**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On March 6, 2007, the Compensation and Incentives Committee of the Board of Directors of Denny's Corporation approved and adopted a long-term growth incentive program (the "LTGI Program") in which selected members of management, including the Company's executive officers, will participate. Under the LTGI Program, which is offered pursuant to the Denny's Corporation 2004 Omnibus Plan, participants may earn performance shares and performance units at 0% to 200% of a target award amount depending on achievement of goals for 2007 systemwide revenues and cash available to reduce debt. Target awards will be one-half in performance shares (which are payable in shares of common stock of the Company) and one-half in performance units (which are payable in cash). Earned performance shares and units vest over a three year period in annual increments of 15%, 35%, and 50%, respectively. The occurrence of certain qualifying termination events during the performance or vesting periods will result in the earning of pro rata award amounts and/or accelerated or continued vesting. One-half of the performance shares earned must be held by participants until termination of their employment from the Company. For executive officers, target awards under the LTGI Program will range from 80% of base salary for senior officers to 200% of base salary for the chief executive officer.
