the separation of the roles of Chairman of the Board and Chief Executive Officer. Currently the roles are combined, but have been separate in the past. Under our Corporate Governance Guidelines, we believe that this issue is primarily a part of the larger succession planning process and that it is in the best interests of the Company for the Board of Directors to make a specific determination whenever either office becomes vacant or the needs of the Company change.

As noted above under "Executive Sessions of Non-Management Directors," non-management directors meet in executive sessions of our Board of Directors in which Mr. Daniel S. Jaffee, a management director, and other members of management do not participate. These sessions are scheduled for non-management directors at all regular meetings of our Board of Directors. Under our Corporate Governance Guidelines, the Chairman of our Audit Committee (currently Mr. Suckow) presides at all executive sessions of non-management and independent directors unless otherwise determined by the directors attending any given executive session. Our Board of Directors receives regular reports from our CEO, Chief Financial Officer ("CFO"), Chief Operating Officer ("COO") and Chief Development Officer ("CDO") and other members of our senior management regarding areas of significant risk to the Company, including operational, strategic, legal, regulatory and financial risks. Certain risks that are under the purview of a committee are monitored by that committee, which then reports to the full Board of Directors as appropriate. For example, our internal audit function, which identifies and manages a wide area of risk company-wide, reports to both the Audit Committee and senior management, who in turn report significant developments to the full Board of Directors. In addition, under its charter, the Audit Committee discusses with management and our independent auditor our risk assessment and risk management policies, as well as our major financial risk exposures and the steps taken to monitor and control such exposures. Similarly, our human resources staff, which identifies and manages compensation risk company-wide, reports to both the Compensation Committee and senior management, who in turn report significant developments to the full Board of Directors.

Communication with the Board of Directors

Our annual meeting of stockholders provides an opportunity each year for stockholders to ask questions of, or otherwise communicate directly with, members of our Board of Directors. It has been our practice, as reflected in our Corporate Governance Guidelines, that all directors attend in person each annual meeting of stockholders. All but three of the members of the then Board of Directors attended the 2017 annual meeting in person.

In addition, any stockholder or other interested party may communicate in writing with our Board of Directors, our Audit Committee, our non-management directors, or a particular director by sending a letter addressed to: Board of Directors, Audit Committee, Non-Management Directors or a particular director (as applicable) at Oil-Dri Corporation of America, c/o Corporate Secretary, 410 North Michigan Avenue, Suite 400, Chicago, Illinois 60611-4213.

Stockholders may also report concerns anonymously in this manner.

Director Compensation

We seek to provide a competitive compensation program to attract and retain quality non-employee directors. The compensation received by our non-employee directors, other than Richard M. Jaffee (whose consulting agreement is described in the following paragraph), consists of an annual cash retainer of \$20,000 (other than Ms. Chube who received a retainer of \$15,000 reflecting a partial year of service on the Board, as she joined the Board at the second of four regularly scheduled meetings in calendar year 2018) and a \$3,000 fee for each Board or committee meeting attended in person (\$1,500 for attendance by phone). In addition, Mr. Suckow received an annual cash retainer of \$15,000 as Chairman of our Audit Committee and Mr. Selig received an annual cash retainer of \$7,500 as Chairman of our Compensation Committee. Employee directors do not receive additional compensation for their service on our Board of Directors. Mr. Miller also receives a pension benefit under our pension plan earned during his years of service as an employee. Directors are also reimbursed for expenses incurred in connection with their services to the Company and their attendance at meetings.

