Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Effective April 4, 2005, pursuant to the terms of the Credit Agreement dated as of January 14, 2005 among Invacare Corporation ("Invacare") and Certain Borrowing Subsidiaries, the Banks Named Therein, and JPMorgan Chase Bank, N.A. as Agent, Keybank National Association as Syndication Agent, and J.P. Morgan Securities, Inc. and Keybank National Association, as Co-Lead Arrangers (the "Credit Agreement"), Invacare requested, and the other parties to the Credit Agreement consented to, an increase in the amount of the multi-currency credit facility available to Invacare under the Credit Agreement by \$50 million to an aggregate amount of \$500 million. A copy of the letter agreement regarding such increase is filed as Exhibit 10.1 to this report on Form 8-K.

The borrowing rate under the Credit Agreement is determined based on the ratio of debt to earnings before interest, taxes, depreciation and amortization (EBITDA) of Invacare, as defined in the Credit Agreement, and ranges from LIBOR plus 0.35% to 0.675%. In addition, the Credit Agreement contains certain affirmative and negative covenants with respect to, among other things, interest coverage, net worth, and ratio of debt to EBITDA. The Credit Agreement specifies various events of default, including, among others, the failure to make payments when due and noncompliance with covenants. Upon the occurrence of an event of default, the lenders can declare all amounts outstanding under the facility due and payable. All borrowings under the facility are required to be repaid by January 14, 2010.

Item 9.01 Financial Statements and Exhibits.
