As previously announced on March 15, 2007, Silicon Storage Technology, Inc. ("SST") is conducting a voluntary review of its historical stock option grant practices covering the time from SST's initial public offering in 1995 through the current fiscal year. The chairman of the audit committee of the board of directors is conducting this review with the assistance of independent outside counsel. SST has voluntarily contacted the Securities and Exchange Commission staff to inform them of the review. Any additional non-cash stock-based compensation expense that may be recorded, if any, will not affect SST's cash position or reported revenue for the recently completed quarter or previous periods.

As a result of the review, SST is unable to file its Quarterly Report on Form 10-Q for the quarter ended March 31, 2007 by the required filing date of May 10, 2007 and does not currently anticipate that it will be filed on or before the fifth calendar day following the required due date according to Rule 12b-25.

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? " Yes " No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Net revenues for the first quarter of fiscal 2007 were \$97.5 million, compared with \$118.2 million in the fourth quarter of 2006 and \$110.5 million in the first quarter of 2006.

As previously announced on March 15, 2007, SST is conducting a voluntary review of its historical stock option grant practices covering the time from SST's initial public offering in 1995 through the current fiscal year. The chairman of the audit committee of the board of directors is conducting this review with the assistance of independent outside counsel. As the review related to stock option grants is currently pending, SST cannot at this time reasonably estimate the amounts of any charges, the resulting tax and accounting impact or which periods may require restatement, if any.