We had a consulting agreement with Richard M. Jaffee, former chairman of our Board of Directors, that was originally entered into in October 1989 and was amended four times. The initial term of the agreement (as amended) expired on January 31, 2011; however, pursuant to the terms thereof, it automatically renewed for successive one-year periods thereafter unless either party gave the other at least 90 days' prior written notice of termination. No termination notice had been given by either party and thus the last renewal term of the agreement expired with his passing on January 27, 2018. Under the terms of the agreement, Mr. Jaffee performed all assignments given to him from time to time by our Board of Directors or our CEO. He received an annual consulting fee of \$240,000; he did not receive a retainer or any meeting fees as director. We also provided him with an office and administrative support. Mr. Jaffee previously obtained lifetime medical coverage at no cost to him, secondary to the coverage provided by Medicare, under the terms of our Health Care Plan. In addition to that pre-existing benefit, the agreement provided assurances that in the event that our Health Care Plan could no longer cover him for costs above Medicare, we would either purchase coverage (at a cost to us of no more than \$10,000 per year) or pay these additional medical expenses directly as if they would otherwise be covered by the Health Care Plan. We also paid Mr. Jaffee an annuity of \$45,725 annually that he earned during an earlier five years (2001 to 2006) of his consulting agreement. All directors are eligible to defer cash compensation that they receive from the Company into our executive deferred compensation plan. Mr. Jaffee chose to defer the full amount of his consulting fees and his annuity into our executive deferred compensation plan in fiscal 2018. Mr. Jaffee also received a pension benefit under our pension plan earned during his years of service as an employee.

The following table sets forth information about compensation paid to our directors for their service in fiscal 2018.

Other Board Practices

Our Corporate Governance Guidelines fix the director retirement age at 85 at the date of election. In connection with a director reaching such retirement age, the Board of Directors may, from time to time in its discretion, by majority vote, designate such director as a Director Emeritus or, in the case of a former Chairman of the Board, a Chairman Emeritus, in accordance with the terms of the Company's By-Laws. The Board may make an exception to this requirement if it affirmatively determines that a director's skills, experience or other relevant factors merit extended service as a director.

Corporate Governance Guidelines and Code of Ethics

We have adopted Corporate Governance Guidelines and a Code of Ethics and Business Conduct. The Code of Ethics and Business Conduct applies to all of our employees, officers and directors. The Corporate Governance Guidelines and the Code of Ethics and Business Conduct are both available on our website at www.oildri.com. We will also provide without charge a copy of either or both documents to any person upon request submitted to Investor Relations, Oil-Dri Corporation of America, 410 North Michigan Avenue, Suite 400, Chicago, Illinois 60611-4213, telephone (312) 321-1515. As allowed by the “controlled company” exemption from the NYSE Corporate Governance Standards, we do not have a corporate governance committee.

We take pride in being a company that emphasizes high moral and ethical values and conducts business with honesty, integrity and a passion for excellence. Our approach is centered on collaboration, communication, and transparency, and we believe in the value of an open and accessible corporate structure. We have a long history of operating under sound corporate governance practices, including the following:

- ü Annual Election of All Directors.
- ü Confidential Voting.
- ü Non-Management Directors Meet Regularly in Executive Session Without Management.
- ü A Majority of Board is Independent.
- ü Board Meeting Attendance. Most of our directors attended 100% of the meetings of the Board during the fiscal year.
- ü Regular Board and Audit Committee Self-Evaluation Process. The Board and the Audit Committee evaluates their performance each year.
- ü Board Meeting Agenda. All directors may contribute to the agenda for Board meetings.
- ü Qualifications of Audit Committee. All of the Audit Committee members are “financial experts,” as SEC rules define that term.
- ü Special Meetings. Shareholders have the right to call special meetings.
- ü Shareholders May Take Action by Written Consent.
- ü Strong Codes of Ethics. We are committed to operating our business with the highest level of integrity and have adopted a Code of Ethics and Business Conduct that applies to all of our employees, officers and directors.

