**ITEM 5.03 Amendments to Articles of Incorporation or Bylaws: Change in Fiscal Year.**

On November 15, 2007, the Company's Board of Directors approved the amendment and restatement of the Company's Bylaws effective as of that date. This amendment and restatement represents the first revision of the Company's Bylaws since April 23, 1980 (other than changes to the number of directors), which predates the registration of the Company's common stock under the Securities Exchange Act of 1934 and the listing of the Company's common stock on The NASDAQ Stock Market. The Nominating and Governance Committee of the Company's Board of Directors recommended the amendment and restatement of the Bylaws after thorough review by the Committee and the Company's outside counsel. The Company's amended and restated Bylaws represent a substantial updating and revision of the Bylaws to address the corporate governance needs of a publicly traded company.

Significant changes to the Company's Bylaws include:

- Expanding and establishing procedures for the conduct of shareholders' meetings (Article I) and eliminating certain meeting procedures that could be demanded by a 10% shareholder;
- Establishing procedures and notice provisions governing matters to be proposed by shareholders at the annual meeting of shareholders outside the Company's proxy statement (Article I, Section 1);
- Limiting authority to call a special meeting of shareholders to the Chairman, Chief Executive Officer or the Board of Directors (previously a 10% shareholder could call a special meeting of shareholders) (Article I, Section 2);
- Adding procedures and notice provisions for shareholder nominations of directors (Article II, Section 3);
- Establishing notice provisions for shareholders' meetings, which may include any method permitted by law (Article I, Section 4);
- Making notice procedures for Board meetings more flexible and shortening the notice requirement for special meetings of directors (from two days to six hours) (Article II, Section 7);
- Clarifying the role of the Chairman of the Board (Article II, Section 16);

## Edgar Filing: AMERICAN WOODMARK CORP - Form 8-K

- Revising the procedures for the election and removal of Company officers (Article III, Sections 1-3), and expanding the provisions regarding the officers of the Company and their duties (Article III, Sections 4-8);
- Providing that the Chief Executive Officer has authority to appoint and remove certain officers (Article III, Sections 2 & 3);
- Revising the provisions authorizing certain senior officers and their delegates to enter into contracts on behalf of the Company (Article III, Section 11); and
- Allowing the Board to authorize uncertificated securities (Article IV, Section 1).

In general, other changes include:

- Conforming Bylaws provisions to applicable Virginia law or, in some cases, deleting provisions that merely restated statutory requirements under the Virginia Stock Corporation Act;
- Providing helpful corporate governance procedures, and
- Conforming the Bylaws to current Company practice.

A copy of the Company's Bylaws as amended and restated November 15, 2007 is filed as an exhibit to this report and is incorporated in response to this Item by reference thereto.
