## Explanation of Responses:

- \* If the form is filed by more than one reporting person, *see* Instruction 5(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) The initial Form 3 filed by the reporting person reported direct ownership of 1,399 shares of common stock, which inadvertently included 600 restricted stock units that should have been reported in Table II. The number of shares of common stock reported in Table I should have been 799. On November 3, 2017, the reporting person filed an amendment to the Form 3 to correct this error; however, the filing software used to make the filing added the corrected number of shares of common stock (that is, 799) to the original 1,399 shares reported, which resulted in the amendment showing 2,198 shares directly owned. This amendment is being filed to restate the number of shares of common stock owned to 799 shares.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *See* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