Certain Relationships and Related Party Transactions

Our policy concerning related party transactions is included in our Code of Ethics and Business Conduct. It provides that every employee, officer and director has an obligation to conduct business in a manner that avoids actual or potential conflicts of interest with the Company. Our Code of Ethics and Business Conduct explains what may constitute a conflict of interest, including transactions in which an employee, officer, director or a member of his or her family receives personal benefits as a result of his or her position with the Company; transactions between the Company and an employee, officer, director or family member or a firm in which an employee, director or family member has a significant ownership interest; loans to, or guarantees of obligations of, employees, directors or family members; or the acceptance of gifts or special consideration related to our business. All employees or directors who have any influence on transactions involving purchases, sales, contracts or leases are required by our Code of Ethics and Business Conduct to disclose to a senior officer of the Company or to our general counsel the existence of any actual or potential conflict of interest. Each transaction is then evaluated at an appropriate management level to determine if it

is in the best interest (or not contrary to the best interest) of the Company, taking into account factors such as whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person's interest in the transaction. In addition, under our contract approval policy, all contracts obligating the Company to make an individual payment or aggregate payments greater than \$100,000 must be reviewed and approved by our CEO.

As a company "controlled" by the family of its founder, from time to time we employ family members of current and former employees or directors, but only if they are at least as qualified as other applicants. All offers of employment made to family members of current employees must be approved by our CEO.

We employ Karen Jaffee Cofsky on a part-time basis as Vice President of Compensation and Benefits. She is the daughter of Richard M. Jaffee, former chairman of our Board of Directors, and the sister of Daniel S. Jaffee, our current Chairman of our Board of Directors and President and CEO of the Company. Mrs. Cofsky's compensation is based on her education, experience and the responsibilities of her position. For fiscal 2018, Mrs. Cofsky received a salary of \$97,367, restricted stock earnings of \$42,760, an annual incentive bonus award of \$27,160 and an executive deferred bonus award of \$10,710 under our annual incentive plan.

Michael A. Nemeroff, a member of our Board of Directors and of its Compensation Committee, is the President and Chief Executive Officer as well as a director and shareholder of Vedder Price P.C., a law firm that regularly provides services to the Company. During fiscal 2018, we paid Vedder Price P.C. \$229,078 for fees and cost reimbursements in connection with services provided to the Company.

George C. Roeth, a member of our Board of Directors, is the President and Chief Executive Officer of Central Garden & Pet Company, which is a customer of the Company. Central Garden was a customer of the Company before Mr. Roeth joined Central Garden and before Mr. Roeth became a member of our Board of Directors. Total net sales to Central Garden and its subsidiaries were \$388,379 in fiscal 2018.

Report of the Audit Committee of the Board of Directors

The Audit Committee is a standing committee of the Board of Directors comprised solely of independent directors in compliance with the NYSE Corporate Governance Standards. In accordance with its written charter (which is available on our website at www.oildri.com), the Audit Committee assists the Board of Directors in fulfilling its responsibility for monitoring the integrity of our accounting, auditing, financial reporting and internal control practices, and our compliance with legal and regulatory requirements.

Our management is primarily responsible for our financial statements and reporting process, including compliance with accounting and financial reporting principles, internal control over financial reporting and disclosure controls and procedures. Grant Thornton, our independent registered public accounting firm, is responsible for auditing our consolidated financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) (the "PCAOB") and for issuing a report on those statements. Grant Thornton is also responsible for expressing an opinion on the effectiveness of our internal control over financial reporting. The Audit Committee oversees the financial reporting process on behalf of the Board of Directors. The Audit Committee relies on the expertise and knowledge of our management, internal auditors and independent auditor in carrying out its oversight responsibilities.

The Audit Committee reviewed and discussed our audited consolidated financial statements and related footnotes for fiscal 2018 and our independent auditor's report on those financial statements with our management and internal audit manager.

Auditing Standard No. 16 adopted by the PCAOB regarding "Communications with Audit Committees" requires certain matters to be discussed between the Audit Committee and the Company's independent registered public accounting firm. The Audit Committee and Grant Thornton has satisfied this requirement.

