The reported transactions involve the amendment on December 21, 2010 of a then outstanding restricted stock unit award, resulting in the (1) deemed cancellation of the then outstanding award and the grant of a replacement award, which amended award is reportable only in Table II. The original award was granted on August 11, 2010 and previously reported in Table I.

The amended award vests after a four-year period beginning on the original grant date in an amount ranging from 0-100% of the units (2) awarded based upon achieving a specified stock price performance ranking among the designated peer group over the vesting period. The amended award provides for payment of all earned shares in common stock following the end of the four-year period.
