Item 1.01. Entry Into a Material Definitive Agreement.

On February 23, 2017, Whistler Mountain Resort Limited Partnership (the “Whistler LP”), by its general partner, Whistler Blackcomb Holdings Inc. (“Whistler Blackcomb”), a wholly owned subsidiary of Vail Resorts, Inc. (the “Company”), entered into a master development agreement (the “Whistler MDA”) with Her Majesty, the Queen in Right of British Columbia (the “Province”) with respect to the operation and development of Whistler Mountain. Additionally, on February 23, 2017, Blackcomb Skiing Enterprises Limited Partnership (the “Blackcomb LP” and together with the Whistler LP, the “Partnerships”), by its general partner, Whistler Blackcomb, entered into a master development agreement (the “Blackcomb MDA” and together with the Whistler MDA, the “MDAs”) with the Province with respect to the operation and development of Blackcomb Mountain (together with Whistler Mountain, the “Whistler Blackcomb Resort”). Each of Whistler LP and Blackcomb LP were operating under existing master development agreements that terminated upon execution of the MDAs.

The MDAs each have a term of 60 years and are replaceable for an additional 60 years by option exercisable by the Partnerships after the first 30 years of the initial term. In accordance with the MDAs, each Partnership is obligated to pay the following annual fees to the Province based on the consideration received by such Partnership for certain types of activities related to the Whistler Blackcomb Resort:

for certain types of improvements on Whistler Mountain or Blackcomb Mountain, as the case may be, including gondolas and chairlifts, and the land owned by the Province within the defined development area, the greater of 2% of gross revenue received by the applicable Partnership and \$500;

for the golf course and the lands underlying such golf course, the greater of 5% of golf-related revenue received by the Partnership and \$10,000; and

for contracts between the Partnerships and arm’s length parties for the operation of certain activities at the Whistler Blackcomb Resort, 2% of revenue received by the applicable Partnership from such arm’s length contracts.

The MDAs grant a general license to use the Whistler Mountain lands and the Blackcomb Mountain lands for the operation and development of the Whistler Blackcomb Resort. The MDAs also provide for the granting of specific tenures of land owned by the Province to the Whistler LP or the Blackcomb LP, as applicable, by way of rights-of-way, leases or licenses. Each Partnership is permitted to develop new improvements to Whistler Mountain or Blackcomb Mountain, as the case may be, within standard municipal type development control conditions.

The foregoing description of the MDAs is only a summary and is qualified in its entirety by reference to each MDA, copies of which are filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K.

Item 1.02. Termination of a Material Definitive Agreement.

The disclosure under Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference. Upon execution of each of the MDAs described under Item 1.01 above, each of the Ski Area Agreement for Whistler Mountain and the amendments thereto, dated as of September 30, 1982, between the Province and Whistler LP (the “Ski Area Agreement”) and the Development Agreement for Blackcomb Mountain and the amendments thereto, dated as of May 1, 1979, between the Province and Blackcomb LP (the “Development Agreement”), are terminated effective immediately. The Ski Area Agreement, including amendments thereto, and the Development Agreement, including amendments thereto, were filed as Exhibits 10.4 and 10.5, respectively to the Company’s Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission on December 9, 2016.