The Audit Committee has received the written disclosures and the letter from Grant Thornton required by the applicable requirements of the PCAOB regarding the independent auditor's communications with the Audit Committee concerning independence and has discussed with Grant Thornton its independence.

Based on the foregoing, the Audit Committee recommended to the Board of Directors that our audited consolidated financial statements for fiscal 2018 be included in our Annual Report on Form 10-K for fiscal 2018 filed with the SEC.

The amounts reported reflect the grant date fair value of awards computed in accordance with ASC 718. The grant date fair value is the number of shares granted multiplied by the closing price of our Common Stock on the award date. The grant date fair value of an award reflects the accounting expense and may not represent the actual value that will be realized.

(1) There were no option awards granted to the named executive officers during fiscal 2018 or fiscal 2017.

(2) The 2018 amounts reflect: (i) annual incentive awards equal to 110% of target cash bonuses, as adjusted by our CEO for individual performance per the discretionary provisions of our annual incentive plan; (ii) executive

deferred bonuses equal to 110% of target bonus to our named executive officers (other than our CEO), as adjusted by our CEO for individual performance per the discretionary provisions of our annual incentive plan; and (iii) a cash award equal to 110% of target bonus to our CEO intended by our Compensation Committee to be an award comparable to the executive bonus award our CEO would have received had he been a participant in the executive deferred bonus award portion of our annual incentive plan for fiscal 2018. Cash bonuses earned are paid following completion of the specified fiscal year. Executive deferred bonuses are awarded based on performance during the specified fiscal year and generally vest (become payable) according to a vesting schedule established by our Compensation Committee for each fiscal year's award. Executive deferred bonus awards awarded for fiscal 2018 performance are deferred and will be paid in full at the end of three years (July 31, 2021), provided the named executive officer is still employed by us at that time.

(4) The prior year's values in this column have been updated to exclude the change in pension value, as permitted under the scaled disclosure for SRCs. The amounts shown for Mr. Jaffee represents earnings from our executive deferred compensation plan that exceed 120% of the applicable federal rate. The amounts shown for Mr. Lewry represents earnings from our executive deferred compensation plan and the executive deferred bonus portion of our annual incentive plan that exceed 120% of the applicable federal rate. The amounts shown for Mr. McPherson represents earnings from the executive deferred bonus portion of our annual incentive plan that exceed 120% of the applicable federal rate.

(5) The amounts shown in this column for fiscal 2018 are described in the following table:

The bonus represents the sole and final payment to Mr. McPherson under the terms of such bonus program.

Narrative Disclosure to Summary Compensation Table

The Company's NEOs' compensation in fiscal year 2018 was comprised of base salary, an annual performance-based cash incentive award, executive deferred bonus award, retirement benefits, and health and welfare benefits and perquisites. Additionally, the Company maintains a long-term equity incentive plan.

Employment Agreements and Base Salary.

We employ all executives at-will, without written employment agreements or a prospective severance plan. The base salaries of our NEOs are reviewed annually.

Annual Incentive Plan.

The Company's annual incentive plan is comprised of opportunities for performance-based cash incentive awards and executive deferred bonus awards (with the latter available for senior managers, including the Company's executive officers).

At the beginning of each fiscal year, our CEO presents to our Compensation Committee his proposal for the annual performance measures that will determine the calculation of the performance-based cash incentive award for that year, along with specific performance targets and payout ranges. Our Compensation Committee has the general authority to review and determine the reasonableness of the performance measures, targets and payout ranges (and any changes thereto) as they relate to the total compensation of our executive officers. If we do not fully achieve our corporate financial performance target but meet certain financial performance thresholds, a bonus of less than 100% of target bonus may be paid. If we exceed our corporate financial performance target, bonuses above 100% of target may be paid; however, no employee can receive a bonus greater than 200% of target under this plan. Non-exempt employees would earn 100% of target bonus at the threshold level and at the other applicable levels.

