Item 4. Purpose of Transaction

This Amendment No. 3 is being filed in connection with the sale of an aggregate of 233,951 shares of Common Stock as described in Item 5. Microchip has no current intention to acquire or sell additional shares of the Issuer's common stock except as described herein, although Microchip may do so depending on market conditions and other factors that it deems appropriate in its sole discretion. Microchip may also acquire or sell additional shares of the Issuer's common stock as it deems appropriate, whether in open market purchases, privately negotiated transactions or otherwise. Microchip and/or its advisors may enter into or engage in discussions with the Issuer concerning an event referred to in paragraphs (a) through (j), inclusive, of Item 4 of Schedule 13D. Microchip also reserves the right to dispose of some or all of the shares of Common Stock at any time in

the open market, in privately negotiated transactions to third parties or otherwise as it deems appropriate in its sole discretion. Any of the foregoing actions could lead to one or more of the events referred to in paragraphs (a) through (j), inclusive, of Item 4 of Schedule 13D, including, potentially, one or more mergers, consolidations, sales or acquisitions of assets, change in control, issuances, purchases, dispositions or pledges of securities or other changes in capitalization.
