Item 1.01. Entry into a Material Definitive Agreement.

On July 2, 2015, Invacare Continuing Care, Inc. ("ICC"), a Missouri Corporation and wholly-owned subsidiary of Invacare Corporation, an Ohio corporation (the "Company"), completed the sale (the "Transaction") of all the issued and outstanding membership interests of Dynamic Medical Systems, LLC, a Nevada limited liability company, and Invacare Outcomes Management, LLC, a Delaware limited liability company, each a wholly-owned subsidiary of ICC ("collectively the Rental Subsidiaries"), pursuant to a Membership Interest Purchase Agreement (the "Purchase Agreement") among the Company, ICC and Joerns Healthcare Parent, LLC, a Delaware limited liability company (the "Purchaser").

Upon the closing of the Transaction, the price paid to ICC for the Rental Subsidiaries was approximately \$15,500,000 in cash, which is subject to certain post-closing adjustments required by the Purchase Agreement. The Company estimates net proceeds from the Transaction are approximately \$13,700,000, net of taxes and expenses.

The Purchase Agreement contains customary indemnification obligations of each party with respect to breaches of their respective representations, warranties and covenants, and certain other specified matters, which are subject to certain exceptions, terms and limitations described further in the Purchase Agreement.

The parties to the Transaction have made customary representations, warranties and covenants. The representations, warranties and covenants set forth in the Purchase Agreement have been made only for the purposes of such agreement and were solely for the benefit of the parties to the Purchase Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures, may have been made for the purposes of allocating contractual risk between the parties to the Purchase Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Accordingly, the Purchase Agreement is included with this filing only to provide investors with information regarding the terms of the Transaction, and not to provide investors with any other factual information regarding the parties or their respective businesses, and should be read in conjunction with the disclosures in the Company's periodic reports and other filings with the Securities and Exchange Commission.

At the closing of the Transaction, the parties entered into a supply agreement pursuant to which the Company and ICC will sell products to the Rental Subsidiaries for a period of six months following the Transaction and a transition services agreement under which the parties agreed to provide certain transitional services with respect to the Rental Subsidiaries' respective businesses following the Transaction. In addition, under the Purchase Agreement, the Company agreed, for a period of three years, to certain non-competition obligations with respect to the Rental Subsidiaries and certain non-solicitation obligations with respect to the employees of the Rental Subsidiaries. The Purchase Agreement clarifies that the non-competition obligations are not intended to restrict the Company's ability to develop, market, sell and secure medical equipment to healthcare facilities or to parties engaged in the business of renting medical equipment to healthcare facilities.

Neither the Company nor any of its affiliates have had a material relationship with the Purchaser, other than in respect of the Purchase Agreement.

A copy of the Purchase Agreement is attached as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated in this Item 1.01 by reference. The foregoing description of the Purchase Agreement is a summary, does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement.

Item 7.01. Regulation FD Disclosure.

A press release announcing the Transaction was issued by the Company on July 2, 2015. A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.