The performance measure under the annual incentive plan for fiscal 2018 was our adjusted pre-tax, pre-bonus income as compared with our fiscal 2018 adjusted corporate budget. Our fiscal 2018 corporate financial performance met the threshold for payment of a performance-based cash incentive award and exceeded the target achievement level approved by the Compensation Committee. Our adjusted, pre-tax, pre-bonus income resulted in payment of cash incentive awards equal to 110% of target bonus, as adjusted by our CEO for individual performance per the discretionary provisions of our annual incentive plan.

Our annual incentive plan also provides the opportunity for our senior managers, including our executive officers, to earn an executive deferred bonus award. Our fiscal 2018 corporate financial performance also met the threshold level for earning executive deferred bonus awards and exceeded the approved target achievement level. Our adjusted, pre-tax, pre-bonus income resulted in executive deferred bonus awards to our executive officers (other than our CEO, who has elected not to participate in the executive deferred bonus award portion of the Company's annual incentive plan) for fiscal year 2018 at 110% of target bonus. Executive deferred bonus awards awarded for fiscal 2018 performance are deferred and will be paid in full at the end of three years (July 31, 2021), provided the named executive officer is still employed by us at that time.

Equity Incentive Awards.

During fiscal 2018, none of our named executive officers received an equity incentive award under the terms of the Oil-Dri Corporation of America 2006 Long Term Incentive Plan (the "Long Term Incentive Plan").

Retirement and Other Benefits.

We provide to our executives a defined benefit pension plan and supplemental executive retirement plan, as described below, as well as a defined contribution retirement plan. Additionally, we provide health and welfare benefits, including medical and dental coverage and life and long-term disability insurance, which are available to our executive officers on the same terms as they are available to other employees. We provide limited perquisites to the NEOs to assist them in carrying out their duties. As noted in the "All Other Compensation" column of the Summary Compensation Table, these perquisites may include a car allowance and paid parking.

Compensation Updates Following the 2018 Fiscal Year End

From time to time, the Compensation Committee has engaged a compensation consultant in connection with its compensation decisions. At the end of fiscal 2018, the Compensation Committee engaged Semler Brossy to advise the Committee and provide surveys and other information with respect to the compensation of the Company's CEO. Semler Brossy assisted the Compensation Committee in benchmarking chief executive officer compensation for a peer group of companies comparable to Oil-Dri Corporation of America and assessing the reasonableness and value of an additional equity award (described below).

Following this review and in keeping with the Company's compensation philosophy of providing compensation packages that attract, retain and motivate the people we need to carry out our strategic plan, mission, goals and values, the Compensation Committee undertook the actions described in the paragraphs below.

Although as in past years, our CEO chose not to be a participant in the executive deferred bonus award portion of our annual incentive plan for 2018, following the 2018 fiscal year end, our Compensation Committee considered the dollar value of an executive deferred bonus award that the CEO would have received had he been a participant in that portion of our annual incentive plan as a reference in awarding him a cash award equal to 110% of target bonus in order to provide him with a comparable award. The award fulfills the intention of the Compensation Committee to grant Mr. Jaffee an award equal to the executive deferred bonus award that he would have received had he not chosen to be excluded from that portion of our annual incentive plan for fiscal 2018.

Following the 2018 fiscal year end, our Compensation Committee made a multi-year equity incentive award of 125,000 restricted shares of Class B Stock to our CEO under the terms of our Long Term Incentive Plan. The restricted shares will vest in 25,000 share increments over five years starting on October 19, 2021, provided that Mr. Jaffee is employed by the Company on the vesting dates. Mr. Jaffee received similar sized multi-year awards in 2010 and in 2015. The final shares of the 2015 award vest on October 19, 2020. Under the terms of this grant, if Mr. Jaffee's employment is terminated before the restricted shares vest (other than due to his death, disability, or termination without cause or his termination of his employment for good reason), the restricted shares will be forfeited. Because this award was granted in fiscal 2019, it is not reflected in the Summary Compensation table above for fiscal 2018.

