On April 29, 2015, the Board of Directors of San Jose Water Company (the “Company”), a wholly-owned subsidiary of SJW Corp. (the “Corporation”), appointed Andrew R. Gere, age 49, as Chief Operating Officer of the Company, effective April 29, 2015. Mr. Gere served as Vice President of Operations from 2013 until April 2015, as Chief of Operations from 2008 to 2013, as Director of Maintenance from 2006 to 2008, as Director of Operations and Water Quality from 2005 to 2006, and as Manager of Operations and Water Quality from 2003 to 2005. Mr. Gere has been with the Company since 1995.

Mr. Gere will be entitled to the following compensation for his services as Chief Operating Officer of the Company: (i) base salary at the annual rate of \$280,000 and (ii) annual target bonus in the amount of \$60,000, with the actual bonus to range from 0 to 150 percent of target based on corporate and individual performance, and up to an additional 50 percent of target for exceptional individual performance. In addition, on April 29, 2015, Mr. Gere was granted: (i) service-based restricted stock units (“RSUs”) under the Corporation’s Long-Term Incentive Plan covering 501 shares of the Corporation’s common stock which will vest in three equal installments upon completion of each year of service over the three year period measured from April 29, 2015, the effective date of the award and (ii) performance-based RSUs covering a target number of 501 shares. Such performance-based award will vest based on the level of achievement of a performance goal based on the Corporation’s return on equity measured over the 2015 calendar year period and continued service through December 31, 2015. The maximum number of shares issuable under such performance-based award will be 150 percent of the target number of shares and no shares will be issued if the minimum threshold level of performance is not attained.