Outstanding Equity Awards at Fiscal 2018 Year End

The following table provides information on the unvested restricted stock held by the named executive officers as of July 31, 2018. None of the named executive officers held any unexercised stock options as of July 31, 2018.

- (1) Market value of our Class B Stock and Common Stock has been calculated using the closing sale price of our Common Stock on July 31, 2018, the last trading day of fiscal 2018, which was \$42.36.
- (2) Restricted shares of Class B Stock that vest in 25,000 share increments subject to performance restrictions no earlier than on each of the five subsequent anniversaries of October 19, 2015.
- (3) Restricted shares of Common Stock that are scheduled to “cliff” vest on April 7, 2019.
- (4) Restricted shares of Common Stock that are scheduled to “cliff” vest on October 19, 2020.

Pension Benefits for Fiscal 2018

Defined Benefit Pension Plan.

All U.S.-based employees participate in our non-contributory, tax-qualified, defined benefit pension plan commencing on the first February 1st or August 1st that follows the date when an employee achieves one year of service and age 21. For salaried employees, including the named executive officers, the pension plan provides for pensions based on credited years of service (capped at 30 years) and Final Average Compensation.

The normal form of benefit is a life annuity with five years certain, payable at normal retirement age. The standard form of payment for a participant who is married is a 50% joint and survivor annuity. Other forms of benefit are available. Each form of benefit has approximately the same relative value. The formula for computation of the normal form of benefit is:

$$(0.55\% \text{ of Final Average Compensation}) + (0.55\% \text{ of Final Average Compensation that exceeds Social Security Covered Compensation}) \times \text{Years of *Credited Service}$$

Final Average Compensation is the monthly average of the participant’s compensation paid during the highest paid consecutive five years during the last 10 years of employment. Compensation for pension plan purposes consists of certain cash compensation, principally base salary and commissions. Social Security Covered Compensation is the average of the taxable wage bases in effect for each calendar year in the 35-year period ending with the year the participant attains Social Security retirement age.

A participant’s right to an accrued benefit becomes non-forfeitable after five years of vesting service. Normal retirement age under the plan is age 65, or the age of the participant when he or she completes five years of vesting service, if later. Salaried participants who have 10 years of service can receive actuarially reduced early retirement benefits as early as age 55. The present value of the accumulated benefit is the same regardless of whether a participant begins to receive benefits at age 65 or at an earlier age. We do not subsidize early retirement benefits. If a married participant with a non-forfeitable benefit dies prior to commencement of benefit payments, the participant’s spouse will be entitled to a survivor annuity equal to the amount the spouse would have been entitled to receive under a 50% joint and survivor annuity.

SERP.

Our SERP provides benefits that would have been provided under our pension plan absent Code limitations on benefits and on compensation for purposes of calculating benefits, offset by the actual pension benefits. All employees whose pension plan benefits are limited by those Code limitations may participate

in the SERP. Daniel S. Jaffee, our CEO, and Mark E. Lewry, our COO, were the only participants in fiscal 2018; however, Mr. Lewry will not be vested in the plan until March 31, 2019. Benefits provided under the SERP are paid in five equal annual installments beginning six months after the participant's separation from service; however, if upon termination of employment the present value of the participant's accumulated benefits does not exceed \$50,000, payment will be made in a lump sum, as soon as administratively feasible after the first day of the calendar month that follows six months of separation from service.

Nonqualified Deferred Compensation for Fiscal 2018

We provide an executive deferred compensation plan in which all executive officers and other senior managers are eligible to participate. Participating executives may defer up to 50% of base salary and 100% of annual cash incentive bonus into the plan. The Company makes no contributions. Executives' deferrals earn interest at a rate equal to our long-term cost of borrowing plus 1%. Participants are entitled to receive a distribution from their account balances at the earlier of the end of their elected deferral period or upon death or termination of employment prior to age 55. Accounts are distributed in a single lump sum, or in certain circumstances, annual installments over a period of up to 15 years as elected by the participant. In the event of an unforeseen emergency, a participant may apply to the administrative committee of the plan for payment of an amount from the participant's account balance sufficient to satisfy the emergency need. The plan will terminate upon a change in control of the Company. Immediately prior to such a change in control, or as soon as possible following a change in control, each participant will be paid his account balance. Our executive deferred compensation plan is unfunded and subject to the claims of our creditors.

Benefits upon Termination or Change in Control

The following summaries and table set forth potential payments to the named executive officers upon termination of their employment or a change in control of the Company. None of the named executive officers meet the qualifications for normal or early retirement benefits, so those termination scenarios are not shown.

We do not have a prospective severance plan that covers any of the named executive officers and generally have no employment or prospective severance agreements with the named executive officers.

Our only other provisions for benefits upon termination of employment or change in control are in existing compensation plans and apply to all participants in those plans.

Our annual incentive plan provides for immediate vesting, as allowed by law, of a participant's executive deferred bonus award account upon the participant's death, disability, or change in control of the Company. Upon retirement, a participant's executive deferred bonus award account shall become immediately vested if the following conditions are met: (i) the participant's age plus years of service is equal to or greater than 80, (ii) the participant is eligible for an immediate benefit from the Company's pension plan and (iii) there is reasonable anticipation of no further services or services of less than 20% of the participant's pre-retirement level to the Company.

Our Incentive Plan and the agreements issued under it provide for immediate vesting of restricted stock and immediate vesting and exercisability of stock options upon a participant's death, disability or a change in control of the Company. Upon retirement, all stock options become immediately vested and exercisable if the following conditions are met: (i) the participant's age plus years of service is equal to or greater than 80, (ii) the participant is eligible for an immediate benefit from the Company's pension plan and (iii) there is reasonable anticipation of no further

services or services of less than 20% of the participant’s pre-retirement level to the Company. Upon any of these termination events, the participant, or his beneficiary in the case of the participant’s death, may exercise any outstanding stock options for a period of three years or until their expiration dates, whichever occurs first. The table below does not include amounts payable to the named executive officers under plans that are generally available on the same basis to all of our salaried employees, such as payments under the pension plan, the 401(k) plan, the life insurance plan, the disability insurance plan and payment of prorated annual incentive compensation. For information regarding pension plan benefits see “Pension Benefits for Fiscal 2018” above. The table also does not include balances under our executive deferred compensation plan. Those balances and the circumstances under which the named executive officers may receive distributions from that plan are disclosed in the Nonqualified Deferred Compensation Table and the introduction to that table. Unless otherwise noted, the amounts shown assume that each named executive officer’s employment terminated on July 31, 2018, the last day of our most recently completed fiscal year, and when applicable, the closing sale price of our Common Stock on July 31, 2018, the last trading day of fiscal 2018, which was \$42.36.

Michael A. McPherson				
Change in Control, Death, Disability	\$134,886	\$169,440		\$304,326

The amounts shown reflect each named executive officer’s balance in his executive deferred bonus account of our annual incentive plan. The amounts include executive deferred bonuses awarded for fiscal 2018 that were approved (1) subsequent to July 31, 2018. As explained above, our annual incentive plan provides for immediate vesting and payment, as allowed by law, of a participant’s executive deferred bonus award account upon the participant’s death, disability, retirement under certain circumstances, or change in control of the Company.

The amounts shown represent, as of July 31, 2018: (a) the market price of any unvested shares of restricted stock; and/or (b) the excess of the market price of the shares of stock underlying unvested stock options over the option (2) exercise price. As of July 31, 2018, none of the named executive officers had any unvested stock options. As explained above, previously unvested shares of restricted stock and stock options become immediately vested upon the events listed.
